RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Authorize the Director of Health or the Assistant Director of Health to sign a Professional Services Agreement with CEP America-AUC, PC, for physician and allied health professional services for a total contract amount not to exceed \$925,600 for the term April 1, 2017 to March 31, 2019; and

SUMMARY/DISCUSSION:

The Health Department Clinic Services Bureau (Clinic Services) operates nine community clinic sites designated as Federally Qualified Health Center Look-Alikes. Under the direction of the County and governance of the Community Health Center Board, the clinics provide preventative, primary, and specialty medical care services. Physicians and allied health professionals (Providers) are needed to extend clinic operation hours (evenings and weekends) due to the need to increase patient access for vital clinic services. Clinic Services, like many health centers and hospitals around the Country, is struggling to meet the patient demand for services due to the increased number of patients requiring services. Many of Clinic Services patients work or attend school, so the weekend and evening hours will accommodate their schedules and prevent them from missing paid work or classroom hours.

CEP America (CEP) has 40 years of experience in providing medical services to health centers and hospitals, including Natividad Medical Center. Approval of the recommended action will allow CEP Providers to provide medical services in clinic about 24-40 hours a week. This will help bridge the gap in patient care access.

This work supports the Monterey County Health Department 2011-2015 Strategic Plan initiatives: 2) Enhance community health and safety by emphasizing prevention; and 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It

also supports one or more of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable; and 8) Assure competent public and personal health care workforce.

OTHER AGENCY INVOLVEMENT:

County Counsel and Auditor-Controller have reviewed and approved the Agreement as to legal form and fiscal provisions.

FINANCING:
