Son:

I'm sorry this took me a bit of extra time this week to get back to you. I was able to track down more information from ABC local office and received confirmation that Mr El Youssoufi will be surrendering his Type 20 license once he is issued his Type 21 license. Thus, though there is an overconcentration already in that census tract, this will not add an additional number of permitted facilities. Therefore, the Health Department will not be submitting comments on this application at this time.
