This Agreement will be reviewed and may be updated or revised by mutual written consent and must be signed by both parties to be effective. This Agreement may be terminated by either party upon thirty (30) day advance written notice to the other party.

3.0 INSURANCE AND INDEMNIFICATION PROVISIONS

3.01 Evidence of Coverage. Prior to commencement of this Agreement, the User shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the User upon request shall provide a certified copy of the policy or policies.

A. This verification of coverage shall be sent to the County's Contracts/Purchasing Office, unless otherwise directed. The User shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the County. This approval of insurance shall neither relieve nor decrease the liability of the USER.

B. Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Contracts/Purchasing Officer.

C. Insurance Coverage Requirements. Without limiting User's duty to indemnify, User shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

1. Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

2. Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this

Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$500,000 per occurrence.

3. Workers Compensation Insurance, if User employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

4. Professional Liability Insurance, if required for the professional service being provided, (e.g., those persons authorized by a license to engage in business or profession regulated by the California Business and Professional Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the User shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

D. Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date User completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for User and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insured with respect to liability arising out of the User's work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the User's insurance.

Prior to the execution of this Agreement by the County, User shall file certificates of insurance with the County's contract administrator and the County's Contracts/Purchasing Office, showing that the User has in effect the insurance required by this Agreement. The User shall file a new or amended certificate of insurance within five (5) calendar days after any change is

made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

User shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Office. If the certificate is not received by the expiration date, User shall have five (5) calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by User to maintain such insurance coverage is a breach of this Agreement, which entitles County, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by County to User, pursuant to Section III (A), for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by User, and/or (2) terminate this Agreement pursuant to Section IV.

3.02 Indemnification User shall indemnify, defend, and hold harmless the County of Monterey (hereinafter "County"), its officers, agents and employees from any claim, liability, loss, injury or damage arising out of, or in connection with, performance of this Agreement by User and/or its agents, employees or sub-contractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the County. The User shall reimburse the County for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which the User is obligated to indemnify, defend and hold harmless the County under this Agreement.

County shall indemnify, defend, and hold harmless the User, its officers, agents and employees from any claim, liability, loss, injury or damage arising out of, or in connection with, performance of this Agreement by County and/or its agents, employees or sub-contractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of personnel employed by the User. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the User. County shall reimburse User for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which County is obligated to indemnify, defend and hold harmless User under this Agreement.
