SUMMARY/DISCUSSION:

The Medicare Improvements for Patients and Providers Act (MIPPA) of 2008 was passed into law on February 15, 2008. Since then, this specialized program funding has been sporadic and typically covers a partial year. The California Department of Aging (CDA) has allocated \$48,927 for the Area Agency on Aging in Monterey County. Specific services offered through MIPPA include extensive outreach efforts to low-income Medicare beneficiaries who live in isolation. The purpose of this program is to improve beneficiary access to preventive and mental health services, enhance low-income benefit programs, and maintain access to care in rural areas, including pharmacy access. Services will continue to be provided through a subcontract with Alliance on Aging, a local non-profit agency that specializes in providing MIPPA activities.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved the Agreements as to form.

FINANCING:
