EXHIBIT A-3 – SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
East Garrison Public Financing Authority hereinafter referred to as “Authority”
and
Goodwin Consulting Group, Inc., hereinafter referred to as “CONTRACTOR”

SCOPE OF SERVICES

CONTRACTOR will assist the Authority with annual administration of the Authority’s Community Facilities District (CFD) No. 2006-1 (Project), including preparing the special tax levy, complying with continuing disclosure requirements, and preparing arbitrage rebate calculations.

Specifically, CONTRACTOR will provide the following services:

1. Background Research

CONTRACTOR will gather information and construct a database that will be used to calculate the annual special tax levy. This task will include the following:

Map and Parcel Research: Identify and obtain copies of all subdivision, final and parcel maps. Identify relevant information, including current Assessor Parcel Numbers (APNs), parcel acreage, and record owner of each parcel.

Building Permit Tracking: Track building permits issued within the CFD to determine the date of building permit issuance, square footage of each For-Sale Residential Unit, and whether there are any Taxable Rental Units in the CFD.

Classification of Property: Pursuant to the Rate and Method of Apportionment (RMA) of special tax, categorize each parcel to the appropriate special tax classification, including each category of Developed Property and Undeveloped Property.

Database Management: Prepare a database for the CFD which will contain all properties, parcel numbers, square footage, assigned tax categories, and other relevant information which will allow for the assignment of the special tax pursuant to the RMA.

2. Annual Special Tax Levy Calculation

CONTRACTOR will calculate the special tax levy for each taxable parcel in the CFD by applying the RMA of special tax. CONTRACTOR will identify all CFD expenses including annual debt service, Administrative Expenses, and collection costs. Any applicable surplus special taxes, interest earnings, and other credits will be applied to reduce the annual special tax levy.

3. Annual CFD Administration Report Preparation

CONTRACTOR will annually prepare a special tax administration report for the CFD which contains the results of our parcel research and findings of the financial analysis. An explanation of the methodology employed to calculate the special taxes levied will be incorporated. The report will also

EXHIBIT A-3 – SCOPE OF SERVICES/PAYMENT PROVISIONS

include annual reporting items required by Senate Bill 165 (Local Agency Special Tax and Bond Accountability Act). The appendix to this report will identify the special tax levy for each assessor's parcel for the fiscal year.

4. Annual Special Tax Enrollment

CONTRACTOR will compile a list of parcels in the CFD that will be subject to the special tax levy and format it in compliance with the specific formatting instructions of the County of Monterey (County) Auditor-Controller's Office. The formatted tax levies will be submitted to the County Auditor-Controller's Office on or before the deadline for inclusion on the consolidated property tax bills.

5. Delinquency Management

CONTRACTOR will monitor the County Auditor-Controller's Office tax collection summaries and provide a report to the Authority identifying parcels and corresponding delinquent CFD taxes after each of the two (2) annual tax installments and at the end of the fiscal year, as necessary. CONTRACTOR will prepare and mail a reminder letter after each delinquent tax installment to each delinquent property owner. If directed by the Authority, CONTRACTOR will prepare and mail a tax delinquency demand letter to property owners whose delinquent taxes have contributed to a violation of the bond foreclosure covenants. The demand letter provides notice to the property owners that CFD taxes will be stripped from the tax roll if payment is not made to the County Treasurer-Tax Collector's Office by a certain date.

6. Answer Inquiries from Various Parties

CONTRACTOR will respond to property owners, realtors, title companies, appraisers and other parties' questions regarding the special tax and other CFD related issues. A CONTRACTOR staff member will be listed as the contact for calls that are received by the County Treasurer-Tax Collector's Office, and calls will be responded to on the day received.

7. Prepayment Calculations

CONTRACTOR will provide developers, title agents and other interested parties with the prepayment amount required to pay down the special tax lien on their property.

8. Bond Redemption Administration

CONTRACTOR will work with the homebuilders, title agents and bond trustee to ensure that prepayment checks are processed properly and the correct bond amount is redeemed at each interest payment date. CONTRACTOR will further ensure that prepayment amounts are allocated to the appropriate CFD accounts. Any fees for processing will need to be separately itemized with the check received for associated taxes ensuring correct amounts are deposited into the applicable accounts

EXHIBIT A-3 – SCOPE OF SERVICES/PAYMENT PROVISIONS

9. Disclosure Regulations Compliance

CONTRACTOR will provide information to the Municipal Securities Rulemaking Board (pursuant to Securities and Exchange Commission (SEC) regulations) and the California Debt and Investment Advisory Commission (pursuant to Senate Bill 1464) and prepare special tax disclosure materials to home buyers as specified in Senate Bill 1464. This task shall include the following subtasks:

- a. Prepare the annual Continuing Disclosure Report and respond to secondary information requirements set forth in SEC Section 15c2-12, as amended.
- b. Submit the annual Fiscal Report as specified in Government Code Section 53359.5 to California Debt and Investment Advisory Commission by October of each year.
- c. Prepare special tax disclosure materials on the Authority's behalf for resale properties as required by Government Code Section 53340.2.
- d. Prepare the CFD parcel tax reporting information pursuant to AB 2109 and provide to County to submit to the State Controller's Office in their Annual Financial Transactions Report.

CONTRACTOR will monitor rating agency websites, such as Standard and Poor's, Fitch, and Moody's, on a regular basis to determine if the Community Facilities District No. 2006-1, East Garrison Public Financing Authority, County of Monterey, State of California, Special Tax Bonds, Series 2016 (Series 2016 Bonds) have had a rating change, and if so, report the rating change to the Authority. If instructed by the Authority, CONTRACTOR will report the rating change on the Electronic Municipal Market Access (EMMA) website pursuant to the District Continuing Disclosure Agreement for the Series 2016 Bonds. If needed, CONTRACTOR may request a copy of the District Continuing Disclosure Agreement from the Authority.

CONTRACTOR will provide all required reports, respond to follow-up phone calls, and monitor events associated with the CFD that trigger expanded disclosure requirements.

10. Coordination of Foreclosure Activities

If needed, CONTRACTOR will coordinate with the Authority to ensure compliance with all foreclosure covenants and provisions in the bond documents. Should the Authority decide to initiate foreclosure, CONTRACTOR will assist in drafting a Board resolution to remove delinquent properties from the County tax roll. CONTRACTOR will also prepare and record the Notice of Intent (NOI) to Remove Delinquent Special Tax Installments. After taxes have been removed from the tax roll, CONTRACTOR will send a Foreclosure Letter to the property owner requesting payment of delinquent CFD taxes by a certain date. The Foreclosure Letter provides the property owner with an opportunity to pay only the CFD tax portion of the tax bill instead of the entire bill, as would be the case if the CFD tax were to be paid to the County Treasurer-Tax Collector's Office. All CFD taxes, including penalties, interest, and service fees will be sent to CONTRACTOR and forwarded to the County Treasurer-Tax Collector's Office.

EXHIBIT A-3 – SCOPE OF SERVICES/PAYMENT PROVISIONS

If delinquent CFD taxes are still outstanding after the deadline noted in the Foreclosure Letter, CONTRACTOR will research property documents to determine the primary lienholder. CONTRACTOR will contact the lienholder and send a letter demanding payment of all CFD taxes, penalties, interest, and service fees for the Authority and CONTRACTOR. All CFD tax payments will be sent to CONTRACTOR and forwarded to the County Treasurer-Tax Collector's Office. If delinquent CFD taxes are still outstanding after the deadline noted in the lienholder letter, CONTRACTOR will coordinate with the Authority and foreclosure attorney on proceeding with foreclosure. CONTRACTOR will provide the foreclosure attorney with a detailed report of all parcels subject to foreclosure along with associated CFD taxes, penalties, interest, and other service fees.

CONTRACTOR will also record a Notice of Payment of Delinquent Special Tax for all parcels whose delinquent taxes have been remedied.

11. Arbitrage Rebate Calculations

CONTRACTOR will prepare annual and five-year arbitrage rebate calculations. A report, identifying the rebate liability for the CFD, will be produced. CONTRACTOR will determine the amount, if any, that must be rebated to the Federal government at each five-year interval.
