

SSAI SCSEP Host Agency Agreement

To comply with the requirements of the Senior Service America, Inc. (SSAI), Senior Community Service Employment Program (SCSEP), operated under Title V of the Older Americans Act, this Agreement is voluntarily entered into by Monterey County Child Support Services,

hereinafter referred to as the Host Agency, and Central Coast Goodwill, hereinafter referred to as the Sponsor Agency.

The Host Agency agrees to provide a safe and healthful work site for each participant, to provide the orientation and training necessary to perform assigned duties in accordance with a written community service assignment description, to provide additional training as opportunities occur, and, to the extent possible, treat each participant as a regular member of the Host Agency staff.

The Host Agency agrees to consider each participant for regular employment, either full-time or part-time, when vacancies occur in the Host Agency staff or when new positions are created. The Host Agency will also recommend suitable training for unsubsidized placement of the participant. A detailed training plan, which includes skills to be attained and timelines for achieving the goal, will be documented in the participant's Individual Employment Plan (IEP) and Community Service Assignment Description. The Community Service Assignment Description must specify the nature of the assignment, the hours each participant will train, specific duties and tasks to be performed.

The Host Agency understands that the length of time that a participant may remain in the same assignment will be determined in their IEP. The Host Agency understands that the Sponsor Agency may reassign any participant when that reassignment will increase the participant's opportunities for training or unsubsidized employment, or will otherwise serve the best interests of the participant.

While this agreement is in effect, the Host Agency agrees to not provide community service assignments for participants serving through another national Title V project sponsor.

The Host Agency agrees to abide by the hours and work schedules mutually agreed to for each participant and to provide: properly prepared time sheets (-the supervisor will confirm that the participant worked the hours claimed on their time sheet, and will assure that both they and the participant sign the time sheet); periodic performance evaluations; and other required documents. The Host Agency agrees and understands that each participant will be required to attend periodic SCSEP meetings during regular working hours.

The Host Agency agrees that the community service assignments for any participant are to be similar to "in demand" or "growth industries" private sector jobs, such as health care; child day care; education; or green jobs. However, these assignments will not result in the displacement of currently employed workers; or in a reduction in non-overtime hours of work, wages, or benefits; will not impair any existing contract for service or result in the substitution of the wages of the participant for other funds in connection with work which otherwise would be performed; will not be a substitution for any existing federally-assisted job; and will not be a position which is the same as or substantially the same as that occupied by any other person who is on lay-off or absent due to labor disputes. Further, the Host Agency agrees that it will not discriminate against a participant on the grounds of race, color, age, religion, sex, national origin, age, or disability.

The Host Agency agrees to send a representative to a Host Agency supervisors' meeting. Host Agency supervisors' meetings will be held annually to acquaint all concerned with the SCSEP goals and objectives. The Host Agency agrees to participate in the DOL Customer Satisfaction Survey if solicited.

The Host Agency agrees to provide documentation of in-kind contributions. Further, it is understood by the Host Agency and the Sponsor Agency that any contribution, whether cash or in-kind, by the Host Agency is purely voluntary and is not a condition for the assignment of any participant.

The Host Agency certifies by this Agreement that it is a governmental agency or is a non-profit agency which is currently certified as a Section 501(c) (3) organization under the Internal Revenue Code. In addition, the Host Agency will provide its Federal Employer Identification Number (FEIN). Further, if the Host Agency is certified as a Section 501(c) (3) agency, a copy of that certification is attached or is on file with the Sponsor Agency and is still in effect. The Host Agency agrees to inform the Sponsor Agency immediately if the Section 501(c) (3) certification is revoked.

The Sponsor Agency agrees to recruit, enroll, and assign a participant to the Host Agency for the purpose of engaging in productive community service employment.

The Sponsor Agency agrees to be responsible for all administrative and fiscal controls of the SCSEP and for paying wages and providing fringe benefits to each participant. The Host Agency does not provide Workers' Compensation insurance for participants.

This Agreement may not be amended except upon written agreement between the parties.
