Please tell us about yourself and why you want serve

Hello everyone, I hope you are all doing well. My name is Tonantzin Macias and I am interested in helping the women in my community. I graduated from UCSC with a double major in Spanish Linguistics and Legal studies. I decided to major in Spanish Linguistics because I love the language and because I wanted to better my Spanish. In addition, I majored in Legal studies because I plan to attend law school in the near future. I would like to focus on family law when I attend. However, I am very interested in advocating for women in my community. I have advocated for immigrant rights in the past and now I would like to help the women in my community in any way that I can.

Please state the reason you would like to be a member of this board committee/commission/district.

I would like to be a member of this board to help and assist women in my community in any way that I can. Some people from my community have helped me as well as my family in the past and without them I dont know if I actually would have been able to attend college and graduate. Therefore, I would like to return the favor to anyone that might need it.

Have you served on an advisory group before?
