The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or

errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a “claims-made” basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage (“tail coverage”) with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR’S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR’S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County’s contract administrator and County’s Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 **RECORDS AND CONFIDENTIALITY:**

- 10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. Service Agreement
Between
Monterey County, hereinafter referred to as "COUNTY"
AND**

Turning Point of Central California, Inc., hereinafter referred to as "CONTRACTOR"

A. SCOPE OF SERVICES

A.1 The CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

Turning Point (CONTRACTOR) will offer AB109 **Employment Services** to all clients referred from the Probation Department and identified as AB109 funded participants. AB109 funded participants include Post Release Community Supervision (PRCS), Mandatory Supervision, and Intensive Supervision probationers. Fifty (50) men and women will be placed into unsubsidized employment. It is anticipated that at least 70% of the fifty (50) will require subsidized training prior to job placement and all participants will receive supportive services per assessed needs. CONTRACTOR will set-aside \$85,000.00 for client job training and supportive services. One full-time Employment Specialist and one full-time Case Manager will be assigned to the program. These staff will work under the direct supervision of the Adult Employment Services Program Director, who has extensive experience in managing Adult Employment Programs of the adult offender population.

The Employment Program will be designed to meet the special training and employment needs of the adult offender population. The length of the program will vary based on participant needs. Services will be customer focused and customized to meet the precise needs of an adult population with multiple barriers to employment and the local labor market. Special emphasis will be on job placement and retention in unsubsidized employment as the measure of success and a primary outcome of the program. CONTRACTOR will leverage the resources of their offender programs, established community partnerships, and a strong employer data base to support client success.

Management Plan and Staffing

<u>Classification/Title</u>	<u>Full-Time Equivalent (FTE)</u>
Program Director	.875 FTE
Employment Specialist	1.0 FTE
Case Manager	1.0 FTE

CONTRACTOR shall in writing notify the Adult Division Director, Probation Service Manager, and the Assistant Chief or Chief Probation Officer of any change in staffing within two working days of the modification.

EVIDENCE-BASED PRACTICES AND PROGRAMS

One of the legislative intents of AB109 is to maximize the role of evidence-based intervention strategies to effectively reduce criminal recidivism. It is expected that staff will fully utilize evidence-based practices and techniques to enhance delivery of services. These efforts will also provide support for identifying measurable service objectives used in Probation's program evaluation of their service delivery.

DATA COLLECTION

Individual participant data will be collected for each participant from referral to discharge. Service delivery data collection shall reflect dates of services received, outcome of service delivery, client satisfaction survey for those that complete, and related participant expenditures. All data will be entered into Smart Probation Services Management System (SMS) software, which has been customized to reflect employment program activities and outcomes. Users are responsible for maintaining appropriate use and confidentiality of user license and information accessed; and accurately entering data on a daily basis. Notification of new users or employees who are separating from employment or changing roles must be submitted in writing to the Probation Service Manager.

PROGRAM REFERRALS

Program referrals will be submitted electronically by Monterey County Deputy Probation Officers (DPO). Referrals shall be reviewed and accepted within 2 business days and processed with collaborative communication between program staff and deputy probation officers. Enrollment begins once a referral has been "accepted". If the participant fails to respond or engage in service delivery, they may be "dismissed" after communicating with the referring DPO. All service delivery efforts and communications shall be recorded in Smart Probation SMS.

ORIENTATION

Orientations to program services will be conducted individually upon the first contact with the client provided a referral has been received. Orientations will provide clients with information on CONTRACTOR's AB109 Employment Services as well as partnership job programs and community resources. Clients will be advised of documents necessary for eligibility and initial assessment.

ELIGIBILITY AND INITIAL ASSESSMENT

Eligibility and Initial Assessment appointments will be available within one (1) business day following orientation. The client will be screened for program eligibility using an initial assessment tool designed to identify issues such as medical, psychological, legal, and other issues that may require resolution prior to employment. If it is determined that with CONTRACTOR assistance the client is ready to seek employment, enrollment will be conducted immediately, and a case file started. Clients in need of remediation prior to employment will be referred to suitable community services with the goal of enrollment following resolution.

EMPLOYMENT SERVICES

Case Management

Case Management will begin at the onset of services. The Case Manager will prepare and coordinate comprehensive employment plans for clients to ensure access to the necessary training and supportive services, use of computer-based technologies, and job and career counseling during program participation, and after job placement.

The Case Manager will ensure that the full array of CONTRACTOR employment services is available to clients as part of their Case Management plan. CONTRACTOR's wide range of community linkages will be utilized to support client objectives. Counseling, intervention activities, and collaboration with partner agencies will be part of the matrix of services to ensure employment success.

The Case Manager will meet with his/her client no less than weekly at the onset of services and bi-weekly as the client becomes successfully engaged in program services, job search, training, employment, etc. All meetings will be documented on a case note form and maintained in the client file. Client meetings will include ongoing Pre-Employment and Job Retention Skills Training. This vital training will continue to reinforce with clients "How to get a job", "How to keep a job" and "How to advance on the job."

Assessment

The Case Manager will provide a comprehensive assessment for each client, consisting of an examination of the individual's capabilities, needs, and vocational potential in order to develop a service strategy, and employment goal. Assessments will be client-centered and evaluate employment barriers, considering the client's family situation, work history, education, occupational skills, interests and aptitudes (including those for nontraditional occupations). Also, critical to evaluation and planning will be assessing attitude toward work, motivation, behavior patterns affecting employment potential, financial resources, and needs, and need for supportive services. Recognizing the influences and experience of most offenders, the Case Manager will also closely observe clients' social and interpersonal skills as indicators of how well they can communicate and work with others. Background information and conviction records relevant to employability will be factored into the assessment.

Individual Employment Plan (IEP)

The Case Manager will develop, with the client, an IEP outlining his or her employment goals and the services required to realize those objectives. The results of the Objective Assessment, an overview of the client's status, and the client's input will form the basis of the IEP.

The IEP will include client's employment goal(s); rationale for employment goal selection; barriers to employment; counseling regarding non-traditional work; educational opportunities; labor market; self-sufficiency requirements; client's objectives and any need for support services. The IEP will be used as a "road map", guiding the client on the path to self-reliance with clearly identified employment goals. The document will be signed and dated by the Case Manager and the client.

The IEP will be reviewed by the Case Manager with the client no less than monthly. It is a “living” document and can be changed as continued assessment reflects the need for such. All changes, review notes, and progress in meeting the planned objectives will be documented by the Case Manager in the IEP.

Employability

Instruction will be provided by the Employment Specialist and begin following the development of the IEP. Training will include components of the following:

Life Skills: soft skill development; self-sufficiency; goal setting; financial planning; transportation; housing. **Pre-employment Skills:** gathering information; identification of skills; applications; resumes; interviewing; job search; phone etiquette; writing and basic office machine skills; employer expectations; job retention. **Marketable Work Habits:** grooming; reliability; punctuality and attendance; effective communications; conflict resolution; teamwork, problem solving, ethics; career advancement.

On-the-Job Training (OJT)

On-the-Job Training (OJT) will be used for clients with little or no work history/skills or those that have been out of the job market for a long period of time. This training component will best serve clients that need training to be employable; however, require income to meet their basic needs. OJT's will provide valuable job-related skills in a real work environment. Additionally, training while employed provides supplementary soft skill development under the supervision of an employer. Bi-weekly client evaluations will track job related and soft skills development and provide the opportunity to adjust the training if needed.

Participant Referral to Job Site

Once a suitable On-the-Job Training site is identified, the Employment Specialist will schedule an interview between the employer and the client. The client will be coached with a review of their training, and well-researched information on the prospective training site; they will also be assisted with interview clothes, transportation, etc. as needed.

Before the interview, the Employment Specialist will provide “need to know” only information to the employer, addressing the individual's record, conditions of court supervision, and IEP information. Directly following the interview, the Employment Specialist will conduct an interview with both parties. An OJT Agreement is developed with the employer following a successful interview. A negative interview is analyzed and factored into employer compatibility and the participant's ongoing assessment.

The Employment Specialist will screen OJT sites relative to client's probation conditions to avoid compromising the client's probation or the worksite. The Employment Specialist will also seek local business OJT sites based on advanced knowledge of their stated restrictions for hiring offenders. CONTRACTOR will not broker OJT's with employers who have exhibited a previous pattern of failing to provide agreed upon training obligations or fail to provide the OJT client with benefits equal to other employees doing the same kind of work for the same length of time.

Development of On-The-Job Training Agreements

The Employment Specialist will assess potential OJT employment sites for job advancement opportunities, rate of pay, suitability to the client's skills, and career or educational goals, and likelihood of retention. Actual placement will be the culmination of staff-assisted job development and the client's IEP.

The Employment Specialist will utilize its effective working relationships with numerous public, private non-profit and private employers. CONTRACTOR's philosophy in training site and job opportunity development will be that of building productive relationships based on trust and reliability. OJT sites will be developed with a focus on employers committed to hiring clients following training. The agency will develop the OJT training outline and enter into OJT Agreements with each employer based on a template pre-approved by the Monterey County Probation Adult Division Director.

Employment/Employer Training and support will be a key element to job retention and an integral part of job development and placement. Job development is individual and customized to the employer needs, worksite culture and the characteristics of the client. Employers will be educated to the benefits of hiring adults from the AB109 Employment Services Program, such as: employer reimbursement for training; job ready employees, money saved on employee recruitment, customized training, reduced screening and interviewing time, contribution to positive outcomes for at-risk adults, program support and follow up services, job retention support.

CONTRACTOR will conduct continuous active marketing to employers in and around Monterey County to promote awareness and encourage use of the AB109 Employment Services Program. Promotion will stress professional satisfaction, monetary savings, and community awareness as three critical benefits to the employer.

Performance Evaluations

Client Performance Evaluation forms will be provided to the employer at the start of training. Employers will be trained in the use of evaluations in support of skill and work habit development and job retention. The evaluation will allow the employer to rate the trainee and covers work maturity and habits such as punctuality; attendance; attitude; appearance; interpersonal relations; and task completion. These will start most of the clients' documented credibility in the world of work. Many will be used in interviews, as prior clients seek career advancement, to evidence that they have truly changed behaviors.

Worksite Visits

Worksite Visits will be conducted monthly by the Employment Specialist (more often if needs indicate) for OJT supervision. The monthly Performance Evaluation will be reviewed with the employer and client. This will be an opportunity to address any areas of concern and develop a plan to remedy such and applaud successes. Staff, employer and the client will all review, sign and date the evaluation, for retention in the clients file. OJT Training Outlines will be reviewed at the worksite visits also and used as a monitoring tool to ensure employer compliance with the Agreement and assess skill development. As with the evaluations, should there be any areas of concern, corrective arrangements will be developed and carried out.

SUPPORT SERVICES

CONTRACTOR will provide Support Services to clients who are unable to meet their needs through their own resources, or partnership agencies. Support Services will include but not be limited to, work tools and safety equipment, food, clothing, medical assistance and transportation. Training for participants in finances and money management will be integrated into the support service delivery system. Clients will be taught how to plan for their needs with their objective of self-sufficiency in mind.

CAREER COUNSELING

Comprehensive Career Counseling will be provided-by CONTRACTOR staff, with input from the employer community. Clients will be encouraged to attend community job fairs and utilize technology-based data such as Occupational Exploration Guide (a guide to career, learning and lifestyle options the O*NET (Career Exploration).

PLACEMENT IN UNSUBSIDIZED EMPLOYMENT FOLLOWING TRAINING

Permanent, unsubsidized employment for clients will be the goal of all program components. CONTRACTOR plans a placement rate following training of 75% or higher. The Employment Specialist will develop work opportunities for clients that provide skill development in a work environment that supports their career and personal goals. CONTRACTOR will develop OJT's with transparency, providing education and support regarding the special issues of the offender and addict population. OJT's will be developed specifically for each client with a focus on making a good job match. CONTRACTOR maintains a large employer data base of employers amenable to hiring the offender population.

JOB RETENTION:

CONTRACTOR will implement an established strategy for retention. The foundation for helping participants retain their jobs will begin at onset of services and continue throughout Follow-Up. Because the offender population is at considerable risk of returning to old behaviors, CONTRACTOR will facilitate the development of client support networks with the agencies' partnerships and linkages. Staff will educate each employer on the client risk factors (such as substance abuse, institutionalized behavior, etc.) to afford prompt intervention with counseling and related services.

Clients will be encouraged to return to pre-employment services for additional support as appropriate. CONTRACTOR will work with the client's family to alleviate challenges that may impede on-the-job success. All contacts will be documented in the clients file and reviewed regularly at full case conference to assess for maximum support. To support long-term employment, focus will remain on OJT opportunities in supportive environments with high potential for job satisfaction, skills development, wage increase and industry growth.

FOLLOW-UP SERVICES

Follow-up Services will be conducted at least twice during the 1st quarter after job placement. CONTRACTOR will follow up through phone contacts, work site visits, mail correspondence, employer and support system contacts and retention strategies. Should reemployment become necessary, a new referral will be obtained.

B. PAYMENT PROVISIONS**B.1 COMPENSATION/ PAYMENT**

The County shall pay an annual amount not to exceed **(\$271,975)** for Fiscal Year (FY) 2021-2022 for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Work. Total compensation to CONTRACTOR not to exceed \$271,975. CONTRACTOR'S compensation for services rendered shall be based on the following rates or in accordance with the following terms:

B.2 Budget

<u>Budget Line Item</u>	<u>Annual Budget Amount*</u>
Salary and Benefits	\$134,138
Operating Costs	\$37,149
Client Job Training** and Employment Support Services	\$65,213
SUBTOTAL	\$236,500
Indirect Costs (not to exceed a maximum of 15% of monthly invoices for direct costs)	\$35,475
TOTAL	\$271,975

All fees and costs stated herein shall include all applicable tax.

**Client job training is based on an average wage of \$12.50 per hour (at a 50% employer reimbursement rate) for eight (8) weeks.

NOTE*: Contractors will charge eligible expenses as allocated by line item. However, funding could be reallocated between line items, with the exception of the line items of Client Job Training/Employment Support Services and Operating Costs which are specifically excluded from reallocation, upon request and justification by the Contractor and written approval by the Office of the Chief (or designee), providing that the total contract amount remain unchanged.

Direct costs are costs that provide measurable, direct benefits to particular programs. For CONTRACTOR, these are costs that relate directly to programs and also support costs that relate to the peripheral services necessary to maintain the programs. CONTRACTOR direct costs are salaries and benefits of staff working directly with Probation clients ("service delivery staff"), program management staff salary and benefits for allocated time spent directly supervising service delivery staff and providing program oversight; client job training and employment support services payment costs for supportive items for clients such as bus passes, interview clothing, personal hygiene items for clients, client wage subsidies; and operating costs consisting of office supplies for the program, rent, utilities and telephones for office space occupied by staff working directly with Probation clients.

Indirect costs are agency-wide, general management costs (i.e., activities for the direction and control of the agency as a whole). General management costs consist of administrative activities necessary for the general operation of the agency, such as accounting, budgeting, payroll preparation, personnel services, purchasing, and centralized data processing.

An indirect cost rate is the percentage of an organization's indirect costs to its direct costs and is a standardized method of charging individual programs for their share of indirect costs.

The indirect cost rate can be used to budget the maximum amount of indirect costs allowable for a program and then to claim the actual amount of indirect costs after the program expenditures have been made. **When recovering/charging indirect costs, the indirect cost rate is applied to the amount actually expended for direct costs, not the total amount budgeted.**

Example of charging indirect costs: Assume a CONTRACTOR's approved indirect cost rate is 10.00 percent. During the year, the CONTRACTOR's actual direct cost expenditures totaled \$8,000. The maximum amount that can be charged to the grant/contract for indirect costs is \$800, which is \$8,000 times 10.00 percent.

B.3 Contractors Billing Procedures

Contractor shall invoice County monthly. Contractor shall submit a monthly claim for payment, with back-up documentation that provides validation of eligible expenses, such as system generated payroll reports, no later than the 20th day following the month of service. Failure to submit reports will be deemed non-compliance with the Agreement terms and conditions and may cause reimbursement to be delayed or denied. Salary costs reimbursable under this Agreement include vacation, sick leave, and compensating time off (CTO) earned and paid to vendor employees during the Agreement performance period. Balances accrued during the Agreement funding cycle, but not used and paid to the employee, cannot be claimed. The leave costs claimed must be proportional to the amount of time spent by the employee working on the Agreement scope of services. Expenses may only be incurred prior to June 30, 2022.

Exhibit B

Public Safety Realignment Act of 2011 (AB 109) Grant Guidelines

SUMMARY

The Public Safety Realignment Plan for Monterey County was developed by the local Community Corrections Partnership and approved by its Executive Committee and Monterey County Board of Supervisors.

DISCUSSION

The Public Safety Realignment Act of 2011 shifts responsibility for low-level offenders and parole supervision from the state to the counties. The state will continue to incarcerate offenders who commit serious, violent, or sex crimes, but the counties will supervise, rehabilitate and manage lower-level offenders. Local authority is extended to three new populations: a) specified non-violent, non-serious, non-sex offenders (“non-non-non”), who will no longer be sent to a state prison, but could serve time in jail and/or be supervised by Probation; b) eligible offenders who, after their prison sentence, will be managed by Probation under the new Post Release Community Supervision Program (PRCS); and c) parole violators who did not commit a new crime.

The Public Safety Realignment Plan promotes the design and implementation of a system of “community-based punishment” utilizing evidence-based correctional sanctions and programming other than jail incarceration. Intermediate sanctions include Electronic Monitoring, flash incarceration, community service, participation in residential and outpatient treatment programs, and educational and vocational training services. This represents a balanced approach that combines offender case management based on classification of recidivism risk, alternatives to detention, jail management and local incarceration, and evidence-based rehabilitative and treatment services for individuals under PRCS, Mandatory Supervision, and high-risk probationers.

BASIC GUIDELINES

Both parties agree to follow the guidelines of AB 109 as set forth in the legislation and in the guidelines and interpretations by the California Board of Corrections. It is understood between the parties that AB 109 funding is intended to be used prior to June 30, 2022, and that all expenditures of funds must adhere to the guidelines contained in that legislation.

It also is understood that the Probation Department bears oversight responsibility for administration of this grant and must monitor each participating agency’s adherence to mandated guidelines.

If the appropriated grant funds are discontinued or otherwise become unavailable to County during the term of the Agreement or any extension thereof, County shall have the right to terminate this Agreement by giving contractor written notice of such termination at least thirty (30) days prior to the effective date of the termination.

Public Safety Realignment Act (AB 109)
FY2021-2022

Exhibit C

The Criminal Justice Realignment Act of 2011

“California must reinvest its criminal justice resources to support community-based corrections programs and evidence-based practices that will achieve improved public safety returns on this state’s substantial investment in its criminal justice system. Realignment low-level felony offenders who do not have prior convictions for serious, violent, or sex offenses to locally run community-based corrections programs, which are strengthened through community-based punishment, evidence-based practices, improved supervision strategies, and enhanced secured capacity, will improve public safety outcomes among adult felons and facilitate their reintegration back into society. Community-based corrections programs require a partnership between local public safety entities and the county to provide and expand the use of community-based punishment for low-level offender populations. Each county’s Local Community Corrections Partnership, as established in paragraph (2) of subdivision (b) of Section 1230, should play a critical role in developing programs and ensuring appropriate outcomes for low-level offenders. Fiscal policy and correctional practices should align to promote a justice reinvestment strategy that fits each county. “Justice reinvestment” is a data-driven approach to reduce corrections and related criminal justice spending and reinvest savings in strategies designed to increase public safety. The purpose of justice reinvestment is to manage and allocate criminal justice populations more cost-effectively, generating savings that can be reinvested in evidence-based strategies that increase public safety while holding offenders accountable. “Community-based punishment” means correctional sanctions and programming encompassing a range of custodial and noncustodial responses to criminal or noncompliant offender activity. Community-based punishment may be provided by local public safety entities directly or through community-based public or private correctional service providers [et. seq]. “Evidence-based practices” refers to supervision policies, procedures, programs, and practices demonstrated by scientific research to reduce recidivism among individuals under probation, parole, or post release supervision.” (CA Pen. Code, § 17.5(a)(4)-(9).)

BUSINESS AUTO COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERED AUTOS

Item Two of the Declarations shows the "autos" that are covered "autos" for each of your coverages. The following numerical symbols describe the "autos" that may be covered "autos". The symbols entered next to a coverage on the Declarations designate the only "autos" that are covered "autos".

A. Description Of Covered Auto Designation Symbols

Symbol	Description Of Covered Auto Designation Symbols	
1	Any "Auto"	
2	Owned "Autos" Only	Only those "autos" you own (and for Covered Autos Liability Coverage any "trailers" you don't own while attached to power units you own). This includes those "autos" you acquire ownership of after the policy begins.
3	Owned Private Passenger "Autos" Only	Only the private passenger "autos" you own. This includes those private passenger "autos" you acquire ownership of after the policy begins.
4	Owned "Autos" Other Than Private Passenger "Autos" Only	Only those "autos" you own that are not of the private passenger type (and for Covered Autos Liability Coverage any "trailers" you don't own while attached to power units you own). This includes those "autos" not of the private passenger type you acquire ownership of after the policy begins.
5	Owned "Autos" Subject To No-fault	Only those "autos" you own that are required to have no-fault benefits in the state where they are licensed or principally garaged. This includes those "autos" you acquire ownership of after the policy begins provided they are required to have no-fault benefits in the state where they are licensed or principally garaged.
6	Owned "Autos" Subject To A Compulsory Uninsured Motorists Law	Only those "autos" you own that because of the law in the state where they are licensed or principally garaged are required to have and cannot reject Uninsured Motorists Coverage. This includes those "autos" you acquire ownership of after the policy begins provided they are subject to the same state uninsured motorists requirement.
7	Specifically Described "Autos"	Only those "autos" described in Item Three of the Declarations for which a premium charge is shown (and for Covered Autos Liability Coverage any "trailers" you don't own while attached to any power unit described in Item Three).

9	Non-owned "Autos" Only	Only those "autos" you do not own, lease, hire, rent or borrow that are used in connection with your business. This includes "autos" owned by your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households but only while used in your business or your personal affairs.

B. Owned Autos You Acquire After The Policy Begins

1. If Symbols **1, 2, 3, 4, 5, 6** or **19** are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.
2. But, if Symbol **7** is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:
 - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
 - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

 - e. Destruction.

SECTION II – COVERED AUTOS LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Covered Autos Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed, we will:

- (1) Increase the Limit of Insurance for Covered Autos Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

B. Exclusions

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured".

2. Contractual

Liability assumed under any contract or agreement.

But this exclusion does not apply to liability for damages:

10. Completed Operations

"Bodily injury" or "property damage" arising out of your work after that work has been completed or abandoned.

In this exclusion, your work means:

- a. Work or operations performed by you or on your behalf; and
- b. Materials, parts or equipment furnished in connection with such work or operations.

Your work includes warranties or representations made at any time with respect to the fitness, quality, durability or performance of any of the items included in Paragraph a. or b. above.

Paragraphs **b.** and **c.** above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and

Covered "autos" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. This insurance also does not apply while that covered "auto" is being prepared for such a contest or activity.

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit Of Insurance for Covered Autos Liability Coverage shown in the Declarations.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

SECTION III – PHYSICAL DAMAGE COVERAGE

4. Coverage Extensions

a. Transportation Expenses

We will pay up to \$20 per day, to a maximum of \$600, for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes Of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

b. Loss Of Use Expenses

2. We will not pay for "loss" to any covered "auto" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. We will also not pay for "loss" to any covered "auto" while that covered "auto" is being prepared for such a contest or activity.
3. We will not pay for "loss" due and confined to:

5. Exclusions 4.c. and 4.d. do not apply to equipment designed to be operated solely by use of the power from the "auto's" electrical system that, at the time of "loss", is:
 - a. Permanently installed in or upon the covered "auto";
 - b. Removable from a housing unit which is permanently installed in or upon the covered "auto";

6. We will not pay for "loss" to a covered "auto" due to "diminution in value".

C. Limits Of Insurance

1. The most we will pay for:
 - a. "Loss" to any one covered "auto" is the lesser of:

D. Deductible

For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.

SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:
 - (1) How, when and where the "accident" or "loss" occurred;

- (2) The "insured's" name and address; and
 - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
 - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
 - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
 - (4) Authorize us to obtain medical records or other pertinent information.
 - (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

c. If there is "loss" to a covered "auto" or its equipment, you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Covered Autos Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option, we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceals or misrepresents a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Covered Autos Liability Coverage this Coverage Form provides for the "trailer" is:
 - (1) Excess while it is connected to a motor vehicle you do not own; or
 - (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Covered Autos Liability Coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and
- b. Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
- (4) Canada; and
- (5) Anywhere in the world if a covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less,

provided that the "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada, or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

- b. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto"; or
- c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

- a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;
