Re: Project File No. PLN160151
Monterey Peninsula Country Club

Gentlemen:

The undersigned hereby respectfully requests a public hearing concerning the proposed consideration of the Administrative Design Approval of the remodel of the Monterey Peninsula Country Club clubhouse, with particular reference to the addition of more than 8,000 feet of terraces (presumably, outdoor restaurant and bar facilities) with iron gates, fire pits, site wall, fire places and water features, and the impact such additions will have on the privacy and quiet and peaceful enjoyment of homes in the adjoining residential neighborhood, including those of us who have homes contiguous to the clubhouse on Wranglers Trail Road, immediately below the clubhouse.

Sincerely yours,

Patrick Arrington
