

2019 County of Monterey – Grant Tracking Report

Active Applications

Department	Grant Program	Project Summary	Funding Request	Role	Status
Various	Justice Assistance Grant (JAG)	TBD	TBD	TBD	NOFA released. Met with departments to discuss application details. Submitted LOI.
IT, OES, GIS Committee	Calfire Fire Prevention Program	Light Detection and Ranging (LiDAR) mapping project	\$3,433,320	Met with County staff to discuss project and give feedback on grant application, reviewed first and final draft, provided suggestions and feedback to improve the application.	Submitted 12/19/2018
RMA	CalOES Hazard Mitigation Grant Program	Address the long-standing problems of flood management and floodplain habitat loss within the lower Carmel River Basin by improving the natural and historic functions and values of the lower Carmel River and Carmel Lagoon through the hydraulic reconnection of the Carmel River, its southern floodplain, and the lagoon.	\$28,954,000	Reviewed the first draft, along with comments from the Big Sur Land Trust, and the final application.	Submitted but needs updating to include CAWD project.
CAO	Cultural, Community and Natural Resources Grant Program	The current water system at Laguna Seca Recreation Area gives recreational area visitors access to non-potable water that contains federally unacceptable levels of arsenic, copper and iron. This project will directly address this public health issue and provide a permanent solution by providing safe, clean water to the entire facility.	TBD	Alerted the County of the opportunity, held a conference call with staff to discuss the program and project, and reviewed the draft application.	Due 2/13/19
