Behavioral Health Bureau
and
Applied Crisis Training and Consulting, Inc.**

This Exhibit A-1 shall be incorporated by reference as part of the Standard Agreement governing work to be performed under the above referenced Agreement, the nature of the working relationship between the COUNTY and the CONTRACTOR, and specific obligations of the CONTRACTOR.

I. PURPOSE: CONTRACTOR will support staff members, contract providers, and the community in Suicide Prevention efforts to decrease the number of attempted and completed suicides in Monterey County. CONTRACTOR will work with Contract Monitor to ensure there are equitable processes in place, so that the MC HOPES Coalition is inclusive of diverse community member needs. This will include ensuring process and materials related to the MC HOPES Coalition are bilingual (English and Spanish) and that the MC HOPES Coalition has representation from historically underserved racial and ethnic populations. In Monterey County this includes: Latinx and Hispanics, African Americans and LGBTQ+ community. The MC HOPES Coalition will implement a Suicide Prevention Roadmap that will be provided by the Contract Monitor that has been developed based on Monterey County data and demographics.

II. PERIOD OF PERFORMANCE: Subject to other Agreement provisions, the period of performance under this Agreement shall be from **January 1, 2022 to June 30, 2024**
