DEAR MR. MUNDY:

**SUBJECT: MONTEREY-SALINAS TRANSIT, SECTION 5311(F), INTERCITY BUS  
APPLICATION, CYCLE THIRTEEN**

The County of Monterey is submitting this letter of support for the Monterey-Salinas Transit (MST), Section 5311(f), Grant Application, Cycle Thirteen.

Public transit service is provided between the Monterey County communities of King City, Gonzales, Soledad, Greenfield, and Salinas. MST provides connections from the Salinas Valley to the Monterey Bay Region and other intermodal transportation in downtown Salinas such as AMTRAK, Greyhound, and transit connections to Santa Clara County and the San Francisco Bay Area. This service will effectively link rural communities in Monterey County to rural and urbanized communities in the Salinas Valley and the Monterey Peninsula. This project will provide a critical interregional and intercity transit connection serving all Monterey County residents.

The grant funds being proposed will provide a Sunday transit service between the communities of King City and Salinas. This proposal clearly meets two main objectives of the Intercity Bus Program:

- To support the connection between non-urbanized and the larger regional or national system of intercity bus service and other transit systems.
- To support services to meet the intercity travel needs of residents in non-urbanized areas.

The County of Monterey supports this project and urges funding as requested in the MST grant application.

Sincerely,

**JERRY SMITH, CHAIR  
MONTEREY COUNTY BOARD OF SUPERVISORS**
