PROJECT NAME Monterey County Parks – Lake Nacimiento	SPONSOR'S PRIORITY med
PROJECT LOCATION Lake Nacimiento 10625 Nacimiento Lake Drive Paso Robles CA 93446	
GPS COORDINATES Latitude - 35°45'24.12"N/Longitude - 120° 53'01.91"W	

PROJECT BENEFIT ASSESSMENT (Estimate the benefits of the project including such items as; fire defense, public safety, watershed, recreation, wildlife habitat, property, vegetation, soil, water, air surface configuration, wildlife, people, economic benefits that include; reduced maintenance costs, reduced suppression costs, reduced damage, elimination of hazards, etc. attach additional sheets as necessary).

This project will allow Monterey County to continue to provide a clean, safe park environment for the visiting public and resident wildlife.

Trimming and cutting trees and clearing vegetation and debris from campsites, trails, and open space areas reduce hazards, providing a safe, more enjoyable recreation space. Constructing and maintaining hiking trails allow visitors and staff to move around the park safely. In addition to enhancing visitor enjoyment in the park, vegetation-management activities reduce potential fuel sources, lowering the risk of fire. Maintained hiking trails lessen intrusion on wildlife and damage to habitat, and in the event of fire, provide better access for firefighters.

CAL FIRE provides trained, supervised conservation crews and equipment at minimal cost. This cost-effective program affords Monterey County the ability to continue essential park maintenance activities in times of budgetary constraints.

PROJECT SLASH & PILE BURNING PROCEDURES

- YES NO Predicted Fire Weather Watches or Warnings
- YES NO Hazard Reduction Pile Burning Checklist (8100)
- YES NO Sponsor has a valid burn permit on site.
- YES NO All slash & piles will be consumed or extinguished prior to crew leaving project site.
