However, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide the Services, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital.

1.19 Compliance with Grant Terms. If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal government or private entity in which Hospital or County is the grantee, Contractor and Group Physicians shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

1.20 Medical Records and Claims.

(a) Contractor shall ensure that each Group Physician prepares complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. All such information and records relating to any patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.20(b) shall survive the expiration or termination of this Agreement.

1.21 Records Available to Contractor. Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

1.22 Group Physicians.

(b) Contractor may from time to time engage one (1) or more additional Group Physicians (including locum tenens physicians) to provide the Services under this Agreement, subject to Hospital's prior written approval, which approval may be given, withheld or conditioned by Hospital in its sole discretion. In the event Hospital withholds approval with respect to any additional Group Physician, such Group Physician shall not be entitled to any "fair hearing" or any other hearing or appellate review under any provision of the Medical Staff Bylaws, unless Hospital determines that the withholding of approval is reportable to any state's medical board or other agency responsible for professional licensing, standards or behavior.

(c) Contractor shall ensure that, during the term of this Agreement, any and all Group Physicians (including locum tenens physicians) providing the Services satisfy the professional standards and qualifications set forth in this Article I of this Agreement.

(f) Contractor shall cause each Group Physician providing the Services to comply with all obligations, prohibitions, covenants and conditions imposed on Contractor pursuant to this Agreement. Contractor shall cause each Group Physician to execute and deliver to Hospital a letter of acknowledgment in the form attached as Exhibit 1.22(g) prior to providing any Services under this Agreement.

ARTICLE II. COMPENSATION

2.1 Compensation. Hospital shall pay to Contractor the amount determined in accordance with **Exhibit 2.1** (the “**Compensation**”), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of Six Hundred Eighty Seven Dollars (\$687,000.00).

2.2 Billing and Collections. Contractor shall be solely responsible for billing and collecting for all Professional Services rendered to Hospital patients pursuant to this Agreement (“**Physician Services**”). Contractor agrees that such collections shall be Contractor’s sole compensation for Physician Services. All billing shall be in compliance with applicable laws, customary professional practice, the Medicare and Medicaid Programs and other third party payor programs, whether public or private.

(a) **Billing Compliance.** Contractor shall comply with all applicable Laws, including those of the Federal Health Care Programs, customary professional practice, and other third party payor programs, whether public or private, in connection with billing and coding for Physician Services provided pursuant to this Agreement. Contractor shall adopt and maintain billing and coding compliance policies and procedures to ensure Contractor’s compliance with applicable Laws, including those of the Federal Health Care Programs. Hospital shall have reasonable access to Contractor’s records in order to assure Contractor’s compliance with this Agreement.

(b) **Patient Information.** Hospital shall take all necessary and reasonable steps to provide Contractor appropriate patient information to facilitate Contractor’s billing for the Physician Services rendered pursuant to this Agreement.

(c) **Separate Billing.** Neither Contractor nor Hospital shall bill for, guarantee the ability to collect, or have any claim or interest in or to the amounts billed or collected by the other Party. Contractor shall cooperate with Hospital in completing such claim forms for Hospital patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(d) **Debt Collection Practices.** Contractor shall comply, and shall ensure that any collection agency engaged by Contractor complies, with the Fair Debt Collection Practices Act (15 U.S.C. 1692, et seq.) and Section 1788, et seq. of the California Civil Code (collectively, the “**Debt Collection Acts**”). Contractor shall not, and shall ensure that any collection agency engaged by Contractor does not, with respect to any Hospital patient who is not enrolled in any HMO, PPO, POS or other third party payor plan or program, or Medicare, Medicaid or any other government funded health care benefit plan or program: (i) use wage garnishments or liens on primary residences as a means of collecting unpaid bills for Physician Services rendered by Contractor pursuant to this Agreement, or (ii) report adverse information to a consumer credit reporting agency or commence civil action against any such patient for nonpayment at any time prior to one hundred fifty (150) days after initial billing for Physician Services rendered by Contractor pursuant to this Agreement.

(e) **Collection Agencies.** Hospital shall have the right to object to Contractor's use of any collection agency that engages in conduct that violates the Debt Collection Acts or Section 2.2(d) of this Agreement, or that results in the unreasonable annoyance or harassment of patients. Contractor shall either cure this problem or discharge the collection agency within thirty (30) days following written notice of objection by Hospital. If this problem occurs a second time, Contractor shall discharge the collection agency within thirty (30) days following written notice of objection by Hospital.

ARTICLE III. INSURANCE AND INDEMNITY

3.1 Evidence of Coverage. Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

3.2 Qualifying Insurers. All coverages except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by Hospital's Contracts/Purchasing Director.

3.3 Insurance Coverage Requirements. Without limiting Contractor's or Group Physician's duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor's sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance,** covering Contractor and each Group Physician with coverage of not less than One-Million Dollars (\$1,000,000) per physician per occurrence and Three-Million Dollars (\$3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital's Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor and Group Physician is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor and Group Physician shall either continue such coverage or obtain extended reporting coverage ("**Tail Coverage**"), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this

Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance**, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

☐ Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance**, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

☐ Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

☐ Exemption/Modification (Justification attached; subject to approval).

3.4 Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor and Group Physicians complete their performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor, Group Physicians, and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance.

The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor and each Group Physician shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

3.5 Right to Offset Insurance Costs. In the event that Contractor does not purchase the liability insurance set forth in this Section, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

3.6 Defense and Indemnification.

(a) General Indemnification. Each party shall indemnify, defend and hold harmless, the other, its governing board, directors, officers, members, shareholders, agents and employees, from and against all claims, liabilities, costs, and losses whatsoever, including damages to property, court costs, and reasonable attorney fees, arising from (i) that party's breach of this Agreement and/or (ii) acts or omissions of negligence or misconduct in the performance by that party of this Agreement.

(b) Indemnification for Professional Liability. For liability arising from professional and technical services provided under this Agreement, Contractor shall indemnify, defend and hold harmless County, its governing board, directors, officers and employees from any loss, injury, damage, expense and liability to the extent arising out of the negligence of Contractor, its employees, sub-consultants or agents.

(c) Notwithstanding the above, County and Contractor agree that each party will pay one-half (1/2) of the costs of defense of any action or proceeding brought with respect to a

claim of loss pursuant to this Section. County and Contractor further agree to adjust responsibility for costs of defense based upon ultimate determination of liability.

3.7 Indemnification for Timely Payment of Tax Contributions. It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor or any Group Physician shall be construed to make or render Contractor or any Group Physician the agent, employee or servant of County. Contractor and each Group Physician agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

3.8 Hospital Services. Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

3.9 Survival of Obligations. The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

ARTICLE IV. RELATIONSHIP BETWEEN THE PARTIES

4.1 Independent Contractor.

(a) Contractor and each Group Physician is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's and Group Physician's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor or Hospital and any Group Physician. No Group Physician shall hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service ("IRS") or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor or any Group Physician with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract with any Group Physician.

4.2 Limitation on Control. Hospital shall neither have nor exercise any control or direction over Contractor's or any Group Physician's professional medical judgment or the methods by which Contractor or any Group Physician performs professional medical services; provided, however, that Contractor and Group Physicians shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

4.3 Practice of Medicine. Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

4.4 No Benefit Contributions. Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

4.5 Referrals. Contractor and the Group Physicians shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor or the Group Physicians best qualified to deliver medical services to any particular patient. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor or Hospital and the Group Physicians, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's and Group Physicians' rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor, Group Physician or any person employed or retained by Contractor.

4.6 Form 1099 or W-2. If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

4.7 Contractor Compensation Arrangements. Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such

physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an “**Action**”) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital’s compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

4.9 Contractor’s Performance. County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital’s Medical Director/Chief Medical Officer and from other professionals within Hospital.

4.10 Right of Inspection. Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor or any Group Physician to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

4.11 Access to and Audit of Records. Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

ARTICLE V.

TERM AND TERMINATION

5.1 Term. This Agreement shall become effective on May 1, 2013 (the “**Effective Date**”), and shall continue until April 30, 2016 (the “**Expiration Date**”), subject to the termination provisions of this Agreement.

5.2 Termination by Hospital. Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(a) breach of this Agreement by Contractor or any Group Physician where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;

(b) neglect of professional duty by Contractor or any Group Physician in a manner that poses an imminent danger to the health or safety of any individual, or violates Hospital’s policies, rules or regulations;

(c) there is a “substantial change” in Contractor which has not received prior written approval or subsequent ratification by Hospital. The retirement, withdrawal, termination, or suspension of one (1) or more Group Physicians of Contractor at any time during the term of this Agreement shall be considered to be a “substantial change” in Contractor only if there is a reduction in hours equivalent to in excess of one full-time Group Physician. Notwithstanding anything in the foregoing to the contrary, the retirement, withdrawal, termination, or suspension of any single Group Physician of Contractor shall not constitute a “substantial change” in Contractor as that term is used herein;

(d) breach by Contractor or any Group Physician of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(e) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay its debts as they mature, applies to any court for the appointment of a trustee or receiver over its assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(f) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or

Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(g) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(h) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

5.3 Termination by Contractor. Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

5.4 Termination or Modification in the Event of Government Action.

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notifies the other of such fact.

(c) For the purposes of this Section, "**Government Action**" shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

- (i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;
- (ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;
- (iii) prevent Contractor or any Group Physician from being able to access and use the facilities of Hospital or any Affiliate of Hospital;
- (iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor or any Group Physician referred patients to Hospital or any Affiliate of Hospital;

- (v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor or any Group Physician;
- (vi) subject Hospital or Contractor, any Group Physician, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or
- (vii) jeopardize Hospital's full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, "**Affiliate**" shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

5.5 Termination without Cause. After the first (1st) twenty four (24) months of this Agreement, either Party may terminate this Agreement without cause, expense or penalty, effective one hundred twenty (120) days after written notice of termination is given to the other Party. If this Agreement is terminated prior to the date that is twenty four (24) months from the Effective Date (the "**Two Year Anniversary**"), the Parties shall not, at any time prior to the Two Year Anniversary, enter into any other agreement or arrangement for the provision of Services that modifies, changes, or alters in any way the provisions of this Agreement.

5.6 Effect of Termination or Expiration. Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's and Group Physicians' care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Neither Contractor nor any Group Physician shall do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(c) Group Physicians shall not have any right to a "fair hearing" or any other similar rights or procedures under the Medical Staff bylaws or otherwise.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

5.7 Immediate Removal of Group Physicians. Contractor shall immediately remove any Group Physician from furnishing Services under this Agreement who:

(a) has his or her Medical Staff membership or clinical privileges at Hospital terminated, suspended, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(b) has his or her license to practice medicine in the State, DEA registration denied, suspended, restricted, terminated, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(c) is convicted of a felony, a misdemeanor involving fraud, dishonesty, or moral turpitude, or any crime relevant to Professional Services or the practice of medicine;

(d) is debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program or state equivalent;

(e) fails to satisfy any of the standards and qualifications set forth in Sections 1.8, 1.9, 1.11 and 1.13 of this Agreement; or

(f) fails to be covered by the professional liability insurance required to be maintained under this Agreement.

5.8 Removal of Group Physicians upon Hospital Request. Upon written request by Hospital, Contractor shall immediately remove any Group Physician from furnishing Services under this Agreement who:

(a) engages in conduct that, in Hospital's good faith determination, jeopardizes the mental or physical health, safety or well-being of any person or damages the reputation of Hospital;

(b) fails to comply with any other material terms or conditions of this Agreement after being given written notice of that failure and a reasonable opportunity to comply;

(d) within a twelve (12) month period, has two (2) or more medical malpractice judgments filed against him or her, or he or she becomes the subject of two (2) or more proceedings by the Medical Staff regarding the performance of professional medical services.

5.9 Effect of Removal. Upon the removal of a Group Physician pursuant to Section 5.7 or Section 5.8 of this Agreement, Contractor shall employ, contract with, or otherwise engage, at its cost and expense, a qualified substitute for the removed Group Physician, or shall demonstrate to Hospital's satisfaction Contractor's ability to continuously perform the Services without such a substitute. Failure to take such action shall constitute a

material breach of this Agreement, subject to Section 5.2. Nothing herein shall be construed to limit Hospital's rights under Section 5.2 or any other provision of this Agreement.

5.10 Return of Property. Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's or any Group Physician's possession or under Contractor's or any Group Physician's control.

ARTICLE VI. GENERAL PROVISIONS

6.1 Amendment. This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

6.2 Assignment. This Agreement is entered into by Hospital in reliance on the professional and administrative skills of Contractor. Contractor shall be solely responsible for providing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement. Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

6.3 Compliance with HIPAA. Contractor and Group Physicians shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, "HIPAA," the obligations collectively referred to herein as "**HIPAA Obligations**"), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

6.4 Compliance with Laws and Accreditation. Contractor and Group Physicians shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, "**Laws**") applicable to Contractor and Group Physicians, the provision of the Services, or the obligations of Contractor and Group Physicians under this Agreement, including without limitation laws that require Contractor or any Group Physician to disclose any economic interest or relationship with Hospital. Contractor shall perform and handle all patient transfers and reports in accordance with applicable Laws. Contractor and Group Physicians shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

6.5 Compliance with Medicare Rules. To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized

agent or representative, this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

If Contractor carries out any of the duties of the contract through a subcontract, with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration of ten (10) years after the furnishing of such Services pursuant to such subcontract, the related organization shall make available, upon written request by the Secretary, or upon request by the Comptroller General, or any of their duly authorized representatives, the subcontract and books, documents and records of such organization that are necessary to verify the nature and extent of such costs.

6.6 Confidential Information.

(a) During the term of this Agreement, Contractor and Group Physicians may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. "**Trade Secrets**" includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. "**Confidential Information**" includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor or Group Physicians, or to which Contractor or Group Physicians may gain access in the performance of the Services under this Agreement, or which Contractor or any Group Physician knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade

Secrets Act. Neither Contractor nor any Group Physician shall use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor and Group Physicians shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor and any Group Physician protects his, her, or its own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor and Group Physicians prepare, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor and Group Physicians shall return to Hospital all Confidential Information and all copies thereof in Contractor's and Group Physicians' possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Neither Contractor nor any Group Physician shall copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

6.7 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

6.8 Disclosure of Interests. Contractor or any Group Physician shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's or any Group Physician's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor or any Group Physician under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor and Group Physicians shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

6.9 Dispute Resolution. In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a "**Dispute**"), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the "**Dispute Notice**"), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the "**Meet and Confer**"). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be

considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (“JAMS”), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

- (i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “**Arbitration Notice**”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.
- (ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.
- (iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the “**Panel**”). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.
- (iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.

- (v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.
- (vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.
- (vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.
- (viii) Except as set forth in Section 6.9 (b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

6.10 Entire Agreement. This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

6.11 Exhibits. The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

6.12 Force Majeure. Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

6.13 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State.

6.14 Headings. The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

6.15 Litigation Consultation. Contractor shall ensure that no Group Physician accepts consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall ensure that no Group Physician accepts similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which a Group Physician served as a treating physician.

6.16 Master List. The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

6.17 Meaning of Certain Words. Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

6.18 New Group Physicians. Each new Group Physician shall agree in writing to be bound by the terms of and conditions of this Agreement.

6.19 No Conflicting Obligations. Contractor represents and warrants that the execution and delivery of this Agreement and the performance of its obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's or Group Physicians' duties under this Agreement.

6.20 No Third Party Beneficiary Rights. The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

6.21 Notices. All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as
