7. INDEPENDENT CONTRACTOR STATUS

CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and State income taxes and Social Security, arising out of CONTRACTOR's performance of this Agreement. In connection, therewith CONTRACTOR shall defend, indemnify, and hold COUNTY harmless from any and all liability, which COUNTY may incur because of CONTRACTOR's failure to pay such taxes.

8. INDEMNIFICATION AND INSURANCE

8.1 Indemnification: CONTRACTOR shall indemnify, defend and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorney's fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

8.2 Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier

shall accompany the certificate. In addition, the COUNTY upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the COUNTY'S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

8.3 Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current A.M. Best's Rating Guide or a company of equal financial stability that is approved by the COUNTY'S Purchasing Agent.

8.4 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability

8.4.1 Commercial General Liability Insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than one million dollars (\$1,000,000) per occurrence and \$2,000,000 in the aggregate.

If professional liability insurance is written on a “claims-made” basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage (“tail coverage”) with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of services providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional Contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the contractor.

8.5 Other Insurance Requirements: All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status: The County of Monterey, its officers, officials, employees, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the CONTRACTOR. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR’S insurance.

The County of Monterey, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both GG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage: For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation: The worker's compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against COUNTY, its officers, officials, employees, agents or volunteers.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and the County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which County, at its sole discretion, to terminate this Agreement immediately.

9. NONDISCRIMINATION

During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate or engage in unlawful harassment against applicants, employees, or recipients of services because of actual or perceived sex, gender, sexual orientation, gender identity or expression, race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical (including HIV and AIDS) or

Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

During the performance of this Agreement, CONTRACTOR also shall not retaliate against such persons because they have asserted their rights under the law. ASAM Service Level Description

NTP, also described in the ASAM criteria as an OTP, is an outpatient program that provides Food and Drug Administration (FDA)-approved medications and biological products to treat

SUDs when ordered by a physician as medically necessary. NTPs are required to administer, dispense, or prescribe medications to patients covered under the DMC-ODS formulary including methadone, buprenorphine (transmucosal and long-acting injectable), naltrexone (oral and long-acting injectable), disulfiram, and naloxone. If the NTP is unable to directly administer or dispense medically necessary medications covered under the DMC-ODS formulary, the NTP must prescribe the medication for dispensing at a pharmacy or refer the beneficiary to a provider capable of dispensing the medication. The NTP shall offer the beneficiary a minimum of fifty minutes of counseling services per calendar month. NTPs shall comply with all federal and state NTP licensing requirements. If the NTP cannot comply with all federal and state NTP requirements, then the NTP must assist the beneficiary in choosing another MAT provider, ensure continuity of care, and facilitate a warm hand-off to ensure engagement. NTP services are provided in DHCS-licensed NTP facilities pursuant to the California Code of Regulations, Title 9, Chapter 4, Division 4, and title 42 of the CFR. Counseling services provided in the NTP modality can be provided in person, by telehealth, or by telephone. However, the medical evaluation for methadone treatment (which consists of a medical history, laboratory tests, and a physical exam) must be conducted in-person.

NTP Services include the following service components:

- Care Coordination
- Counseling (individual and group)
- Family Therapy

This history and physical exam done at admission to a NTP qualifies for the purpose of determining medical necessity under the DMC-ODS. NTPs are still required to completed full ASAM criteria assessment and refer beneficiaries to other identified services.

CONTRACTOR shall use the American Society of Addiction Medicine (ASAM) Criteria assessment for DMC-ODS clients to determine the appropriate level of SUD care.

The assessment shall include a typed or legibly printed name, signature of the service provider and date of signature. Assessment shall include the provider's LOC determination and recommendation for services. If the assessment of the client is completed by a registered or certified counselor, then the LPHA shall evaluate that assessment with the counselor and the LPHA shall make the initial diagnosis. The consultation between the LPHA and the registered or certified counselor can be conducted in person, by video conferencing, or by telephone.

CONTRACTOR will create and maintain a Problem List for each client served under this Agreement. The problem list is a list of symptoms, conditions, diagnoses, and/or risk factors identified through assessment, psychiatric diagnostic evaluation, crisis encounters, or other types of service encounters.

CONTRACTOR must document a problem list that adheres to industry standards

A problem identified during a service encounter may be addressed by the service provider (within their scope of practice) during that service encounter and subsequently added to the problem list.

The problem list shall be updated on an ongoing basis to reflect the current presentation of the client.

CONTRACTOR shall add to or remove problems from the problem list when there is a relevant change to a beneficiary's condition.

COUNTY does not require the problem list to be updated within a specific timeframe or have a requirement about how frequently the problem list should be updated after a problem has initially been added. However, CONTRACTOR shall update the problem list within a reasonable time such that the problem list reflects the current issues facing the client, in accordance with generally accepted standards of practice and in specific circumstances specified in BHIN 22-019.

- III. Every participant shall have a progress note in their clinical record that documents the service encounter and their attendance in the group.
- IV. The progress note for the group service encounter shall also include a brief description of the member's response to the service.

The client's progress shall be reviewed and documented within 30 calendar days after signing the treatment plan and not later than every 30 calendar days thereafter.
 - II. An LPHA, registered or certified counselor shall ensure and document, that together with the client, the treatment plan is reviewed and updated, as necessary, when a change in problem identification or focus of treatment occurs, or no later than 90 calendar days after signing the treatment plan and no later than every 90 calendar days thereafter, whichever comes first.

Narcotic Treatment Programs (NTP) are required to create a treatment plan for clients as per federal law. This requirement is not impacted by the documentation requirements in BHIN 22-019. NTPs shall continue to comply with federal and state regulations regarding plans of care and documentation requirements.

Per Behavioral Health Info Notice 23-054, CONTRACTOR (an alcohol or other drug recovery or treatment facility licensed and/or certified by DHCS) shall offer MAT directly to the beneficiary or have an effective referral process in place with narcotic treatment programs, community health centers, or other MAT providers that provides a beneficiary access to all FDA-approved medications for SUDs. An effective referral process shall include an established relationship with a MAT provider and transportation to appointments for MAT. Providing contact info for a MAT provider does not meet DHCS' requirement.

CONTRACTOR will conduct evidence-based assessments of clients' needs for Medications for Addiction Treatment (MAT). MAT assessments, as described in BHIN 23-054 or subsequent guidance, need not meet the comprehensive ASAM assessment requirements described in BHIN 23-068.

CONTRACTOR will have and maintain a MAT policy approved by DHCS that includes all requirements written in BHIN 23-054 or any subsequent DHCS notices.

Recovery Services

Recovery Services are designed to support recovery and prevent relapse with the objective of restoring the beneficiary to their best possible functional level. Recovery Services emphasize the beneficiary's central role in managing their health, use effective self-management support strategies, and organize internal and community resources to provide ongoing self-management support to beneficiaries. Beneficiaries may receive Recovery Services based on self-assessment or provider assessment of relapse risk. Beneficiaries do not need to be diagnosed as being in remission to access Recovery Services. Beneficiaries may receive Recovery Services while receiving MAT services, including NTP services. Beneficiaries may receive Recovery Services immediately after incarceration with a prior diagnosis of SUD. Services may be provided in person, by telehealth, or by telephone. Recovery Services can be delivered and claimed as a standalone service, concurrently with the other levels of care described in this "Covered DMC-ODS Services" section, or as a service delivered as part of these levels of care.

Clinician Consultation

Clinician Consultation replaces and expands the previous "Physician Consultation" service that were used to describe the DMC-ODS program during the years 2015-2021. Clinician Consultation consists of DMC-ODS LPHAs consulting with LPHAs, such as addiction medicine physicians, addiction psychiatrists, licensed clinicians, or clinical pharmacists, to support the provision of care. Clinician Consultation is not a direct service provided to DMC-ODS beneficiaries. Rather, Clinician Consultation is designed to support DMC-ODS licensed clinicians with complex cases and may address medication selection, dosing, side effect management, adherence, drug-drug interactions, or level of care considerations. It includes consultations between clinicians designed to assist DMC clinicians with seeking expert advice on treatment needs for specific DMC-ODS beneficiaries. These consultations can occur in person, by telehealth, by telephone, or by asynchronous telecommunication systems.

Peer Support Services

Peer Support Services are conducted by a Medi-Cal Certified Peer Support Specialist and are culturally competent individual and group services that promote recovery, resiliency, engagement, socialization, self-sufficiency, self-advocacy, development of natural supports, and identification of strengths through structured activities such as group and individual coaching to set recovery goals and identify steps to reach the goals. Services aim to prevent relapse, empower beneficiaries through strength-based coaching, support linkages to community resources, and to educate beneficiaries and their families about their conditions and the process of recovery. Peer support services may be provided with the beneficiary or significant support person(s) and may be provided in a clinical or non-clinical setting. Peer support services can include contact with family members or other people supporting the beneficiary. Peer support services can occur in person, by telehealth, by telephone, or by asynchronous telecommunication systems.

Peer Support Services are based on a plan of care that includes specific individualized goals. The Peer Support Services plan of care must be approved by a Peer Support Specialist Supervisor. The plan of care shall be documented within the progress notes in the beneficiary's clinical record.

Peer Support Services consist of the following activities:

- *Educational Skill Building Groups*: providing a supportive environment in which beneficiaries and their families learn coping mechanisms and problem[1]solving skills in order to help the beneficiaries achieve desired outcomes. These groups promote skill building for the beneficiaries in the areas of socialization, recovery, self-sufficiency, self-advocacy, development of natural supports, and maintenance of skills learned in other support services.
- *Engagement services*: activities and coaching led by Peer Support Specialists to encourage and support beneficiaries to participate in behavioral health treatment.

Engagement may include supporting beneficiaries in their transitions between levels of care and supporting beneficiaries in developing their own recovery goals and processes.

- *Therapeutic Activity*: a structured non-clinical activity provided by Peer Support Specialists to promote recovery, wellness, self-advocacy, relationship enhancement, development of natural supports, self-awareness and values, and the maintenance of community living skills to support the beneficiary's treatment to attain and maintain recovery within their communities. These activities may include, but are not limited to, advocacy on behalf of the beneficiary; promotion of self-advocacy; resource navigation; and collaboration with the beneficiaries and others providing care or support to the beneficiary, family members, or significant support persons.

DMC-ODS Program Criteria for Services - Medical Necessity of Services

- a) Pursuant to BHIN 24-001 and consistent with Welfare & Institutions Code § 14059.5(a), DMC-ODS services must be medically necessary.
- b) For individuals 21 years of age or older: a service is "medically necessary" or a "medical necessity" when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain.
- c) For individuals under 21 years of age: a service is "medically necessary" or a "medical necessity" if the service is necessary to correct or ameliorate screened health conditions. Consistent with federal guidance, services need not be curative or completely restorative to ameliorate a health condition, including substance misuse and SUDs. Services that sustain, support, improve, or make more tolerable substance misuse or an SUD are considered to ameliorate the condition and are thus covered as EPSDT services. (Section 1396d(r)(5) of Title 42 of the United States Code; W&I Section 14059.5(b)(1)).

Referral

The referral process from the Behavioral Health Bureau will include completion of an ASAM screening and submission of an electronic copy of the ASAM screening.

- A. CONTRACTOR shall have written admission criteria for determining the client's eligibility and suitability for treatment and services. All clients admitted shall meet the admission criteria and this shall be documented in the client's record.
- B. Programs shall ensure that their policies, procedures, practices, and rules and regulations do not discriminate against the above special populations. Whenever the needs of the client cannot be reasonably accommodated, efforts shall be made to make referral(s) to appropriate programs.
- C. CONTRACTOR should recognize and educate staff and collaborative partners that Parole and Probation status is not a barrier to SUD services.
- D. CONTRACTOR will ensure that the clinical record for each client includes information as a whole indicating that client's presentation and needs are aligned with the criteria applicable to their age at the time-of-service provision as outlined in this Agreement.

Initial Assessment Process:

Individuals requesting Outpatient services may receive Outpatient Services during the initial assessment process in accordance with access criteria. The ASAM Criteria assessment shall be performed face-to-face, by telehealth or by telephone by a Licensed Practitioner of the Healing Arts (LPHA) or registered or certified counselor and may be done in the community or the home (except for residential and NTP services). If the assessment of the client is completed by a registered or certified counselor, then an LPHA shall evaluate that assessment with the counselor and the LPHA shall make the final diagnosis. The consultation between the LPHA and the registered or certified counselor can be conducted in person, by video conferencing, or by telephone.

- A. CONTRACTOR shall comply with beneficiaries' access criteria and services provided during the initial assessment process requirements:
 - I. To ensure that members receive the right service, at the right time, and in the right place, CONTRACTOR shall use their clinical expertise to complete initial assessments and subsequent assessments as expeditiously as possible, in accordance with each member's clinical needs and generally accepted standards of practice.

- II. COUNTY shall monitor timely completion of assessments to ensure appropriate access to, and utilization of, services. COUNTY shall not enforce standards for timely initial assessments, or subsequent assessments, in a manner that fails to permit adequate time to complete assessments when such time is necessary due to a member's individual clinical needs.
- III. Assessments shall be updated as clinically appropriate, such as when the member's condition changes.

Diagnosing During Initial Assessment Process

CONTRACTOR may use the following options during the assessment phase of client's treatment when a diagnosis has yet to be established:

- I. ICD-10 codes Z55-Z65. Potential health hazards related to socioeconomic and psychological circumstances: may be used by all providers as appropriate during the assessment period prior to diagnosis and do not require certification as, or supervision, of, an LPHA.
- II. ICD-10 code Z03.89 Encounter for observation for other suspected diseases and conditions ruled out: may be used by an LPHA during the assessment phase of a client's treatment when a diagnosis has yet to be established.
- III. CMS approved diagnosis code on the ICD 10 tabular, available in the CMS 2022 ICD-10-CM page at: <https://www.cms.gov/medicare/icd-10/2022-icd-10-cm>, which may include Z codes. LPHAs may use any clinically appropriate ICD-10 code, for example, codes for "Other specified" and "Unspecified" disorders, or "Factors influencing health status and contact with health services".

Assessment of Tobacco Use Disorder during Initial Assessment Phase

All licensed and/or certified SUD recovery or treatment facilities shall conduct an assessment of tobacco use at the time of the client's initial intake, as part of the physical exam requirement for determining whether a client has a tobacco use disorder.

The licensed and/or certified SUD recovery or treatment facility shall do the following:

- I. Provide information to the client on how continued use of tobacco products could affect their long-term success in recovery from SUD.
- II. Recommend treatment for tobacco use disorder in the treatment plan.
- III. Offer either treatment, subject to the limitation of the license or certification issued by DHCS, or a referral for treatment for tobacco use disorder.

Access Criteria After Assessment:

CONTRACTOR shall comply with beneficiaries' access criteria after initial assessment requirements:

- I. Beneficiaries 21 years of age and older, to qualify for DMC-ODS services after the initial assessment, must meet one of the following criteria:
 - a. Have at least one diagnosis from the most current edition of the Diagnostic and Statistical Manual (DSM) of Mental Disorders for Substance-Related and Addictive Disorders, except for Tobacco-Related Disorders and Non-Substance-Related Disorders, OR
 - b. Have had at least one diagnosis from the most current edition of the DSM for Substance-Related and Addictive Disorders, except for Tobacco-Related Disorders and Non-Substance-Related Disorders, prior to being incarcerated or during incarceration, determined by substance use history.
- II. Beneficiaries under the age of 21, qualify for DMC-ODS medically necessary services after the initial assessment, in the following circumstances:
 - a. All services that are Medi-Cal-coverable, appropriate, and medically necessary, needed to correct and ameliorate health conditions shall be provided, as per federal Early & Periodic Screening, Diagnostic and Treatment (EPSDT) statutes and regulations.
 - b. Services need not be curative or completely restorative to ameliorate a health condition, including substance misuse and SUDs, consistent with federal guidance. Services that sustain, support, improve, or make more tolerable substance misuse or an SUD are considered to ameliorate the condition and are thus covered as EPSDT services.

ASAM Level of Care Determination

- A. CONTRACTOR shall use the ASAM Criteria to determine placement into the appropriate level of care (LOC) for all beneficiaries, which is separate and distinct from determining medical necessity. LOC determinations shall ensure that beneficiaries are able to receive care in the least restrictive LOC that is clinically appropriate to treat their condition.
- B. A full ASAM Criteria assessment is not required to deliver prevention and early intervention services for members under 21; a brief screening ASAM Criteria tool is sufficient for these services.
- C. A full ASAM Criteria assessment, or brief screening ASAM Criteria tool for preliminary LOC recommendations, shall not be required to begin receiving DMC-ODS services.
- D. A full ASAM Criteria assessment does not need to be repeated unless the client's condition changes.
- E. Requirements for ASAM LOC assessments apply to NTP clients and settings.

Service Authorization:

For SUD Non-Residential and Non-Inpatient Levels of Care service authorization: CONTRACTOR is not required to obtain service authorization for non-residential/non-inpatient levels of care. Prior authorization is prohibited for non-residential DMC-ODS services.

For SUD Residential and Inpatient Levels of Care: Individuals requesting admission to Residential or Inpatient treatment must have an ASAM Criteria screening completed by qualified Behavioral Health Bureau staff or qualified CONTRACTOR staff prior to admission of the residential recovery program.

When the ASAM Criteria screening tool, completed by qualified Behavioral Health Bureau staff or qualified CONTRACTOR staff, indicates preliminary residential or inpatient level of care, documentation must be sent to COUNTY for authorization approval prior to admission. CONTRACTOR will collaborate with COUNTY to complete residential authorization requests in line with COUNTY and DHCS policy. CONTRACTOR shall respond to COUNTY in a timely manner when consultation is necessary for COUNTY to make appropriate authorization determinations. COUNTY shall provide CONTRACTOR with written notice of authorization determinations within the timeframes set forth in BHIN 24-001, or any subsequent DHCS notices.

For SUD Residential and Inpatient Levels of Care service authorization, CONTRACTOR shall have in place, and follow, COUNTY written authorization policies and procedures for processing requests for initial and continuing authorization, or prior authorization, for residential treatment services, including inpatient services, but excluding withdrawal management services. COUNTY will review the DSM and ASAM Criteria to ensure that the beneficiary meets the requirements for the service. Prior authorization for residential and inpatient services (excluding withdrawal management services) shall be made within 24 hours of the prior authorization request being submitted by the provider.

COUNTY will ensure that prior authorization processes are completed in a manner that assures the provision of a covered SUD service to a client in a timely manner appropriate for the client's condition. CONTRACTOR shall alert COUNTY when an expedited service authorization decision is necessary due to a client's specific needs and circumstances that could seriously jeopardize the client's life or health, or ability to attain, maintain, or regain maximum function. Expedited service authorizations shall not exceed 72 hours after receipt of the request for service, with a possible extension of up to 14 calendar days if the client or provider requests an extension.

Referral to the Mental Health Plan

Clients who do not receive a referral for a mental health screening prior to arriving at an outpatient treatment facility will be encouraged by the CONTRACTOR to contact the toll-free Access line for screening and a possible referral for a mental health assessment.

Admission shall not be denied on the basis of race, color, religion, sex, sexual orientation, age, national origin or disability. The above shall not preclude the program from emphasizing services for specific populations. For each individual participant, including family members or significant others, involvement with alcohol, drugs, or alcohol/drug related problems should be the primary criteria for participation. All participation shall be voluntary. All participants shall be physically and mentally capable of assuming full responsibility for their own decisions and actions in relation to recovery from alcohol and drug misuse while in the program. No individual shall be admitted who, on the basis of staff judgment, exhibits behavior dangerous to

the staff or others. Treatment service locations are handicapped accessible. Visually and hearing-impaired participants are welcome, and interpreters will be utilized as needed. Pregnant, HIV + and/or IV-drug users will receive priority admission.

Target Population

Individuals 18 years of age or older who have met the diagnostic criteria in DSM V/ICD10 for a substance abuse disorder and the ASAM placement criteria. Applicants have also met the admission criteria for Door to Hope Outpatient Treatment program.

Youth Outpatient: Individuals 12 – 20 years of age who have been screened using ASAM criteria and determined to be at risk for developing an SUD or having an SUD.

Fees

The program is expected to augment COUNTY funding through the generation of participant fees. The program will develop and maintain a multi-tiered fee scale to be approved by the County Behavioral Services Director. Services will not be denied because of an individual's inability to pay.

Coordination and Continuity of Care

CONTRACTOR shall comply with the care and coordination requirements established by the COUNTY and per 42 C.F.R. § 438.208.

CONTRACTOR shall engage in care coordination activities beginning at intake and throughout the treatment and discharge planning processes. To facilitate care coordination, CONTRACTOR will request a HIPAA and California law compliant client authorization to share client information with and among all other providers involved in the client's care, in satisfaction of state, and federal privacy laws and regulations.

Staff shall certify that they have reviewed and undergone training in opioid overdose prevention and treatment.

- The proof of completion of such training shall be documented in the staff member's individual personnel file, in accordance with California Code of Regulations (CCR), Title 9, § 10564(k).

4. PAYMENT CONDITIONS

A. If CONTRACTOR is seeking reimbursement for eligible services funded by Drug Medi-Cal funds, SABG funds, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on agreed upon rates for providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for substance abuse treatment and/or alcohol and other drug prevention services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. In addition to the (SAR)limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section 3. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section 5.

B. To the extent a recipient of services under this Agreement is eligible for coverage under Drug Medi-Cal funds, SABG funds, or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Drug Medi-Cal Funded Program(s), CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Drug/Medi-Cal, are not Drug/Medi-Cal eligible or out of county beneficiaries during the term of this Agreement.

C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.

Specifically, CONTRACTOR shall submit its claims on the approved Behavioral Health Plan SUD Invoice Form provided as Exhibit C, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR.

F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

G. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement and shall then submit such certified claim to the COUNTY Auditor. The COUNTY Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.

I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the

CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

J. COUNTY may withhold claims for payment to CONTRACTOR for delinquent amounts due to COUNTY as determined by a Drug/Medi-Cal Disallowance Report or Audit Report settlement resulting from this or prior years' Agreement(s). CONTRACTOR agrees to reimburse COUNTY for any state, federal, or COUNTY audit exceptions resulting from noncompliance herein on the part of CONTRACTOR or any subcontractor.

K. If COUNTY certifies payment at a lesser amount than the amount requested, COUNTY shall immediately notify CONTRACTOR in writing of such certification and shall specify the reason for it. If CONTRACTOR desires to contest the certification, CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) days after CONTRACTOR's receipt of COUNTY's notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person. Any costs incurred for dispute resolution will be split evenly between CONTRACTOR and COUNTY.

5. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$1,718,007.00** for services rendered under this Agreement.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
FY 2025-26	\$ 1,718,007.00
TOTAL AGREEMENT MAXIMUM LIABILITY	\$1,718,007.00

C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain

obligated under this Agreement with regard to payment for services required to be rendered after termination.

6. BILLING AND PAYMENT LIMITATIONS

A. Claiming: CONTRACTOR shall enter claims data into the COUNTY's billing and transactional database system within the timeframes established by COUNTY. CONTRACTOR shall use EHR service codes defined by COUNTY which map/crosswalk to Current Procedural Terminology (CPT) or Healthcare Common Procedure Coding System (HCPCS) codes based on service and provider taxonomy. Claims shall be complete and accurate and must include all required information regarding the claimed services. CONTRACTOR shall maximize the Federal Financial Participation (FFP) reimbursement by claiming all possible Medi-Cal services and correcting denied services for resubmission as needed.

B. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Drug/Medi-Cal claims files, contractual limitations of this Agreement, annual cost, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.

C. Allowable Costs: Allowable costs shall be the CONTRACTOR'S Drug Medi-Cal eligible actual costs or charges for delivering the services specified under this Agreement, as set forth in the Budget and Expenditure Report provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.

D. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line-item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. All requests for budget amendments must be submitted prior to March 31 of the current Fiscal Year period. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.

E. Administrative Overhead: CONTRACTOR's administrative costs shall not exceed fifteen (15%) percent of total program costs.

F. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

G. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Drug/Medi-Cal claims, and billing system data.

7. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

8. BILLING PROCEDURES AND LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER FEDERAL SOCIAL SECURITY ACT, TITLE XIX MEDICAID SERVICES

A. Under this Agreement, CONTRACTOR has Funded Programs that include Drug/Medi-Cal services. CONTRACTOR shall certify in writing annually, by July 1 of each

year, that all necessary documentation shall exist at the time any claims for Drug/Medi-Cal services are submitted by CONTRACTOR to COUNTY.

CONTRACTOR shall be solely liable and responsible for all service data and information submitted by CONTRACTOR.

B. CONTRACTOR acknowledges and agrees that the COUNTY, in undertaking the processing of claims and payment for services rendered under this Agreement for these Funded Programs, does so as the Drug Medi-Cal Organized Delivery System Plan for the Federal, State and local governments.

C. CONTRACTOR shall submit to COUNTY all Drug/Medi-Cal claims or other State required claims data within the thirty (30) calendar daytime frame(s) as prescribed by this Agreement to allow the COUNTY to meet the time frames prescribed by the Federal and State governments. COUNTY shall have no liability for CONTRACTOR'S failure to comply with the time frames established under this Agreement and/or Federal and State time frames, except to the extent that such failure was through no fault of CONTRACTOR.

D. COUNTY, as the Drug MC-Organize Delivery System (ODS) Plan, shall submit to the State in a timely manner claims for Drug/Medi-Cal services only for those services/activities identified and entered into the COUNTY'S claims processing information system which are compliant with Federal and State requirements. COUNTY shall make available to CONTRACTOR any subsequent State approvals or denials of such claims upon request by the CONTRACTOR.

E. CONTRACTOR acknowledges and agrees that COUNTY'S final payment for services and activities claimed by CONTRACTOR Drug/Medi-Cal services is contingent upon reimbursement from the Federal and State governments and that COUNTY'S provisional payment for said services does not render COUNTY in any way responsible for payment of, or liable for, CONTRACTOR'S claims for payment for these services.

F. CONTRACTOR'S ability to retain payment for such services and/or activities is entirely dependent upon CONTRACTOR'S compliance with all laws and regulations related to same.

G. Notwithstanding any other provision of this Agreement, CONTRACTOR shall hold COUNTY harmless from and against any loss to CONTRACTOR resulting from the denial or disallowance of claim(s) for or any audit disallowances related to said services, including any State approved Title XIX Medicaid Administrative Activities by the Federal, State or COUNTY governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the COUNTY.

H. CONTRACTOR shall repay to COUNTY the amount paid by COUNTY to CONTRACTOR for Title XIX Medicaid, subsequently denied or disallowed by Federal, State and/or COUNTY government.

I. Notwithstanding any other provision of this Agreement, CONTRACTOR agrees that the COUNTY may offset future payments to the CONTRACTOR and/or demand repayment from CONTRACTOR when amounts are owed to the COUNTY pursuant to Subparagraphs G. and H. above. Such demand for repayment and CONTRACTOR'S repayment shall be in accordance with Exhibit I, Section IV (Method of Payments for Amounts Due to County) of this Agreement.

J. CONTRACTOR shall comply with all written instructions provided to CONTRACTOR by the COUNTY, State or other applicable payer source regarding claiming and documentation.

K. In no event shall CONTRACTOR bill COUNTY for a portion of service costs for which CONTRACTOR has been or will be reimbursed from other contracts, grants or sources.

L. Nothing in this Section 8 shall be construed to limit CONTRACTOR'S rights to appeal Federal and State settlement and/or audit findings in accordance with the applicable Federal and State regulations.

9. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

A. CONTRACTOR shall comply with all Federal, State and COUNTY requirements and procedures relating to:

1. The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with the State Department of Health Care Services guidelines and WIC sections 5709 and 5710.

2. The eligibility of patients/clients for Medicaid, Medicare, private insurance, or other third-party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. CONTRACTOR shall pursue and report collection of all patient/client and other revenue.

B. All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by CONTRACTOR only for the delivery of Non Drug/Medi-Cal, Drug/Medi-Cal service/activities specified in this Agreement.

C. CONTRACTOR shall not retain any fees paid by any sources for, or on behalf of Drug Medi-Cal beneficiaries without deducting those fees from the cost of providing those Drug/Medi-Cal services for which fees were paid.

D. CONTRACTOR may retain any interest and/or return which may be received, earned or collected from any funds paid by COUNTY to CONTRACTOR, provided that CONTRACTOR shall utilize all such interest and return only for the delivery of Non Drug/Medi-Cal, Drug/Medi-Cal services/activities specified in this Agreement.

E. Failure of CONTRACTOR to report in all its claims and in its Annual Report(s) all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Drug Medi-Cal beneficiaries receiving services and/or activities hereunder, and all interest and return on funds paid by COUNTY to CONTRACTOR, shall result in:

1. CONTRACTOR'S submission of a revised claim statement and/or Annual Report(s) showing all such non-reported revenue.
2. A report by COUNTY to State of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Drug/Medi-Cal beneficiaries and/or COUNTY'S revision of the Annual Report(s).
3. Any appropriate financial adjustment to CONTRACTOR'S reimbursement.

EXHIBIT F - ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers and know about and respect cultural and ethnic differences. They adapt their skills to meet each family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising and emerging practices that are congruent with ethic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities to care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 25%).
- Developing recruitment, hiring, and retention plans that are reflective of the target communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.

- Offer services in Spanish and other necessary languages (such as Tagalog) for at least 50% of all services.

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities pg 9)

A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish and Tagalog); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers and ensuring that staff have an open and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide an emotional environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by clients; staff that is knowledgeable of cultural and ethnic differences and needs and is able and willing to respond to them in an appropriate and respectful manner.
4. Support the COUNTY's goal to reduce disparities to care by increasing access and decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery and evaluation (County Goal: 25%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Behavioral Health Director or designee to monitor progress and outcomes and report regularly to Behavioral Health coordinating bodies on the progress and outcome(s) of the project.
8. As appropriate, participate in cultural competency trainings offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

(a) “Breach” shall have the same meaning as “breach” as defined in 45 C.F.R. § 164.402; however, the term “Breach” as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient’s “medical information” as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a “breach of the security of the system” under Cal. Civil Code § 1798.29.

(b) “California Confidentiality Laws” shall mean the applicable laws of the State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient access law (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code § 5328 *et seq.*), and California’s data breach law (Cal. Civil Code § 1798.29).

(c) “Protected Health Information” or “PHI” shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual or the past, present or future payment for the provision of health care to an individual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity’s behalf. PHI, when used in this BAA, includes EPHI.

(d) “Services” shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying services agreement “(Services Agreement)” between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by

45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Such notice shall be provided within five (5) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request;

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5) business days after discovery of the Breach;

(ii) In consultation with Covered Entity, Business Associate shall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business

Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach; and

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified. Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to be notified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (which may include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach.

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as those that apply to Business Associate pursuant to this BAA. Upon request, Business Associate shall provide Covered Entity with copies of its written agreements with such Subcontractors;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services ("Secretary") in a time and manner designated by the Secretary for purposes of determining Covered Entity's or Business Associate's compliance with HIPAA. Business Associate shall immediately notify Covered Entity of any such requests by the Secretary and, upon Covered Entity's request, provide Covered Entity with any copies of documents Business Associate provided to the Secretary. In addition, Business Associate shall promptly make available to Covered Entity such practices, records, books, agreements, policies and procedures relating to the Use and Disclosure of PHI for purposes of determining whether Business Associate has complied with this BAA or maintains adequate security safeguards, upon reasonable request by Covered Entity. The fact that Covered Entity has the right to inspect, inspect, or fails to inspect Business Associate's internal practices, records, books, agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity's acceptance of such practices or waiver of Covered Entity's rights under this BAA;

(e) Document Disclosures of PHI and information related to such Disclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to

Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. At a minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set;

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for amendment of PHI from an individual.

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possible and in no case later than five (5) days after the Business Associate's receipt of any request or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such

challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de-identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosures of PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage. Business Associate agrees to review the Notice of Privacy Practices at this URL at least once annually while doing business with Covered Entity to ensure it remains updated on any changes to the Notice of Privacy Practices Covered Entity may make.

3.3 Responsibilities of Covered Entity. Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

4. TERM AND TERMINATION

4.1 Term. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 Termination. If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement without penalty; or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) days of Business Associate's receipt of

written notice of such breach, if the breach is not cured to the satisfaction of Covered Entity.

4.3 Automatic Termination. This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate having this BAA in place.

4.4 Effect of Termination. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returned or securely destroyed, and no copies retained, upon Covered Entity's request. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only that PHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections 2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHI retained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 Survival. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 Amendments: Waiver. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile or email to the facsimile telephone numbers or email addresses listed below.

5.5 Counterparts; Facsimiles. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 Relationship of Parties. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

5.7 Choice of Law; Interpretation. This BAA shall be governed by the laws of the State of California. Any ambiguities in this BAA shall be resolved in a manner that allows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

5.8 Indemnification. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the "County"), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurred by the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or California Confidentiality Laws, or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independent of, any indemnification provision in any Services Agreement between the Parties.

5.9 Applicability of Terms. This BAA applies to all present and future Services Agreements and business associate relationships, written or unwritten, formal or informal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automatically be incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA and a provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on Business Associate with respect to PHI, in which case the provision of such other agreement will control.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costs expenses, fines, and compliance costs arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate's required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability. The insurance coverage limits, per claim and in the aggregate, shall not be less than the following amounts based upon the number of unique patient served under this agreement:

Unique Patients	Coverage
Less than 12,001	\$2,000,000
12,001 – 30,000	\$3,000,000
30,001 – 60,000	\$5,000,000
More than 60,000	\$10,000,000

If the Business Associate maintains broader coverage and/or higher limits than these minimums, the Covered Entity requires, and shall be entitled to, the broader coverage and/or the higher limits maintained by the Business Associate. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Covered Entity. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law. This includes, without limitation, any allegation that Business Associate has violated HIPAA or other federal or state privacy or security laws.

5.12 Audit or Investigations. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws.

5.13 Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify in any claim commenced against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law, except where Business Associate or its Subcontractor, employee, or agent is a named adverse party.

5.14 No Offshore Work. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

5.15 Information Blocking Rules. Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity's electronic health information that would result in "information blocking" as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, "Information Blocking Rules"). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity's electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

EXHIBIT J: AUDITS AND AUDIT APPEALS

I. AUDIT(S) AND AUDIT APPEALS

A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal governments, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the Monterey County's Auditor-Controller's Office or designated representative. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.

B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.

C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.

1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.

2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.

3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

D. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

1. For Federal audit exceptions, Federal audit appeal processes shall be followed.

2. CONTRACTOR may appeal the State audit findings in conformance with provisions

of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.

3.
