RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Authorize the Deputy Purchasing Agent for Natividad Medical Center (NMC) or his designee to execute the Professional and Call Coverage Services Agreement with West Coast Brain and Spine Institute, Inc. to provide neurosurgery services for an amount not to exceed \$500,000 for the period July 1, 2019 to June 30, 2021; and
- b. Authorize the Deputy Purchasing Agent for NMC or his designee to sign up to three (3) future amendments to this agreement where the total amendments do not significantly change the scope of work and do not cause an increase of more than ten percent 10% (\$50,000) of the original contract amount.

SUMMARY/DISCUSSION:

NMC received its designation as the Level II Trauma Center for Monterey County in January 2015. The American College of Surgeons requires neurosurgeons provide dedicated call coverage with a 30 minute response time for Level II Trauma Centers. In order to provide 24/7 care, it is necessary to develop and sustain a core team of quality neurosurgeons made up of employed and independent contract physicians to provide daily call coverage in the Emergency Department and follow-up care to patients in the Intensive Care Unit and Specialty Clinic.

NMC would like to enter into an agreement with West Coast Brain and Spine Institute, Inc., for which Dr. Peyman Tabrizi, a board certified neurosurgeon, provides neurosurgery services as part of the comprehensive trauma services required for the Level II Trauma Center activation. Dr. Tabrizi is paid a daily rate for coverage services. Although the amount of services may increase due to availability and the need for coverage, the rate of pay remains the same. NMC has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions. The Agreement has also been

reviewed and approved by NMC's Finance Committee and Board of Trustees on June 7, 2019.

FINANCING:

The total cost of this Agreement is \$500,000. The actual cost is contingent upon Dr. Tabrizi's participation in the call panel which may fluctuated based on his availability. NMC has agreements with multiple providers to ensure sufficient coverage of the neurosurgery services where the total expenditure will not exceed \$1,300,000 annually which is included in Fiscal Year 2019/2020 recommended budget. The remaining balance will be budgeted in subsequent fiscal years. There is no impact to the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The services rendered in this agreement provide NMC with the additional support it needs in order to provide reliable and high quality patient care which improves the health and quality of life for patients and their families.
