

MEMORANDUM

TO: Host Agency Supervisor

FROM: Goodwill Central Coast, SCSEP Project Director

SUBJECT: 2nd Notice of continuation of National Host Agency Agreement

DATE: July 5, 2016

On May 12, 2016, I sent you an email notice of continuation our current Host Agency agreement to September 30, 2016. Since that date, we received information on June 24, 2016 that the U. S. Department of Labor (DOL)'s has reopened the national grant competition and that current SCSEP national grants have been extended to December 31, 2016, therefore local Host Agency agreements are extended (without new signatures) until December 31, 2016.

When results of the competition are made available, if any change of status is warranted you will be notified.

Please contact me if you have any questions.

An Enclosure to this Memorandum is attached. Please retain this Memorandum and its attachment with your copy of the original Program Year 2015 Host Agency Agreement.

Thank you,

Bill O'Brien
