<b>SUBJECT:</b>	Authorize the Purchasing Manager for Natividad Medical Center (NMC) to execute Amendment #1 to the Agreement with Ciber Inc. for Business Applications Project Manager Services at NMC in an amount not to exceed \$175,000 (an increase of \$75,000) for the period July 1, 2010 to December 3, 2010.	
<b>DEPARTMENT:</b>	Natividad Medical Center	

**RECOMMENDATION:**

It is recommended the Board of Supervisors authorize the Purchasing Manager for Natividad Medical Center (NMC) to execute Amendment #1 to the Agreement with Ciber Inc. for Business Applications Project Manager Services at NMC in an amount not to exceed \$175,000 (an increase of \$75,000) for the period July 1, 2010 to December 3, 2010.

**SUMMARY/DISCUSSION:**

NMC continues to enhance its information technology network as well as implement new application projects. The recommendation is to engage Ciber, a company widely recognized for its information technology expertise as well as institutional knowledge of NMC. Ciber has been providing project management services for business applications; because NMC continues to develop its network and roll-out new business applications, there is need to extend these services. Ciber will provide project management services in a number of areas including upgrades and enhancements, inventory assessment, help desk ticket design, etc. Policies and procedures for business applications will also continue to be developed.

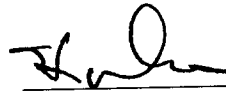

**OTHER AGENCY INVOLVEMENT:**

The Amendment has been reviewed and approved by County Counsel, the Auditor/Controller's office, and the Natividad Medical Center Board of Trustees' Finance Committee.

**FINANCING:**

The cost for this Agreement is \$75,000 and is included in the Fiscal Year 2010/2011 Recommended Budget. This action will not require any additional General Fund subsidy.
