MCHD Health in All Policies Data Analytics and Support

The Contractor (Raimi + Associates) for the Monterey County Health Department (MCHD) will be responsible, in coordination with staff of MCHD for the tasks and deliverables described below:

Task 1: Contract Administration

Consult and meet with MCHD staff. Prepare invoices.
Timeline: Ongoing Q1, Q2, Q3, and Q4(as necessary)

Task 2: Support Health in All Policies Reviews and/or Committees

Provide on-call epidemiological support for research and provide template comment statements for health impact reviews. This task could also be used to provide data or policy research support for the Health in All Policies Committees.
Timeline: Q1, Q2

Task 3: Data Dashboard Prototype

Create a data dashboard prototype using Microsoft Excel that can visually display data countywide. Depending on indicators selected, the dashboard will also have the capability to show certain indicators by City/Census Designated Place. Depending on the indicators and discussions with MCHD staff, some county-level indicators may also be displayed by other demographic characteristics such as sex or race/ethnicity. The dashboard will have one or more data sheets where MCHD staff can input data for future years to keep all the indicators updated. The dashboard will have a way to show the data for each year of data. The top ten indicators from Live Well San Diego will be a starting place.
