

## MONTEREY COUNTY BOARD OF SUPERVISORS

<b>MEETING:</b>	July 21, 2009	<b>AGENDA NO.:</b>	5-1
<b>SUBJECT:</b>	Consider and adopt an Ordinance of the County of Monterey amending the Monterey County Code, Section 2.76.050 relating to determination and payment of estimated fees for supplemental law enforcement services.		
<b>DEPARTMENT:</b>	Sheriff's Office		

### **RECOMMENDATION:**

It is recommended that the Board of Supervisors consider and adopt an Ordinance of the County of Monterey amending the Monterey County Code, Section 2.76.050 relating to determination and payment of estimated fees for supplemental law enforcement services.

### **SUMMARY/DISCUSSION:**

Section 2.76.050 of the Monterey County Code currently provides that applicants for supplemental law enforcement services shall pay to the County through the Sheriff the estimated fee for such services at least twenty-four (24) hours before the time when the services are to be provided and that the applicants pay the estimated fee for the use of the Sheriff's vehicles at least twenty-four (24) hours before the time the services are to be provided. This short required notice period before the supplemental services are to be provided creates a hardship on the Sheriff's Office, both financially and in its personnel assignments. Enlarging the required notice period and payment for the use of the Sheriff's vehicles to fifteen (15) working days before the time when the supplemental services are to be provided will enable the Sheriff's Office to secure the necessary funding from the applicant in a timely manner and will allow the Sheriff's Office to handle the assignment of Sheriff's personnel in the most efficient way possible. On July 7, 2009, the Board introduced the Ordinance and waived first reading.

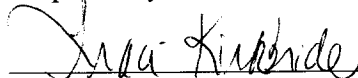

### **OTHER AGENCY INVOLVEMENT:**

County Counsel has reviewed the Ordinance and has approved it.

### **FINANCING:**

There is no County cost associated with this proposed Ordinance.
