Dear Supervisor Lopez,

I am writing you a letter of interest because as it stands right now I have been serving as a board member on the Gonzales Rural Fire District for several years. I am interested in serving another term, but I missed the application closing date for the upcoming election. Can you help facilitate my continuing service by appointing me for another term? I'm willing to continue do it as a civil service for my community.

I would appreciate any help from you in this matter. Please let me know if there is anything further you need from me.

Sincerely,

Michael Martignoni
