RECOMMENDATION:

It is recommended the Board of Supervisors:

- a. Authorize the Chief Executive Officer for NMC or his designee to execute amendment No. 2 to the agreement with EBSCO Industries, Inc. (EBSCO) for online database and journal subscriptions, with no change to the scope of work or the agreement term of January 1, 2019 through December 31, 2022, and adding \$125,000 for a revised total agreement amount not to exceed \$573,153.

SUMMARY/DISCUSSION:

EBSCO provides Natividad staff access to online medical database resources and published medical journals. These resources include the leading web-based clinical research tools utilized in hospital and clinic settings to obtain answers to clinical questions, including the latest evidence and clinical expertise to provide specific, practical recommendations for diagnosis and treatment at the point of care.

Approval of this recommended action will provide Natividad medical staff, residents, and nursing and ancillary hospital staff continued access to these valuable clinical resources along with our patient discharge instructions database incorporated in our electronic medical record system. Included in this Amendment is the functionality of EBSCO products, which will provide remote access to many of these resources. This enhancement will allow authorized users to access EBSCO resources from any internet-enable device including desktop computers, laptops, and mobile devices. In addition, providers can continue to accrue *AMA PRA Category 1*TM credits for every search they conduct the EBSCO databases and catalog tools; and Nursing, Dietitians, Social Workers, and Physical Therapists can earn continuing education units.

This work supports:

- Natividad Medical Center’s The Joint Commission requirement to “provide access to knowledge-based information resources 24 hours a day, 7 days a week.” *The Joint Commission Standards IM.03.01.01*
- Natividad Medical Center’s The Joint Commission requirement to “provide patient education and training based on each patient’s needs and abilities.” *The Joint Commission Standards PC.02.03.01*
- Natividad’ s Family Medicine Residency Program’s Accreditation Council for Graduate Medical Education (ACGME) requirement “Residents must have ready access to specialty-specific and other appropriate reference material in print or electronic format. This must include access to electronic medical literature databases with full text capabilities.” *ACGME Common Program Requirements I.D.3.*
