2. **Provision of Products and Services.** CHC will provide Products and Services to Customer as described in the Exhibits, Solution Schedules, and Solution Orders.
3. **Use of Products and Services.** Customer will, and will cause Permitted Users to, use all Products and Services in accordance with this MRA and related Documentation, and in compliance with all applicable laws. Customer is responsible for use of the Products and Services by its Permitted Users.
4. **Use of Documentation.** Customer may use and copy the Documentation as reasonably necessary to exercise its rights under this MRA, including a reasonable number of copies for training, testing, backup, and archival purposes. Customer will duplicate all applicable trademark, copyright, or other proprietary notices on each copy of the Documentation.
5. **Customer Responsibilities.** Customer will:
 - (a) Reasonably cooperate with CHC and provide CHC access to all appropriate Facilities, systems, and supporting documentation (all such items shall be deemed Customer Materials hereunder) requested, as reasonably necessary for CHC to perform its obligations under this MRA, subject to compliance with Customer's standard administrative and security requirements and policies provided to CHC, except to the extent the requirements and policies would require CHC to modify its Products; or conflict with any Documentation, CHC obligations under this MRA or CHC employment policies. Access to Customer facilities shall be restricted to normal Customer business hours. Access to Customer facilities outside normal business hours must be approved in advance by Customer's program manager, which approval will not be unreasonably withheld. CHC shall have no tenancy, license or any other property rights or interest in Customer facilities. While at any Customer facility, CHC's personnel, contractors, and Subcontractors shall (1) comply with Customer's requests, rules, policies, and regulations regarding personal and professional conduct (including without limitation, the wearing of an identification badge and adhering to regulations and general safety practices or procedures), except to the extent that these requests, rules, policies and regulations conflict with CHC employment policies; and (2) otherwise conduct themselves in a professional and businesslike manner;
 - (b) secure all Third-Party authorizations necessary from those Third Parties under Customer's reasonable control for CHC to deliver the Products and Services in compliance with all applicable laws, and maintain all records necessary to validate

the authorizations Customer provides to CHC. For the avoidance of doubt, CHC is responsible for all consents and permissions from any Third Party providing a Third Party Solution;

- (c) Supply CHC, in the format specified in the Documentation, with all data necessary for CHC to deliver the Products and Services, and maintain all records necessary to validate the data Customer provides to CHC;
- (d) use commercially reasonable security measures to secure systems owned, hosted, or operated by Customer to prevent unauthorized access to the Products and Services, and promptly notify CHC of any known performance problems or security vulnerabilities related to the Products and Services;
- (e) obtain CHC's prior written consent before using any interface or integration not developed by CHC to the Products or Services, except for such interfaces or integrations provided or authorized by CHC, and follow all reasonable specification guidelines provided by CHC;
- (f) acquire, operate, and maintain all software, systems, equipment, and services identified in the applicable Documentation as necessary to operate the Products and Services, and when applicable and required by this MRA or the Documentation, provide first-level support, education, and training to Permitted Users for the Products and Services; and
- (g) comply with all applicable Control Laws affecting the Regulated Materials.

In the event Customer provides any hardware, software, data, databases, office space, security access, or other materials, technologies, or services to CHC ("Customer Materials"), Customer grants CHC a non-exclusive, non-transferable, terminable at-will license to use these materials for the sole purpose of performance of the Services contemplated by this MRA for Customer's benefit. Customer may terminate the foregoing license at any time, without cause, on written notice to CHC. In the event Customer's termination of the license impacts CHC's performance hereunder, CHC shall not be liable for any resulting failure to perform. Unless specifically authorized otherwise in the applicable Solution Schedule or Solution Order, CHC shall use the Customer Materials only in the form provided by Customer, without modification. Nothing contained herein shall be construed as granting CHC any other right, title, or interest in or to any of the Customer Materials. All Customer Materials shall be deemed Confidential Information of Customer.

6. **Third-Party Solutions.** CHC may provide Third-Party Solutions to Customer together with, or incorporated into, the CHC Solution. Customer is authorized to use these Third-Party Solutions solely with the related CHC Solution. Customer's use of Third-Party Solutions is subject to the terms of this MRA and any applicable terms ("Third-Party Terms"), which

Customer may access using the following confidential login information:

User ID: contractprovisions@changehealthcare.com

Password (case sensitive): Portal!Access.

If any Third-Party Terms conflict with this MRA or an applicable Solution Order, then the conflicting Third Party Terms control only with respect to the Third Party Solution to which they apply. Upon sixty (60) days' notice to Customer, CHC may substitute any Third-Party Solution licensed to Customer with different Products or Services containing similar features and functionality. If a Third Party raises its fees for a Third-Party Solution, CHC may increase its fees to Customer by the same amount on the next invoice under the applicable Solution Order.

7. Payment.

7.1 **Invoicing and Payment.** CHC will issue invoices to Customer in accordance with the payment terms of the Solution Order and Customer will pay all undisputed fees and other charges in U.S. dollars within 30 days of invoice date. The invoice shall set forth the itemized amounts identified on the Solution Order, and such other information pertinent to the invoice. Customer shall certify the invoice, either in the requested amount or in such other amount as Customer approves in conformity with this MRA, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.2 **Expenses.** Customer will reimburse CHC for:

(a) reasonable and pre-approved in writing out-of-pocket expenses incurred while providing Services, including travel and living expenses. Travel and living expense reimbursements shall be in accordance with the County of Monterey Travel and Business Expense Reimbursement Policy, which CHC may access at http://www.co.monterey.ca.us/auditor/pdfs/County_Travel_Business_Expense_Policy_12-5-12.pdf.

7.3 **Taxes.** CHC's pricing does not include sales, use, value-added, withholding, or other taxes and duties. CHC will invoice Customer for applicable taxes and duties, excluding taxes based on CHC's real property, personal property, income, personnel, or similar taxes not directly based on Customer's use or consumption of the Products and Services, unless Customer provides CHC satisfactory evidence of an applicable tax exemption (including evidence of renewal if applicable). Customer will promptly pay, and indemnify CHC against, all taxes and duties (except for taxes on CHC's net income).

- 7.4 **Price Increases.** After the first three (3) years following the effective date of a Solution Order, CHC may increase its fees for Products and Services yearly by up to three percent in any twelve month period following 60 days' notice to Customer. Price increases are effective as of the next applicable billing period.
- 7.5 **Suspension.** CHC may stop providing any Service if Customer fails to pay any Overdue Amount within 60 days after CHC gives written notice of any Overdue Amount that is more than 30 days past due.
- 7.6 **Monitoring and Auditing.** If CHC believes Customer's use of a Product or Service violates the license grant or usage terms in a Solution Order or applicable Solution Schedule, then CHC may request reasonable supporting documentation following ten business days' notice to Customer. If Customer's use of any Product or Service exceeds the usage limitations in a Solution Order, then as CHC's sole and exclusive remedy and Customer's sole and exclusive liability, CHC may invoice for the excess use based on the fees in effect for that Product or Service under the applicable Solution Order. This section 7.4 shall not be construed as granting CHC any right to access Customer facilities or its systems. All information is provided for off-site review.
- 7.6 **Acquisitions.** If Customer exceeds the usage limitations set forth in a Solution Order for a Product or Service because it acquires another entity, then Customer will pay CHC additional fees for the excess use based on the rates established in the applicable Solution Order. If Customer acquires an entity that is subject to an existing agreement with CHC for Products or Services, then the acquired entity will remain subject to that CHC agreement until the parties terminate it or it expires unless otherwise mutually agreed to by the parties.
8. **Confidentiality.**
- 8.1 **Use and Disclosure of Confidential Information.** Each party will protect and safeguard the other party's Confidential Information with policies and procedures with respect to the access, use, disclosure, and storage of Confidential Information that are: (a) at least equal to industry standards taking into consideration the sensitivity of the relevant Confidential Information, and the nature and scope of the Product and Services to be provided, (b) comply with all applicable federal and state laws, statutes, and regulations, and (c) provide reasonably appropriate administrative, technical, and physical safeguards to protect against accidental or unlawful destruction, loss, alteration or unauthorized disclosure, access or use of Confidential Information.. Except as expressly permitted by this MRA, neither party will:
- (a) disclose the other party's Confidential Information except (i) to its employees or contractors who have a need to know and are bound by confidentiality terms

at least as restrictive as those contained in this section 8, or (ii) to the extent required by law, after giving prompt notice of the required disclosure to the other party; nor

- (b) use the other party's Confidential Information for any purpose other than (i) to perform its obligations or exercise its rights under this MRA, (ii) in the case of Customer as the receiving party, Customer's evaluation of CHC Solutions or (iii) in the case of CHC as the receiving party, CHC's development of new and existing products and services (provided that CHC shall make no use of Protected Health Information of Customer in such efforts).

After this MRA or a Solution Order is terminated, each party will, upon written request, return or securely destroy the other party's Confidential Information and promptly will certify in writing to the other party that it has done so. Notwithstanding the foregoing, neither party shall be required to remove copies of the other party's Confidential Information from its backup media and servers, where doing so would be commercially impracticable. In addition, the foregoing destruction and return obligation shall be subject to any retention obligations imposed on a party by law or regulation.

8.2 Period of Confidentiality. Each party will comply with this section 8 during the term of this MRA and for three years after it terminates. With respect to Confidential Information that constitutes a trade secret under the laws of any jurisdiction, each party shall continue to comply with this section 8 until the Confidential Information loses its trade secret protection other than due to an act or omission of the receiving party. Further, for so long as Customer data is subject to protection as Protected Health Information under HIPAA, CHC shall hold the data in confidence subject to the provisions of this Agreement.

8.3 Equitable Relief. An actual or threatened breach of this section 8 may cause immediate irreparable harm without adequate remedy at law. If a party breaches or threatens to breach this section 8, then the either party may seek equitable relief to prevent the other party from beginning or continuing the breach. The party seeking relief is not required to post a bond or other security or prove the inadequacy of other available remedies. This section 8 does not limit any other remedy available to either party.

8.4 Security. Without limiting the generality of this Section 8 (Confidentiality), CHC will take all reasonable measures to secure and defend its location and equipment against "hackers" and others who may seek, without authorization, to modify or access CHC systems or the information found therein without the consent of Customer. CHC will periodically test its systems for potential areas where security could be breached. CHC represents and warrants that at all times during the term

of the MRA it will comply, at its sole expense, with all applicable state and federal data privacy and data security, laws, rules, and regulations, as well as with standard industry practices. On written request from Customer, and not more than once per calendar year, CHC will provide reasonable documentation substantiating CHC's compliance with such laws, rules, regulations and practices. CHC will immediately notify Customer of any actual breach of Customer's protected health information (PHI). Disclosures of PHI will be addressed as set forth in the BAA.

9. **Business Associate Agreement.** The use and disclosure of Protected Health Information (as defined by the Health Insurance Portability and Accountability Act) in connection with this MRA, will be governed by a business associate agreement between the parties (the "BAA"). In the event of a conflict between the terms of this MRA and the terms and conditions set forth in the BAA between the parties, the term that is stricter on CHC, i.e. provides the greater level of protection to Customer, shall govern.

10. **Intellectual Property.**

- 7.7 **Retained Rights.** CHC reserves all rights not expressly granted to Customer in this MRA, including all right, title, and interest to all work developed for or delivered to Customer under this MRA. CHC solely owns all changes, modifications, improvements, or new modules to the Products or Services, whether made or developed by Customer, at Customer's request, or in cooperation with Customer. All feedback, statements, suggestions, or ideas given by Customer to CHC ("Feedback") will be owned by CHC and may be used to develop new and existing products and services by CHC. CHC acknowledges and agrees that Customer makes no representations or warranties regarding Feedback. Feedback is provided by Customer as-is, without warranties of any kind, and any Feedback used by CHC will be used at CHC's sole risk and liability.

- 10.2 **Use of Customer Intellectual Property.** During the term of the applicable Solution Order, Customer grants CHC a license to use and display Customer's copyrights, trademarks, and service marks, solely to the extent necessary for CHC to perform its obligations under this MRA.

11. **Professional Services Warranty.** CHC warrants that it will perform all Professional Services in a professional manner consistent with industry standards by trained and skilled resources.

12. **Warranty Disclaimer.** CHC GRANTS THE LIMITED WARRANTIES SPECIFIED IN THIS MRA (INCLUDING ANY WARRANTIES SET FORTH IN ANY SOLUTION SCHEDULE) IN LIEU OF ALL OTHER EXPRESS AND IMPLIED REPRESENTATIONS, WARRANTIES, AND CONDITIONS. CHC EXPRESSLY EXCLUDES FROM THIS MRA THE IMPLIED WARRANTY OF MERCHANTABILITY, IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, WARRANTIES OF NON-

INFRINGEMENT, AND WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. CHC DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES WILL YIELD ANY PARTICULAR BUSINESS OR FINANCIAL RESULT OR MEET CUSTOMER'S REQUIREMENTS. CHC DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES WILL PERFORM, OR BE PERFORMED, WITHOUT ERROR OR INTERRUPTION. CHC IS NOT RESPONSIBLE FOR INTERNET OUTAGES OR OTHER FAULTS IN INTERNET SERVICES.

13. **Exclusive Remedy.** CUSTOMER'S ONLY REMEDY FOR CHC'S BREACH OF ANY PRODUCT OR SERVICE WARRANTY (INCLUDING ANY WARRANTIES SET FORTH IN ANY SOLUTION SCHEDULE) WILL BE THE REPAIR, REPLACEMENT, OR RE-PERFORMANCE BY CHC OF THE NONCONFORMING PRODUCT OR SERVICE. CHC SHALL PROVIDE THE FOREGOING REMEDY WITHIN THIRTY (30) DAYS OF NOTICE OF THE BREACH (OR SUCH OTHER TIME AS THE PARTIES MAY MUTUALLY AGREE UPON IN WRITING) IF CHC FAILS TO DELIVER THIS REMEDY, THEN CUSTOMER MAY PURSUE ANY OTHER REMEDY PERMITTED UNDER THIS MRA.
14. **Customer Input Errors.** CHC IS NOT RESPONSIBLE FOR THE ACCURACY OR QUALITY OF ANY UNMODIFIED MESSAGES, INFORMATION, OR DATA AS PROVIDED BY CUSTOMER OR ANY PERMITTED USERS OR OTHER USERS OF THE PRODUCTS OR SERVICES; EXCEPT TO THE EXTENT ANY SUCH DATA IS CORRUPTED BY THE SOLUTIONS. CHC IS NOT RESPONSIBLE FOR ANY ERRORS IN THE PRODUCTS OR SERVICES CAUSED BY INACCURATE MESSAGES, INFORMATION, OR DATA AS PROVIDED BY CUSTOMER OR PERMITTED USERS OR OTHER USERS.
15. **Professional Responsibility; Duty to Defend.** CHC's Products and Services are tools for information management and diagnostic purposes only and must be used by trained individuals. The Products and Services do not have the ability to administer health benefits, diagnose disease, prescribe treatment, render care or payment decisions, or perform any task that constitutes the practice of medicine. Customer will ensure that only properly trained individuals use the Products and Services provided by CHC. Customer will defend CHC against any claim, demand, action, or other proceeding brought by a third party to the extent that it results from Customer's medical care or payment decisions and will pay costs and damages finally awarded against CHC as a result of the claim, provided that, CHC must give Customer prompt written notice of such claim and allow Customer to solely control, and fully cooperate with CHC in, the defense and all related negotiations.

16. **Indemnity Claims.**

16.1 CHC agrees to indemnify, defend and hold harmless Customer and its governing board, directors, officers, agents and employees with respect to any claim, liability, loss injury or damage, expense (including reasonable attorney's fees), fines or damages, in any way arising out or in connection with (i) any personal injury or damage to real or tangible personal property caused by CHC or its personnel while on Customer's

premises but not as a result of the performance of a Product or Service; (ii) any Infringement Claim; or (iii) the gross negligent acts or omissions or willful misconduct of CHC or its personnel (each of clause (i) through (iii) an "Indemnity Claim").

16.2 Customer Requirements. CHC's obligations under this section 16 are conditioned on the following:

- (a) Customer will promptly notify CHC of the Infringement Claim. If Customer fails to provide CHC with timely notice and CHC has been prejudiced due to Customer's delay, then CHC will be relieved of its obligations under this section 16;
- (b) Customer will provide CHC with all reasonably requested cooperation, information and assistance at CHC's sole expense; and
- (c) Customer will provide CHC with sole authority to defend and settle the Infringement Claim, consistent with its duties under this section 16 and subject to Customer's rights under section 16.3.

16.3 Customer Consent. CHC may not enter into any settlement of an Indemnity Claim that would create a financial obligation on Customer or constitute an admission of liability by Customer without Customer's prior written consent.

16.4 Exclusions. CHC is not liable under this section 16 to the extent an Infringement Claim is based on:

- (a) modifications to the CHC Solution that were not performed, consented to, or approved by CHC or its permitted subcontractors;
- (b) use of custom interfaces, file conversions or other programming for which CHC does not develop the specifications or instructions;
- (c) use of a CHC Solution in combination with products or services not provided or specified by CHC (except for any Third Party Solutions), if use of the CHC Solution alone would not result in liability under this section 16;
- (d) use of a CHC Solution in a manner not authorized by this MRA, a Solution Order, or the Documentation;
- (e) use of any version other than the two most current releases of a CHC Solution; or
- (f) any version of a CHC Solution that CHC has notified Customer to discontinue use, if infringement would have otherwise been avoided; provided that if CHC requires Customer to discontinue use of the then current version of the CHC Solution and fails to simultaneously provide a replacement version for

Customer's use, CHC shall immediately furnish Customer with one of the remedies in Section 14.1.

16.5 Infringement Remedies. If Customer tenders any Infringement Claim to CHC for defense and indemnity under this section 16, then, in addition to its other obligations under this section 16, CHC shall, at its option and at its sole discretion, either:

- (a) obtain for Customer the right to continue using the CHC Solution;
- (b) replace or modify the CHC Solution with an alternative solution of substantially equivalent functionality and features; or
- (c) if neither (a) nor (b) can be provided by CHC within ninety (90) days' (or such other period as mutually agreed upon by the parties in writing) of notice of the claim (and such period is not extended by Customer in writing), either party may terminate Customer's rights and CHC's obligations under this MRA related to the CHC Solution. In the event of such a termination, CHC shall promptly refund to Customer with a pro rata share of the license fees paid for the infringing CHC Solution, plus any professional services fees paid for implementation of the Solution. The refund will be calculated on a five-year straight-line basis beginning on the effective date of the applicable Solution Order.
- (d) Any costs associated with implementing either of the above alternatives in (a) or (b) shall be absorbed by CHC.

16.6 Exclusive Remedy. THIS SECTION 16 CONTAINS CHC'S ONLY OBLIGATIONS, AND CUSTOMER'S ONLY REMEDIES, WITH RESPECT TO ANY INFRINGEMENT CLAIM.

17. Limitation of Liability.

17.1 TOTAL DAMAGES. EXCEPT FOR THE PARTIES' RESPECTIVE INDEMNITY OBLIGATIONS UNDER THIS MRA, FOR INFINGEMENT OF THE OTHER PARTY'S INTELLECTUAL PROPERTY, FOR EITHER PARTY'S BREACH OF SECTION 8 (CONFIDENTIALITY) OR CHC'S OBLIGATIONS UNDER SECTION 15.3, EACH PARTY'S TOTAL CUMULATIVE LIABILITY UNDER THIS MRA TO THE OTHER PARTY, FOR BREACH OF CONTRACT, WARRANTY, TORT, PRODUCT LIABILITY, OR OTHERWISE, IS LIMITED TO:

17.1.2 WITH RESPECT TO ANY OTHER PRODUCT OR SERVICE, THE TOTAL FEES PAID (LESS ANY REFUNDS, CREDITS, AND PASS THROUGH FEES) BY CUSTOMER TO CHC UNDER THE APPLICABLE SOLUTION ORDER FOR THE PRODUCT OR SERVICE GIVING RISE TO THE CLAIM DURING THE TWELVE-MONTH PERIOD PRECEDING THE DATE OF THE CLAIM.

- 17.2 **Exclusion of Damages.** EXCEPT FOR THE PARTIES' RESPECTIVE INDEMNITY OBLIGATIONS UNDER THIS MRA, FOR INFINGEMENT OF THE OTHER PARTY'S INTELLECTUAL PROPERTY, FOR EITHER PARTY'S BREACH OF SECTION 8 (CONFIDENTIALITY), NEITHER PARTY IS LIABLE TO THE OTHER PARTY UNDER THIS MRA FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, OR LOST PROFITS, LOST REVENUE, OR LOSS OF REPUTATION OR GOODWILL, WHETHER BASED ON BREACH OF CONTRACT, WARRANTY, TORT, PRODUCT LIABILITY, OR OTHERWISE, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF THE DAMAGE.
- 17.3 **Cost Reimbursement.** In the event of a Breach (as defined in the BAA) to the extent caused by Change Healthcare or its employees or subcontractors and the Privacy Rule and Security Rule require notice to Individuals pursuant to 45 C.F.R. §§ 64.404 and 164.406, Change Healthcare agrees to reimburse Customer for the reasonable and substantiated costs related to the following: providing notifications to affected individuals, the media, or the Secretary, providing credit monitoring services to the affected individuals, if appropriate, for up to one (1) year, any fines and penalties assessed against Customer directly attributable to a Breach by Change Healthcare or its employees or subcontractors, investigation costs, and mitigation efforts required under the Privacy Rule or Security Rule. This Section 17.3 is not subject to the limitations set forth in Section 17.1 above.
- 17.4 **Material Consideration.** THE LIMITATION OF LIABILITY DESCRIBED IN THIS SECTION 17 IS A MATERIAL CONDITION FOR EACH PARTY'S ENTRY INTO THIS MRA.

18 Insurance.

- 18.1 Evidence of Coverage: Prior to commencement of this MRA, CHC shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, CHC upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to Customer's Contracts/Purchasing Department, unless otherwise directed. CHC shall not receive a "Notice to Proceed" with the work under this MRA until it has obtained all insurance required and Customer

If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, CHC shall, upon the expiration or earlier termination of this MRA, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this MRA.

Unless otherwise specified by this MRA, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CHC completes its performance of services under this MRA.

If CHC utilizes subcontractors or other supplementary providers in executing the services or goods pursuant to this MRA, such subcontractors shall be bound by all Insurance provisions of this MRA, otherwise applicable to Service Provider. Service Provider shall maintain applicable subcontractors' certificates of insurance evidencing the requirements herein. Should the subcontractors' insurance not apply for any reason, Supplier's insurance becomes primary.

If the certificate is not received by the expiration date, Customer shall notify CHC and CHC shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CHC to maintain such insurance is a default of this MRA, which entitles Customer, at its sole discretion, to terminate the MRA immediately.

19 Term. The term of the General Terms, Exhibits, and Solution Schedules, including any Solution Riders or other attachments, to this MRA begins on July 1, 2019 and continues until June 30, 2024 (the "Initial Term"). Following the Initial Term, the parties may mutually agree in writing to renew the Agreement for additional one (1)-year Renewal Terms. The Initial Term and any Renewal Terms are referred to herein collectively as the "Term." or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying the impacted Solution Orders.

- 20.2 **Effect of Termination.** If either party terminates a Solution Order, then the parties' rights and obligations under another Solution Order are not affected. All other Solution Orders will remain effective unless they are terminated in accordance with this MRA.

Easy Order Process

1.1 Definitions

"Easy Order Process" means the purchasing process where a binding agreement for purchasing or licensing Products or Services is created through Customer's submission of a Purchase Order and CHC's written acceptance of the Purchase Order without modification.

"EOP Guide" means the CHC provided guide describing the Easy Order Process, including what purchases are eligible for the Easy Order Process and the relevant payment terms. CHC may reasonably modify the EOP Guide from time to time.

"EOP Agreement" means the binding agreement made when an order is placed under the Easy Order Process. For purposes of the MRA, the term "Solution Order" shall be substituted with EOP Agreement for any Product or Service acquired under an EOP Agreement.

"Existing Solution" means the Product or Service already purchased or licensed by Customer which is being supplemented with Products or Services under an EOP order.

"Purchase Order" means Customer's purchase order referencing the relevant CHC quotation or contract number. No terms in a Purchase Order are binding on the parties.

1.2 Easy Order Process Terms

1.2.1 **EOP Scope.** At CHC's discretion, Customer may (but is not obligated to) purchase or license Products and Services under the Easy Order Process if that purchase is eligible under the EOP Guide. For any purchases not eligible under the EOP Guide, when Customer chooses to not use the Easy Order Process, or when CHC requires it, the parties must enter into a Solution Order.

1.2.2 **Binding Agreement.** An EOP Agreement is created only when CHC sends written acceptance of a Purchase Order by letter, email, web portal, or other electronic means. Once binding, an EOP Agreement cannot be unilaterally modified or cancelled by either party. An EOP Agreement incorporates and is governed by the terms of the agreement for the Existing Solution.

1.2.3 **Payment.** CHC will invoice Customer for purchases under the Easy Order Process in accordance with the payment terms in the EOP Guide.

1.2.4 **Corrections.** Changes may be made to an EOP Agreement and the associated quotation any time before CHC's shipment of Equipment or delivery of other Products or Services. To modify an EOP Agreement, Customer must submit a new Purchase Order that identifies the Purchase Order being modified. If CHC accepts the

modification, any invoices issued under the initial Purchase Order will be credited and new invoices will be generated under the new Purchase Order.

EOP Guide

This guide is intended to provide our Customers with information about Change Healthcare's "Easy Order Process". The Easy Order Process, or "EOP", provides an umbrella set of terms to let our Customers purchase and license Products and Services from Change Healthcare without negotiating a separate agreement each time.

Under the Easy Order Process, Change Healthcare provides a Customer with a quote for the agreed upon the Products and Services. If the Customer is happy with the quote, it submits a Purchase Order referencing the quote. After Change Healthcare validates that the quote and the Purchase Order match, we send verification of our acceptance, and the order process is complete.

Because we are constantly looking for ways to update and improve our Easy Order Process, this guide is subject to change. In addition, Change Healthcare may require a separate written agreement for any order that would otherwise be eligible.
