RE: Application for Farmland Security Zone (FSZ), Monterey County File No.
REF190037/Sub-file No. 2020-008- Cumming c/o Gina Hinds (APN 153-011-009)

Dear Mr. Corpuz:

This is a courtesy notification that the County is processing a Farmland Security Zone application towards the goal of preserving the subject parcel for commercial agricultural production.

If approved by the Board of Supervisors, this application will serve to establish a minimum of a 20- year term contract that protects this farmland from development for other than primary agricultural operations. The subject property, APN 153-011-009 (see Attachment) is outside the Sphere of Influence boundary of the City of Salinas, but within one (1) mile of the City of Salinas, which requires notification to your City.

The subject Farmland Security Zone application will be considered by the Monterey County Board of Supervisors at a public hearing on December 10, 2019. Please feel free in contacting me if you have any questions or concerns regarding this application. You can also present any City concerns or protest the recommendations for this application directly at the Board of Supervisors at their December 10, 2019 public hearing.

Sincerely,
