THIS AMENDMENT NO. 2 TO THE TRANSFER AGREEMENT FOR THE SALINAS COURTHOUSE NORTH WING ("**Second Amendment**") is made and entered into June 28, 2011, by and between the Judicial Council of California ("**Council**"), Administrative Office of the Courts (together with the Council, the "**AOC**"), whose present address is 455 Golden Gate Avenue, San Francisco, California 94102, and the County of Monterey ("**County**"), whose present address is 168 West Alisal Street, Salinas, CA 93901 (the AOC and the County are collectively referred to as the "**Parties**") with respect to the following facts:

Unless specifically defined herein, all defined terms are as set forth in the TA.

B. Section 4.3.6 of the TA provides that in the event that at any time on or after the Transition Date, any of the Utilities that serve the Building are not separately metered or sub-metered to Building, then the Parties shall promptly amend the TA to provide for appropriate prorata allocation and payment of the fees and charges for such Utilities between the Parties.

C. The Parties recognize that no separate meter or sub-meter was established for the Building by the Transition Date, and that the Utilities collectively serve the Building and the Monterey Government Center Complex ("**MGCC**"), excluding the County facilities currently vacant within the MGCC.

D. By this Second Amendment to the TA, the Parties intend to provide for an appropriate prorata allocation and payment of the fees and charges for the Utilities ("**Utilities Costs**") that serve the Building and the MGCC based upon the Building's square footage as a percentage of the combined total occupied square footage of the Building and MGCC. Excluded from the allocation of Utilities Costs are facilities within the MGCC that are vacant and not in use, and in which the Utilities have been turned off.

square footage as a percentage of the combined total occupied square footage of the Building and MGCC. Excluded from the allocation of Utilities Costs are facilities within the MGCC that are vacant and not in use, and in which the Utilities have been turned off.

E. The AOC and the County now wish to amend the TA as set forth in this Second Amendment.

NOW, THEREFORE, the County and the AOC do hereby agree as follows:

1. Building's Square Footage Percentage of the Total Occupied MGCC Square Footage. The Building constitutes 38.35 percent ("**Building's Share**") of the combined total occupied square footage of the Building and the MGCC, as set forth in Exhibit "A" attached hereto and made a part hereof.

2. Utilities Included in the Allocation of Utilities Costs. The following Utilities serve the Building and the MGCC and are not separately identifiable to a specific facility within the Building or MGCC: garbage and recycling, water service, water service-fire protection, sewer, electric and natural gas and boiler permit. The charges and fees for such Utilities are included in the allocation of Utilities Costs.

3. Commencement Date of the Allocation of Utilities Costs. The commencement of the allocation and payment of the Utilities Costs for the Building is the Transition Date, which is October 12, 2010.

4. Quarterly Invoice. The County will be responsible to maintain all Utility accounts and cause all Utilities to be provided to the Building and MGCC. The AOC will be responsible for the Building Share of the Utilities Costs on and after the Transition Date. Within 30 days of the end of each quarter, the County will deliver to the AOC a quarterly invoice itemizing the actual Utilities Costs for the AOC Building Share for the preceding quarter. The County's quarterly invoice shall provide a summary of expenditures by utility provider for each applicable month of the quarter, along with copies of the utility provider's invoices for the quarter as supporting documentation. AOC will reimburse the County the Building Share of the Utilities Costs within 30 days after its receipt of the County's quarterly invoice.

5. Estimate of Utilities Costs. Within 30 days of the commencement of each Fiscal Year, the County will deliver to the AOC a statement (the "**Estimate Statement**") itemizing the estimated Utilities Costs.

6. Annual Review. The allocation of Utilities Costs will be reviewed no less than annually, or at any time that a change occurs in occupancy of the MGCC by the County.
