1	2010.21	9/21/10	Armenta	MVAO RMA Social Services/Behavioral Health	Dixon Robinson	10/19/10	To assign a project team to work on feasibility study for a Veterans' Drop-In Center in Salinas.	<p>An update was provided to the Board on 11/24/10. The project team, as per last update, was assigned and is actively pursuing a site for the Military Veterans Community Resource Center (MVCRC) in Salinas. 9/27/11 - The California Department of Veterans Affairs (CDVA) Regional Collaborative Coordinator reports no State commitment has been made to date for sustained funding that would permit this project, though initial funding has been secured, to proceed successfully at this point. 9/04/12 - Efforts will continue to obtain funding necessary to make this a sustainable resource for our veterans. 12/06/12 - Preliminary discussions have commenced with Hartnell College and their newly expanded Veterans Center about the possibility of collaborating with Hartnell to incorporate the MVCRC within the Veterans Center. 2/13/13 - The veteran members and administrative staff of the Center were briefed on 1/30/13 on Monterey County Veterans Service Office activities, including Welcome Home Troops ceremony and this matter. Research on "stand alone" potential locations will proceed once sustained funding via the grant process is confirmed. 9/09/13 - On a smaller scale, we are continually working with Hartnell College to have a MVOA representative assist students (veterans) at Hartnell. Coordination between Berta Carbajal & the department are in the works for one day a month to start. Since the college has a veterans' center established, the next step would be to determine what services would be permitted to assist veterans. 9/24/13 - MVAO Service Representative(s) will be allowed to work with students on VA benefits issues. This is in effect on 9/26/13. Progress on the location for the center is moving forward slowly. The MVAO is continuing to work on a permanent center. 3/25/14 - Pilot site identified in Seaside in partnership with the Salvation Army (SA). MVAO & SA are working together to establish a Veterans' Center at the former teen center building owned by SA. Efforts are underway to identify funding and resource opportunities including opportunities through the California Department of Veterans and County partners. Alternate locations are still being considered and researched in Salinas & King City. MVAO, Facilities, and SA will be meeting on 4/30/14 to discuss potential leasing and terms.</p> <p>5/23/14 - SA is in receipt of the County Standard Lease Agreement for use of the former teen center and is currently evaluating. Requests to support mental health resources at the proposed center through State Proposition 63 funding have been submitted. In addition, the Behavioral Health Bureau has committed to matching any State Proposition 63 funding. Additional funding is pending FY 14/15 augmentation request. 6/25/14 - Following adoption of the budget, staff is in negotiation with the SA for the center space. Anticipated grand opening is November 2014. 7/09/14 - MVAO was recently awarded a \$25,000 grant under the Mental Health Services Act Prop. 63. Negotiations are ongoing with SA for the center. 10/27/14 - Lease negotiations with SA for the center are still underway. At the current time, staff are prudently planning for an opening celebration around Memorial Day 2015. 5/12/15 - Anticipate agreement signatures by 6/01/15 after minor language correction. Occupancy to occur soon after execution of agreement. 7/13/15 - Agreement to be finalized. Center to be open in the fall with an open house later this year. 10/07/15 - Waiting on approval from counsel on documents from SA for seismic certificate issue. 1/25/16 - Seismic certificate issues have been resolved. A tentative lease agreement has been forwarded to the SA for the final stage of lessor acceptance prior to bringing forward to the Board. 2/16/16 - The MVCRC in Seaside still continues to progress slowly. Still negotiating with SA headquarters. Discussions have been held on an alternate location in Salinas near Northridge Mall (Plan B).</p>	Pending
