Supervised Home Confinement

### Application for Supervised Home Confinement

**PURPOSE:** To provide a tightly-structured, community-based, home detention program for inmates committed to a county jail that allows participants to remain employed, provide for their families, attend approved rehabilitation programs, and/or participate in other authorized activities while reducing the taxpayer's burden of the high costs associated with incarceration. Participants are tracked through the use of monitoring equipment in their own home. A cellular-based radio frequency receiver is used to monitor a non-removable transmitter worn by the participant.

#### HOME CONFINEMENT PROGRAM CRITERIA:

- Participant must agree to the conditions required by the program.
- Participant must have been committed to the county jail.
- Participant must be a resident of Monterey County with a verified address.

#### PROGRAM DISQUALIFIERS:

- Anyone who is serving any other sentence in any jurisdiction.
- Anyone who the sentencing judge has deemed ineligible for the program.

- Anyone who has been involved in recent sales, transportation, or manufacturing of controlled substances.
- Anyone whose crime involved significant criminal sophistication, abuse of authority, or violation of trust and confidence.
- Anyone who has been convicted of felony drunk driving with accident or injury.
- Anyone who does not possess sufficient capacity for self-control, as evidenced by his/her prior record, to enable him or her to comply with the conditions and restrictions of the program (e.g. extensive arrest history or probation violations, including court probation violations, contempt of court, etc.).
- Anyone who has a history of flight or of failures to appear/warrants.
- Anyone who has failed to successfully complete the SHC program within the last two years.
