**SUMMARY/DISCUSSION:**

The California Cannabis Authority (CCA) is a Joint Powers Authority created by contract between Monterey County and other local jurisdictions with cannabis regulatory and/or taxing authority. The purpose of the organization is to develop and manage a statewide data platform that will gather, collect and analyze information from a variety of data sources into one resource. The database will further assist local governments cannabis regulatory compliance. It will also provide necessary information to financial institutions that wish to work with the cannabis industry. The Board of Supervisors executed the Joint Exercise of Powers Agreement on behalf of Monterey County on January 30, 2018.

The CCA is funded by an administrative fee that is calculated for each entity and dependent upon total sales within the jurisdiction. Beginning in Q3 of Fiscal Year (FY) 2019-20, the administrative fee rate was increased from 0.15% to 0.25%. Amendments adopted to Chapter 7.90 of the Monterey County Code in October 2019 require operators to connect with the CCA platform.

Presently, approximately 40% of the businesses have connected. The Program and CCA continue to work with the remaining businesses to ensure they connect to the platform. Letters of non-compliance have begun to be sent out during the week of February 24, 2020 to all business that are not in compliance.

Invoices for the first three quarters of FY 2019-20 have been received and processed as follows:

- FY 2019-20 Q1: \$18,667 based on \$12,444,351 reported sales at 0.15%
- FY 2019-20 Q2: \$17,592 based on \$11,728,302 reported sales at 0.15%
- FY 2019-20 Q3: \$22,495 based on \$8,998,172 reported sales at 0.25%

Due to uncertainty related to impacts of the COVID-19 pandemic, staff assumptions reflect an average of transacted amounts from invoices of first three quarters of FY 2019-20 and for compliance to remain at 40%:

- FY 2019-20 Q4: \$27,642 based on \$11,056,941 reported sales at 0.25%

For FY 2019-20, \$50,000 was allocated to the County Administrative Office budget unit Contributions-Agencies for the payment of CCA administrative fees. With a revised estimated cost of CCA Administration fees for FY 2019-20 of \$86,397, there will be a \$36,397 deficit relative to the adopted budget. To pay FY 2019-20 CCA administrative fees, appropriations of \$50,000 are being requested.

OTHER AGENCY INVOLVEMENT:

The Treasurer-Tax Collector Office is the lead department for the California Cannabis Authority and collaborated on the writing of this report. This report went to the Budget Committee and was supported.

FINANCING:

The total allocation for California Cannabis Authority administrative fees were estimated at \$50,000 in the FY 2019-20 Adopted Budget. The total revised estimated cost of CCA Administration fees for FY 2019-20 is \$86,397, assuming an average of transacted amounts from invoices of first three quarters of FY 2019-20 and for compliance to remain at 40%. In order to fully cover the administrative fees for FY 2019-20, an augmentation request of \$50,000 is requested from the Cannabis Assignment.
