MCDSA and the County agree that the 3% contributed by classic MCDSA members will be implemented on a pre-tax basis pursuant to IRS Code 414(h)(2). However, it is understood that, should it be determined that the contribution cannot be made on a pre-tax basis, or IRS issues an adverse opinion in this or another jurisdiction addressing the issue, individual members shall be liable for any taxes due. In such case, the parties agree to meet and confer on the impact of such determination, and alternative means of achieving the savings contemplated by this agreement in a manner that minimizes the tax impact on covered employees to the extent possible.

MCDSA and the County agree that, during the term of this agreement, the contribution outlined in this section shall continue as long as the employer rate as determined by CalPERS.

SECTION 3 BENEFITS

The County will make available a Flexible Benefits Plan to eligible employees. Employees may elect medical, dental, and/or vision coverage for themselves and their dependents.

The provisions, rules and regulations governing the administration of the Flexible Benefits Plan are contained in the Flexible Benefits Plan document. The County and MCDSA agree that the County shall have discretion to make such changes to ensure this plan is eligible for favorable treatment under the IRS Code. The County may add or remove benefit options to or from this plan during the term of this agreement, subject to the obligation of the parties to meet and confer only over the impact of such changes. Removal of a benefit shall occur only if the benefit is deemed contrary to public law or regulation governing IRS Section 125 benefit plans, is no longer available by vendor, or becomes insolvent.

The County continues to have the right ~~and the obligation~~ to administer the various County sponsored insurance programs. These rights ~~and obligations~~ include but are not limited to the right to select the County sponsored carriers and claim insurance administrators ~~after prior consultation with the Association~~. Changes in insurance carriers or administrators shall not result in any overall reduction in benefits.

For requested cash out occurring in 2017, full or partial cash out payment is not guaranteed in the month of January.
- iii. For employees who have pre-designated cash out amounts and who have not requested actual payment(s) of the entire designated cash out amount by December 1st of that calendar year, the County will automatically pay out the pre-designated amount (or remaining amount designated but not paid) by the last paycheck of the calendar year.
- iv. Employees who have not elected to pre-designate a cash out by the applicable deadline (December 1st of the prior calendar year) will be deemed to have waived their right and will not be eligible to cash out any vacation/annual leave/PTO in the following calendar year (for example, if no designation is made by December 1, 2016, no cash out is available in 2017).

Employees permanently hired or promoted into a unit classification shall, on the first pay period concurrent with or following their date of hire, be given a pro rata amount, to the nearest full hour, of Professional Leave based on the number of pay periods remaining in the calendar year in which they became Unit C employees (i.e., hired at the beginning of pay period NO. 8: $26-7=19$, $19/26 \times 40=29$ hours) but in no event shall be less than eight (8) hours be credited.

Such approval shall be given in writing.

The provisions of this section shall be administered by the Appointing Authority, but shall in no way establish any right to any type of overtime compensation for overtime exempt employees, regardless of whatever records are kept by the Appointing Authority.

8.1 Emergency Overtime for Exempt Classes

The provisions of the Section titled "Administrative Leave For Overtime Exempt Classes" notwithstanding,

Attachment D

employees who are in overtime exempt classes may become eligible to receive compensation for hours worked in excess of eighty (80) hours in a pay period if authorized during specific emergency situations which require the extraordinary performance of services by employees in overtime exempt classes in order to protect life or property or to prevent a disruptive interruption of County services, as declared by the County Administrative Officer. Special compensation for such emergencies shall be defined as time actually worked in excess of eighty (80) hours in a pay period. In such emergencies, employees in overtime exempt classes in Units C may, at the discretion of the County Administrative Officer, be compensated on an hour-for-hour credit basis for each hour in excess of eighty (80) hours in a pay period.
