WHEREAS, Hospital is engaged in the provision of inpatient and outpatient hospital services to patients in a community setting;

WHEREAS, Hospital desires the assistance of certain physicians who can provide specialized professional clinical services remotely or at sites of service convenient to patients of Hospital;

WHEREAS, LPCH provides specialty physician services through its arrangement with the Stanford University School of Medicine ("*Stanford*") and is competent to provide the professional medical services for Hospital's maternal-fetal program and is willing to make such services available to Hospital and the community it serves in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, the parties agree as follows:

1. RESPONSIBILITIES AND DUTIES OF LPCH

LPCH shall ensure that the Physicians complete all medical records and other required reports, in accordance with this Agreement and with the applicable policies and procedures, rules and regulations and bylaws of Hospital and Hospital's Medical Staff, as communicated to LPCH and the Physicians, that govern the activities of Physicians while engaged in providing Professional Services at Hospital's facilities.

1.2 Medical Staff. While providing the Professional Services, LPCH shall ensure that each Physician complies with all bylaws, Medical Staff policies, rules and regulations of Hospital and the Medical Staff (collectively, the "*Hospital Rules*"), and all protocols applicable to the Services or the Hospital (the "*Protocols*"). Each Physician shall be a member in good standing and active on the Hospital's Medical Staff and have and maintain all clinical privileges at Hospital necessary for the performance of Group Physician's obligations under this Agreement. If, as of the Effective Date (as defined in Section 5.1), any Physician is not a member in good standing or active on the Medical Staff or does not hold all clinical privileges at Hospital necessary for the performance of Physician's obligations hereunder, such Physician shall have a reasonable amount of time, which in no event shall exceed sixty (60) calendar days from the Effective Date, to obtain such membership and/or clinical privileges; provided, however, that such Physician diligently pursues such membership and/or clinical privileges in accordance with the normal procedures set forth in the Medical Staff bylaws; and provided, however, that, at all times, Physician has been granted privileges to perform the Services. Any Physician may obtain and maintain medical staff privileges at any other hospital or health care facility at Physician's or LPCH's expense

1.3 Excluded Provider Representation and Warranty. LPCH represents and warrants that it (i) is not currently excluded, debarred, or otherwise ineligible to participate in the Federal health care programs as defined in 42 USC § 1320a-7b(f) (the "*Federal healthcare programs*"); (ii) has not been

convicted of a criminal offense related to the provision of healthcare items or services, and (iii) is not under investigation or otherwise aware of any circumstances which may result in being excluded from participation in the Federal healthcare programs. This shall be an ongoing representation and warranty during the term of this Agreement and LPCH shall immediately notify Hospital of any change in the status of the representation and warranty set forth in this Section. If LPCH becomes excluded from Federal healthcare program participation, this Agreement may be terminated immediately by Hospital for cause.

2. RESPONSIBILITIES AND DUTIES OF HOSPITAL

2.1 Hospital is responsible for the operations of Hospital, including coordinating the delivery of services provided to patients of Hospital by the Physicians under this Agreement. Hospital shall, at its sole expense, furnish the Physicians with necessary medical supplies, and employ such nurses or physicians assistants, administrative assistants, and any other non-physician personnel ("**Non-Physician Personnel**") necessary for the delivery of services by the Physicians under this Agreement and shall be solely responsible for payment of Non-Physician Personnel salary, social security, workers compensation and other employee benefits of any kind as well as for any liabilities that may arise in connection with the employment on Non-Physician Personnel by Hospital and for their direction and control. Such Non-Physician Personnel shall not be deemed to be employees of the Physicians or LPCH for any purpose. Except as explicitly provided for herein, Hospital shall be solely responsible for all costs associated with the provision of services by the Physicians pursuant to this Agreement, including the cost, if any, associated with obtaining and maintaining credentials with respect to managed care organizations with which Hospital contracts. Hospital shall be solely responsible for complying with all applicable laws, regulations and ordinances, including without limitation all such laws and regulations associated with third party reimbursement of services provided by Hospital.

2.2 Hospital shall be solely responsible for complying with all federal, state and local environmental and health and safety laws, regulations and ordinances ("**Environmental Laws**") and obtaining all necessary environmental and health and safety permits, licenses and authorizations ("**Environmental Permits**"), and for otherwise operating its premises (including that which is used by the Physicians) in a manner which is protective of human health and the environment. The responsibilities of Hospital include, but are not limited to: (a) obtaining and maintaining all necessary Environmental Permits, (b) being the designated generator of wastes and otherwise arranging for the lawful treatment, storage, disposal, transport and other management of medical and hazardous materials, chemicals and wastes associated with the activities conducted by the Physician, subject to Physician's complying with good biohazardous waste management procedures and professional practices, (c) providing any reports, warnings or other notifications that may be required of Hospital, LPCH or the Physicians under any Environmental Laws or Environmental Permits solely relating to activities at Hospital, (d) identifying, investigating and remediating any threatened or actual releases of medical or hazardous materials, chemicals or wastes to the environment, whether or not caused by Physician, and (e) providing for the safety and well being of persons who enter its premises, including but not limited to, the exposure of persons to medical and hazardous materials, chemicals, wastes building materials, and environmental media or other conditions at and in the vicinity of such premises. Hospital expressly waives and releases any claims against the Physicians, LPCH and their respective successors, members, officers, directors, trustees, employees and agents in connection with the environmental matters addressed herein.

2.3 Hospital shall promptly advise LPCH in writing of any suit, proceeding, investigation, other action or event commenced or threatened against Hospital which, if adversely determined, would result in a material adverse change in the condition or business, financial or otherwise, of Hospital and of

any facts that come to Hospital's attention which might materially affect the operation of Hospital or its ability to properly carry out the terms and conditions of this Agreement.

2.4 Hospital shall permit LPCH and/or LPCH's authorized representatives, during normal business hours and as often as reasonably requested, to visit and inspect, at the expense of LPCH, Hospital's records, including its visit and patient statistics, records and patient records, for purposes of monitoring the quality and amount of professional services rendered by the Physicians pursuant to this Agreement.

2.5 Hospital shall provide LPCH with copies of all policies and procedures, rules and regulations, and bylaws of Hospital and Hospital's Medical Staff that govern the activities of Physicians while engaged in providing Professional Services at Hospital's facilities.

2.6 Hospital represents and warrants that it (i) is not currently excluded, debarred, or otherwise ineligible to participate in the Federal health care programs; (ii) has not been convicted of a criminal offense related to the provision of healthcare items or services, and (iii) is not under investigation or otherwise aware of any circumstances which may result in being excluded from participation in the Federal healthcare programs. This shall be an ongoing representation and warranty during the term of this Agreement and Hospital shall immediately notify LPCH of any change in the status of the representation and warranty set forth in this Section. If Hospital becomes excluded from Federal program participation, this Agreement may be terminated immediately by LPCH for cause.

2.7 Subject to Hospital's approval and compliance with applicable laws, including laws relating to patient privacy and protection of human research subjects, the Hospital (i) will afford medical students, residents, and fellows associated with Stanford and LPCH the opportunity to observe and participate in the care of Hospital patients, provided that such medical students, residents and fellows at all times are under the supervision of Stanford faculty; (ii) will permit Stanford, LPCH, and Stanford faculty to conduct research at the Hospital, including enrolling patients in clinical trials and other research studies; (iii) will permit Stanford, LPCH, and Stanford faculty to use clinical data obtained at the Hospital for teaching and research purposes at Stanford and LPCH; and (iv) will permit Stanford and LPCH to conduct at the Hospital continuing medical education and similar educational activities for practicing physicians. The Hospital will undertake reasonable efforts to cooperate with Stanford and LPCH to facilitate such activities, including efforts such as obtaining any necessary patient consents and adopting mutually agreeable policies, documents, or memoranda of understanding relating to the operation of medical education programs and oversight of human subjects research. LPCH and the Hospital will confer on an ongoing basis to ensure that the frequency and intensity of such activities does not unduly interfere with the Hospital's operations.

3. PAYMENT OF SALARY OF PHYSICIANS

Hospital shall not pay and shall have no responsibility to pay salary, social security, workers compensation, or other employee benefits of any kind to or on behalf of the Physicians.

4. INSURANCE

4.1 LPCH Insurance. LPCH shall, at its expense, maintain policies of (i) general liability insurance in amounts of at least Three Million Dollars (\$3,000,000) per occurrence and Five Million Dollars (\$5,000,000) in the annual aggregate; (ii) professional liability insurance in amounts of at least Ten Million Dollars (\$10,000,000) per occurrence and Ten Million Dollars (\$10,000,000) in the annual aggregate and (iii) cyber liability insurance in amounts of at least Ten Million Dollars (\$10,000,000) per occurrence and Ten Million Dollars (\$10,000,000) in the annual aggregate to insure it, its employees and

agents under this Agreement, against claims and liabilities arising out of or related to this Agreement. Evidence of such coverage shall be presented to Hospital upon request. In the event that such coverage is written on a claims-made basis, LPCH shall arrange for appropriate tail coverage consistent with the requirements of this Section 4 in the event that such claims-made policy is canceled or not renewed.

4.1.1 Evidence of Coverage. Prior to commencement of this Agreement, LPCH shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. LPCH shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the LPCH.

4.1.2 Qualifying Insurers. All coverages except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or evidence of the financial solvency of self-insured programs or captive insurance programs, that is approved by Hospital's Contracts/Purchasing Director.

4.1.3 Insurance Coverage Requirements. Without limiting LPCH's duty to indemnify, LPCH shall maintain in effect throughout the term of this Agreement, at LPCH's sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

Professional liability insurance, covering LPCH and each Physician with coverage of not less than One-Million Dollars (\$1,000,000) per Physician per occurrence and Three-Million Dollars (\$3,000,000) per Physician in the aggregate. If any professional liability insurance covering LPCH and each Physician is procured on a "Claims Made" rather than "Occurrence" basis, then LPCH shall either continue such coverage or obtain extended reporting coverage ("**Tail Coverage**"), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of LPCH if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an insurer authorized to transact insurance business in the State.

General liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Workers' Compensation Insurance, if LPCH employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

4.1.4 Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date LPCH completes the performance of services under this Agreement.

LPCH shall give Hospital notice, in writing, at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for LPCH, Physician, and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of LPCH's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the LPCH's insurance.

LPCH shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify LPCH and LPCH shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by LPCH to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

4.2 Hospital Insurance. Hospital shall, at its expense, maintain policies of (i) general liability insurance in amounts of at least Three Million Dollars (\$3,000,000) per occurrence and Five Million Dollars (\$5,000,000) in the annual aggregate; (ii) professional liability insurance in amounts of at least Ten Million Dollars (\$10,000,000) per occurrence and Ten Million Dollars (\$10,000,000) in the annual aggregate and (iii) cyber liability insurance in amounts of at least Ten Million Dollars (\$10,000,000) per occurrence and Ten Million Dollars (\$10,000,000) in the annual aggregate to insure it, its employees and agents under this Agreement, against claims and liabilities arising out of or related to this Agreement. Evidence of such coverage shall be presented to LPCH upon execution of this Agreement. In the event

that such coverage is written on a claims-made basis, Hospital shall arrange for appropriate tail coverage consistent with the requirements of this Section 4 in the event that such claims-made policy is canceled or not renewed.

5. INDEMNIFICATION

LPCH shall indemnify, defend and hold harmless the County of Monterey (hereinafter "County"), its officers, agents and employees from any claim, liability, loss, injury or damages arising out of, or in connection with, the negligent or wrongful acts or omissions of LPCH and/or its agents, employees or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of personnel employed by County. LPCH shall reimburse County for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which LPCH is obligated to indemnify, defend and hold harmless County under this Agreement.

County shall indemnify, defend, and hold harmless LPCH, its officers, agents and employees, including Physician, from any claim, liability, loss, injury or damages arising out of, or in connection with, the negligent or wrongful acts or omissions of County and/or its agents, employees or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of personnel employed by LPCH. County shall reimburse LPCH for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which County is obligated to indemnify, defend and hold harmless LPCH under this Agreement.

6. COMPENSATION

In consideration of LPCH's provision of Professional Services to Hospital, Hospital shall pay LPCH on a monthly basis in accordance with Exhibit B. The total amount payable by Hospital to LPCH under this Agreement shall not exceed Three Hundred Forty Eight Thousand Four Hundred Eighty Dollars (\$348,480).

7. CHARGES AND BILLINGS

Hospital shall have the sole right to bill and collect for Professional Services rendered by Physician(s) pursuant to this Agreement and shall have sole and exclusive right, title and interest in and to all accounts receivable with respect to such services. LPCH hereby assigns (or reassigns, as the case may be) to Hospital all claims of LPCH and each Physician for any and all Professional Services rendered by Physician(s) pursuant to this Agreement. LPCH shall take such action and execute such documents, and shall ensure that each Physician takes such action and executes such documents, as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims for any and all Professional Services rendered by Physician(s) pursuant to this Agreement. Hospital shall ensure that all billing and coding for professional services furnished by Physician(s) pursuant to this Agreement is in compliance with applicable laws and regulations, customary professional practice, the Federal Health Care Programs, and other third party payor programs. LPCH shall take all necessary and reasonable steps to provide Hospital sufficient information to facilitate Hospital's billing and collecting for Professional Services rendered by Physician(s) pursuant to this Agreement.

8. INTENT OF PARTIES

Neither LPCH nor Hospital intend that any payments or other consideration provided under this Agreement be in return for the referral of ongoing business, if any, or in return for the purchasing, leasing, or ordering of any services other than the specific services described in this Agreement. All payments

specified in this Agreement are consistent with what the parties reasonably believe to be a fair market value for the services provided.
