**DRAFT RESOLUTION**

**Before the Chief of Planning  
in and for the County of Monterey, State of California**

In the matter of the application of:

**TUT BROTHER ESTATES LLC (PLN250024)**

**RESOLUTION NO. 26-009**

Resolution by the County of Monterey Chief of Planning:

- 1) Finding that the project qualifies as a Class 5 Categorical Exemption pursuant to CEQA Guidelines Section 15305(a), and none of the exceptions contained in Section 15300.2 apply, and
- 2) Approve a Lot Line Adjustment between four legal lots of record consisting of Lot 2 (1.31 acres), Lot 3 (1.26 acres), Lot 4 (1.14 acres), and Lot 5 (1.39 acres), resulting in Adjusted Lot 2 (1.61 acres), Adjusted Lot 3 (1.29 acres), Adjusted Lot 4 (1.0 acre) and Adjusted Lot 5 (1.12 acres).

[PLN250024, Tut Brothers Estates LLC, 14012, 14022, 14032, and 14042 Vista Verde Drive, Royal Oaks (Assessor's Parcel Numbers: 117-531-002-000, 117-531-003-000, 117-531-004-000 and 117-531-005-000), North County Area Plan]

**The Tut Brothers Estates LLC application (PLN250024) came on for an administrative decision before the County of Monterey Chief of Planning on January 21, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, and other evidence presented, the HCD Chief of Planning finds and decides as follows:**

**FINDINGS**

**1. FINDING:**

**CONSISTENCY** - The proposed project and/or use, as conditioned, is consistent with the policies of the Monterey County 2010 General Plan, Greater Monterey Peninsula Area Plan; the requirements of the applicable subdivision and zoning ordinances (Titles 19 and 21); and other County health, safety, and welfare ordinances related to land use development.

**EVIDENCE: a)**

The project has been reviewed for consistency with the text, policies, and regulations in the:

- 2010 Monterey County General Plan;
- North County Area Plan;
- Monterey County Zoning Ordinance (Title 19); and
- Monterey County Zoning Ordinance - (Title 21)

No conflicts were found to exist. The County received no communications from interested members of the public during the course of project review indicating any inconsistencies with the text, policies, and/or regulations of the Monterey County Code (MCC), and the County finds that the project is consistent with the text, policies, and regulations in the applicable documents.

- b) Project. The proposed project involves a lot line adjustment between four legal lots of record consisting of Lot 2 (1.31 acres), Lot 3 (1.26 acres), Lot 4 (1.14 acres), and Lot 5 (1.39 acres). The LLA involves an equal exchange of land. After the adjustment, there will continue to be four (4) lots of record, containing Adjusted Lot 2 (1.61 acres), Adjusted Lot 3 (1.29 acres), Adjusted Lot 4 (1.0 acre) and Adjusted Lot 5 (1.12 acres). Per the Applicant/Owner, the project is being proposed as a way to minimize the construction of access roads/driveways, grading, and better design and configuration for future proposed development on the adjusted lots.
- c) Allowed Use. The properties are located at 14012, 14022, 14032, and 14042 Vista Verde Drive, Royal Oaks (Assessor's Parcel Numbers Lot 2: 117-531-002-000, Lot 3: 117-531-003-000, Lot 4: 117-531-004-000 and Lot 5: 117-531-005-000), within the North County Area Plan. The parcels are zoned Low Density Residential with a density of 2.5 acres per unit and a Visual Sensitivity overlay or "LDR/2.5-VS". The reconfiguration of the parcels will not otherwise intensify water use, create new building areas, or development potential beyond what currently exists. Therefore, the project is an allowed land use for this site, as it is consistent with the property's underlying zoning. See Finding No. 6 and supporting evidence.
- d) Lot Legality. All four lots (APNs; [Lot 2] 117-531-002-000, [Lot 3] 117-531-003-000, [Lot 4] 117-531-004-000 and [Lot 5] 117-531-005-000) are shown in their current configuration in "Vista Verde Estates, Tract #1193", filed July 22, 1993, in Volume 18, Maps of "Cities and Towns", at Page 17, in the Office of the County Recorder of the County of Monterey. Therefore, the County recognizes the subject properties as legal lots of record.
- e) Review of Development Standards - Minimum Lot Size. The development standards for the LDR zoning district are identified in MCC section 21.14.060, which identifies the minimum building site as 1 acre. The four (4) legal lots of record meet the required minimum acreage, and as proposed, the lots will continue to meet the minimum acreage. The LLA will continue to allow the adjusted lots to be developed in the future, subject to separate permits, with minimal grading due to slopes in the rear of each lot. Accordingly, implementation of this LLA will promote resource conservation and encourage future development to better meet the goals and policies of the 2010 General Plan, per section LU-1.16.
- f) Review of Development Standards- Density. Pursuant to Title 21 section 21.14.060, the maximum development density shall not exceed the units/acre as shown for the specific "LDR" district as shown on the zoning map. The subject parcels are zoned LDR/2.5, which allows 1 unit per 2.5 acres. The minimum building site of each of the four (4) lots is 1 acre, which requires that a residential unit

occupy a property that contains at least 1 acre of land. The existing four (4) lots are vacant and are as followed- Lot 2 is 1.31 acres, Lot 3 is 1.26 acres. Lot 4 is 1.14 acres, and Lot 5 is 1.39 acres. With the implementation of the LLA, adjusted Lot 2 will be 1.61 acres, Lot 3 will be 1.29 acres, Lot 4 will be 1 acre, and Lot 5 will be 1.12 acres. Although the maximum density is 2.5 acres per unit, the zoning district density restriction does not preclude the lots from being developed with the first single-family dwelling. However, the existing and adjusted size of the lots will restrict the development of second single-family dwellings on each lot. Therefore, the maximum development potential and overall density would not change with implementation of the project.

- g) Review of Development Standards-Setbacks. Pursuant to Title 21 section 21.14.060.C, the required main structure setbacks in this LDR district are 30 feet (front) and 20 feet (side and rear), with a maximum height of 30 feet. There are no existing residences or structures of any kind on the four (4) lots. Therefore, the resulting parcels conform to the maximum allowed site coverage
- h) Review of Development Standards- Structural Coverage. Pursuant to Title 21 section 21.14.060.E, the maximum site coverage in this LDR district is 35 percent. There are no existing structures on the four (4) lots and no proposed development as part of this application. Therefore, there will be no changes to the existing coverage and the resulting parcels conform to the maximum allowed site coverage.
- i) Design. The subject property zoning district does not include a Design Control Overlay (see Evidence c), however it does have a Visual Sensitivity (VS) Overlay, which includes regulations outlined in Title 21.44. According to Monterey County Geographic Information System (GIS) records and Figure 15 in the North County Area Plan (Scenic Highway Corridors and Visual Sensitivity Map), the subject property is identified as Sensitive. Pursuant to Policy NC-3.1 of the North County Area Plan, the proposed lot line adjustment does not disrupt public views. The policy allows new development when it is located and designed in a manner that ensures public views remain unobstructed. No development is proposed as part of this application; therefore no Design Approval is required. There will be no change in the character of the neighborhood or impact on the public viewshed. Therefore, the proposed development is consistent with the neighborhood and community character.
- j) Land Use Advisory Committee (LUAC) Review. The project was not referred to the North County Land Use Advisory Committee (LUAC) for review because it does not involve a public hearing Design Approval, a Lot Line Adjustment in the Coastal Zone, preparation of an Initial Study, or a Variance
- k) Subdivision Map Act Consistency. Pursuant to Section 66412(d) of the Subdivision Map Act (SMA), the SMA is inapplicable to the lot line adjustment due to the fact that the final outcome of the LLA is not more than four adjoining parcels, and a greater number of parcels than previously existed is not being created. See Finding No. 6 and supporting evidence

1) The application, plans, and supporting materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in are File No. PLN250024.

**2. FINDING:**

**EVIDENCE:**

- a) **SITE SUITABILITY** - The site is physically suitable for the use proposed.  
The project has been reviewed for site suitability by the following departments and agencies: HCD-Planning, HCD-Engineering Services, HCD-Environmental Services, North County Fire Protection District, and Environmental Health Bureau. County staff reviewed the application materials and plans, as well as the County's GIS database, and conducted a site visit via Google Earth, to verify that the project conforms to the applicable lot line adjustment plans and that the subject property is suitable for the proposed development. There has been no indication from these departments/agencies that the site is not suitable for the proposed development. Recommended conditions have been incorporated.
- b) There are no physical or environmental constraints that indicate that the property is not suitable for the use proposed and no technical reports were prepared as no environmental concerns were raised by HCD-Planning.
- c) The application, project plans, and related support materials submitted by the project applicant to the Monterey County HCD-Planning for the proposed development are found in File No. PLN250024.

**3. FINDING:**

**EVIDENCE:**

- a) **NO VIOLATIONS** - The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's zoning ordinance. No violations exist on the property.  
Monterey County HCD-Planning and HCD-Building Services records were reviewed, and the County is not aware of any violations existing on the subject property.
- b) There are no known violations on the subject parcels.
- c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning are found in File No. PLN250024.

**4. FINDING:**

**EVIDENCE:**

- a) **HEALTH AND SAFETY** - The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.  
The project was reviewed by HCD-Planning, North County FPD (Fire Protection District), HCD-Engineering Services, HCD-Environmental Services, and the Environmental Health Bureau, and conditions have been recommended, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.

- b) All necessary facilities are available at the project site, as the four (4) lots are vacant and undeveloped.
- c) The application, plans, and supporting materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development are found in File No. PLN250024.

## 5. FINDING:

### EVIDENCE: a)

**CEQA (Exempt)** – The project is categorically exempt from environmental review and no unusual circumstances were identified to exist for the proposed project.

California Environmental Quality Act (CEQA) Guidelines section 15305(a) categorically exempts minor lot line adjustments not resulting in the creation of any new parcel. The proposed lot line adjustment reconfigures the meets and bounds for four (4) parcels and will not create any new parcels after adjustment. Therefore, the project is consistent with the parameters of the Class 5 categorical exemptions.

- b) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project. There is no substantial evidence of unusual circumstances because there is no feature or condition of the project that distinguishes the project from the exempt class. The properties are not located in an area where an environmental resource of hazardous or critical concern has been designated or precisely mapped by a federal, state, or local agency trees are proposed for removal. The project does not involve a designated historical resource or a hazardous waste site. There is no substantial evidence that would support a fair argument that the project has a reasonable possibility of having a significant effect on the environment or that it would result in a cumulative significant impact.
- c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development are found in File No. PLN250024.

## 6. FINDING:

**LOT LINE ADJUSTMENT** – Section 66412(d) of the California Government Code (Subdivision Map Act) and Title 19 (Subdivision Ordinance – Inland) of the Monterey County Code (MCC) allow a lot line adjustment that meets the following standards:

1. The lot line adjustment is between four or fewer existing adjoining parcels;
2. A greater number of parcels than originally existed will not be created as a result of the lot line adjustment; and
3. The parcels resulting from the lot line adjustment conform to the County's general plan, any applicable specific plan, any applicable coastal plan, and zoning and building ordinances.

As proposed, the project meets these standards.

### EVIDENCE: a)

The parcels are zoned Low Density Residential, 2.5 acres per unit density, and Visual Sensitivity Overlay [LDR/2.5-VS].

b) The lot line adjustment is between four or fewer existing adjoining parcels. The four existing legal lots of record have a total combined area of 5.1 acres, containing 1.31 acres [Lot 2], 1.26 acres [Lot 3], 1.14 acres [Lot 4], and 1.39 acres [Lot 5]. After the adjustment, there will

continue to be four lots of record, containing 1.61 acres [Adjusted Lot 2], 1.29 acres [Adjusted Lot 3], 1 acre [Adjusted Lot 4], and 1.12 acres [Adjusted Lot 5].

- c) The lot line adjustment will not create a greater number of parcels than originally existed. Four contiguous separate legal parcels of record will be adjusted, resulting in four contiguous separate legal parcels of record (see attached map). Therefore, no new parcels will be created.
- d) The proposed lot line adjustment is consistent with the Monterey County Zoning Ordinance (Title 21) and Subdivision Ordinance (Title 19). County staff verified that the subject property is in compliance with all rules and regulations pertaining to the use of the property, and that no violations exist on the property (see Finding Nos. 1, 2, 3, and 4; and supporting evidence).
- e) The subject properties are zoned for residential purposes. None of the property area is under Williamson Act contract or used for agricultural purposes. The proposed lot line adjustment does not interfere with existing access and/or utility easements, which will remain unchanged.
- f) As an exclusion to the Subdivision Map Act, no map is recorded for a Lot Line Adjustment. To appropriately document the boundary changes, execution and recordation of deeds reflecting the lot line adjustment (Condition No.3) as well as a Certificate of Compliance for each adjusted lot is required per incorporated standard conditions of approval (Condition No. 4).
- h) The project planner conducted a site inspection via Google Earth to verify that the project would not conflict with zoning or building ordinances.
- i) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in File No. PLN250024.

**7. FINDING:**

**EVIDENCE:** a)

**APPEALABILITY** - The decision on this project may be appealed to the Monterey County Board of Supervisors.

Board of Supervisors. Section 19.16.020.A of the Monterey County Subdivision Ordinance (Title 19) states that the Board of Supervisors is the Appeal Authority to consider appeals from the discretionary decisions of the Director of Planning.

## **DECISION**

**NOW, THEREFORE**, based on the above findings and evidence, the County of Monterey HCD Chief of Planning does hereby:

- A. Finding that the project qualifies as a Class 5 Categorical Exemption pursuant to CEQA Guidelines Section 15305(a), and none of the exceptions contained in Section 15300.2 apply, and
- B. Approve a Lot Line Adjustment between four legal lots of record consisting of Lot 2 (1.31 acres), Lot 3 (1.26 acres), Lot 4 (1.14 acres), and Lot 5 (1.39 acres), resulting in Adjusted Lot 2 (1.61 acres), Adjusted Lot 3 (1.29 acres), Adjusted Lot 4 (1.0 acre) and Adjusted Lot 5 (1.12 acres).

All of which are in general conformance with the attached sketch and subject to the attached 8 conditions, all being attached hereto and incorporated herein by reference.

**PASSED AND ADOPTED** this 21<sup>st</sup> day of January 2026.
