Permitted Capacity. As set forth in this SLSA, the number of “seat licenses” means the total number of Client’s concurrent users that may use the Products at one time in all environments. In addition, if Client exceeds any of the capacity limitations set forth above for the hosting services, Client acknowledges that Ontario Systems will need to increase capacity and Client shall be obligated to pay the corresponding fee increase at the rates established by the Professional Services Agreement and this Exhibit B-2.

2 Subscription Terms

- a) Types of Subscription. As set forth in this SLSA, the types of subscriptions are:
1. License and Support Services. A License and support service subscription means that Ontario Systems provides the Licenses and Support Services on a subscription basis for the Term in exchange for the fee. As noted in Section 1(b) of this SLSA, the License and Support Services fees are based on the number of licenses Client utilizes for the applicable Product. If Client purchases additional licenses, Client will pay a corresponding increase in License and Support Fees based on Ontario Systems’ then current rates.
 - b) Subscription Term. The subscription term of this SLSA begins on the Effective Date and lasts for the term indicated in the table below (the “Initial Subscription Term”) unless otherwise terminated by Client. Thereafter, Client has the option to renew for two additional one (1) year terms (each a “Renewal Subscription Term”) “Term” means the time from the Initial Subscription Term and any Renewal Subscription Term(s). “Go Live Date” means the date that Ontario Systems makes available to Client any of the Software and/or Third Party Items in a production, non-test environment.

Initial Subscription Term
Effective Date to June 30, 2024

3 Professional Services

- a) **Professional Services.** Ontario Systems agrees to provide the Professional Services set forth in Appendix A for fees set forth in the below table that Client shall pay in accordance with this SLSA.

Professional Services	Fee
Implementation Services Total	Not Applicable

- b) **Project Start.** While this SLSA begins on the Effective Date, the parties acknowledge that the Revenue Plus Collector System will be made available to the client, but implementation of the Software will not begin until Ontario Systems assigns resources to begin the project, which Client understands may be several months after the Effective Date. Once Ontario Systems provides notice that Ontario Systems is ready to begin the implementation, the parties will schedule a project kick off meeting at a mutually agreed upon time and that project kick off meeting will represent the project start date ("**Project Start Date**"). There may be multiple project kick off meetings for the different products being implemented. In such cases, the Project Start Date for purposes of this SLSA will refer to the first project kick off meeting that occurs for the Professional Services provided under this SLSA.

4 Payment Terms

- a) **Subscription Fees Payment.** For the Term, Client shall pay the Subscription Fees set forth in Section 1(a) of this SLSA, pursuant to the terms of the Professional Services Agreement.
- b) **Payment Methods.** Client may remit payments by check or ACH transaction in the following manner:

Lockbox Data

Ontario Systems
75 Remittance Dr., Suite 6100
Chicago, IL 60675-6100

5 Record Keeping and Audit

- a) Record Keeping and Audit. Client shall keep accurate records and accounts in accordance with standard accounting practices in a form that, at a minimum, keeps track of and a record of any fees charged and/or received from client. Upon providing Client with at least ten business day's advance written notice, Ontario System may itself or have its representatives audit Client's compliance with this SLSA, whether at Client's site or remotely through questionnaires and document requests. Client shall reimburse Ontario Systems for the reasonable costs of the audit within thirty days of the date of Ontario Systems' invoice for those costs. This Section survives termination of this SLSA for one year after termination.

Each party is signing this SLSA on the date stated in that party's signature block.

For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent" form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
