5.2 The term of this Agreement shall remain in effect until terminated as provided below:

5.2.1 Termination. During the term of this Agreement, either party may terminate the Agreement by giving written notice of termination to the other party at least thirty (30) days before the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided before the date of termination.

5.2.2 Termination for cause. COUNTY may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If COUNTY terminates this Agreement for good cause, COUNTY may be relieved of the payment of any consideration to CONTRACTOR, and COUNTY may proceed with the work in any manner that COUNTY deems proper. 5.2.3 Partial termination. 6. TERMINATIONS OR REDUCTION OF GOVERNMENT FUNDING

6.1 This Agreement is made with the understanding that the State or Federal Governments are providing and will continue to provide funds to COUNTY so that COUNTY can make the payments to CONTRACTOR under this contract. The funds identified for the fiscal years are subject to increase or decrease dependent upon the availability of the appropriations by the State Legislature and the Federal Government. Increases or decreases in the amount COUNTY allocates

to the CONTRACTOR as identified in Exhibit B will require a written amendment to this contract in accordance with Section 20.

6.2 Notwithstanding any other provision of this Agreement, if the State or Federal Government terminates or reduces its funding to the COUNTY for the client services that are to be provided under this Agreement, then COUNTY may, after consultation with the CONTRACTOR, elect to terminate this contract by giving written notice of such election to CONTRACTOR, effective immediately or on such other date as COUNTY specifies in the notice. Alternatively, it is mutually agreed that the contract may be amended to reflect any reduction in funding in Exhibit B, in accordance with Section 20.

7. INDEPENDENT CONTRACTOR STATUS

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith CONTRACTOR shall defend, indemnify, and hold COUNTY harmless from any and all liability, which COUNTY may incur because of CONTRACTOR's failure to pay such taxes.

8. INDEMNIFICATIONS AND INSURANCE

8.1 Indemnification: CONTRACTOR shall indemnify, defend and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorney's fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

8.2 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability

8.2.1 Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than one million dollars (\$1,000,000) per occurrence.

8.2.2 Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and property Damage of not less than one million dollars (\$1,000,000) per occurrence.

8.2.3 Workers Compensation Insurance. If CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than one million dollars (\$1,000,000) each person, one million dollars (\$1,000,000) each accident and one million dollars (\$1,000,000) each disease.

8.2.4 Professional Liability Insurance. If required for the professional service being provided, in the amount of not less than one million dollars (\$1,000,000) per claim and two million dollars (\$2,000,000) in the aggregate, to cover liability for malpractice or errors or omissions made in course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

8.3 Other Insurance Requirements: All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

8.3.1 Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty days in advance of any change, cancellation, or non-renewal thereof. Each policy shall provide coverage for CONTRACTOR additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance showing each subcontractor has identical insurance coverage to the above requirements.

8.3.2 Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR's insurance.

8.3.3 Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY's contract administrator and the COUNTY's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within 5 days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in

no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

8.3.4 CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY's Contract Administrator and COUNTY's Contracts/Purchasing Division. If the certificate is not received by the expiration date, COUNTY shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles COUNTY, at its sole discretion, to terminate this Agreement immediately.

9. NONDISCRIMINATION

9.1 During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate against any person because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age (over 40), sex, or sexual preference, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. Qualified applicants shall have an equal opportunity for employment. The term also includes any act of retaliation.

CONTRACTOR and its officers and employees, in their actions under this contract, are agents of the COUNTY within the meaning of Chapter 2.80 and are responsible for ensuring that their workplace and the services that they provide are free of discrimination, as required by Chapter 2.80. Complaints of discrimination made by CONTRACTOR against the COUNTY or by recipients of services against CONTRACTOR may be pursued using the procedures established by Chapter 2.80. CONTRACTOR shall establish and follow its own written procedures for the prompt and fair resolution of discrimination complaints made against CONTRACTOR by its own employees and agents, and shall provide a copy of such procedures to COUNTY on demand by COUNTY.

AOD Prevention Requirements

Prevention services will meet the definition of Primary Prevention as outlined below:

Primary Prevention (source: NNA Contract, Primary Prevention):

Strategies, programs and initiatives which reduce both direct and indirect adverse personal, social, health, and economic consequences resulting from problematic ATOD (alcohol, tobacco and other drug availability), manufacture, distribution, promotion, sales, and use. Primary prevention strategies are directed at individuals not identified to be in need of treatment.

Prevention will address the six CSAP strategies as they pertain to the Monterey County Four Year AOD Prevention Plan and provide primary prevention services as outlined in federal regulations:

Six CSAP Strategies

Based on the identified population, prevention funds are applied to services that offer sustainable results using the six prevention strategies established by the Center for Substance Abuse Prevention (CSAP). They are:

- **Information Dissemination** provides awareness and knowledge of the nature and extent of substance use, abuse, and addiction and their effects on individuals, families, and communities. It is one-way communication from a source to an audience, with limited contact between the two (e.g., printed materials, websites).
- **Education** is two-way communication between an educator/facilitator and the participants (e.g., classroom curriculum). Activities under this strategy aim to affect critical life and social skills, including decision-making, refusal skills, critical analysis, and systematic judgment abilities.
- **Alternative Activities** provide opportunities to participate in activities that exclude substance use. The assumption is that constructive and healthy activities offset the attraction to alcohol and drugs and, therefore, minimize their use.
- **Problem Identification and Referral** involves identifying those who have indulged in illegal/age-inappropriate use of tobacco or alcohol and those individuals who have indulged in the first use of illicit drugs in order to assess if their behavior can be reversed through education. This strategy does not include any activity designed to diagnose if a person is in need of treatment.
- **Community-Based Process** aims to enhance the ability of the community to more effectively provide prevention and treatment services for substance abuse disorders. Activities in this strategy include organizing, planning, enhancing efficiency and effectiveness of services implementation, interagency collaboration, coalition building, and networking.
- **Environmental strategies** establishes or changes written and unwritten community standards, codes, and attitudes, thereby influencing incidence and prevalence of substance abuse in the general population. This strategy is divided into two subcategories to permit distinction between activities that center on legal and regulatory initiatives and those that relate to the service and action-oriented initiatives.

Outcomes and Evaluation:

Sun Street Center will provide data, including progress and outcomes on prevention goals and objectives to the County as outlined in their work plan and as requested and/or required to meet CalOMS data reporting requirements.

EXHIBIT F - ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers and know about and respect cultural and ethnic differences. They adapt their skills to meet each family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities to care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 25%).
- Developing recruitment, hiring, and retention plans that are reflective of the target communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.

- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog) for at least 50% of all services.

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities pg 9)

A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a cultural competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish and Tagalog); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments;

ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide an emotional environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by clients; staff that is knowledgeable of cultural and ethnic differences and needs and is able and willing to respond to them in an appropriate and respectful manner.
4. Support the county's goal to reduce disparities to care by increasing access and decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery and evaluation (County Goal: 25%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Behavioral Health Director or designee to monitor progress and outcomes and report regularly to Behavioral Health coordinating bodies on the progress and outcome(s) of the project.
8. As appropriate, participate in cultural competency trainings offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.
