SUMMARY/DISCUSSION:

The County of Monterey Behavioral Health Bureau has submitted this comprehensive board report to enhance contracting efficiency by allowing the Director of Health Services or their designee to execute agreements for specialty mental health and supportive services without having to request separate Board approval for each agreement. Behavioral Health seeks to enter into new agreements with contractors that historically have provided quality services to County residents for many years. The providers listed in Attachment A have agreed to the County's standard boilerplate insurance and indemnification provisions. The Department will continue to secure Board approval for amendments to any agreements that significantly change the scope of services and in total exceed 10% of the original agreement amount.

Behavioral Health also seeks Board acceptance and approval of two Mental Health Services Agreement templates, one template for Medi-Cal providers, and the other for non-Medi-Cal providers. Both templates contain the standard boilerplate insurance and indemnification provisions. A redlined version of the Medi-Cal template is attached to this board report for comparison purposes (Attachment D).

This work supports the County of Monterey Health Department 2025-2028 Strategic Plan Goal(s) 1. Build Community Power and Partners' Capacity to Increase Equity and Improve Health; 2. Provide Exceptional Person-Centered Care through Accessible, Community-Focused Health Services; 3. Enhance Employee Wellbeing and Workforce Capacity; and 4. Deepen Organizational Effectiveness and Support Long-Term Sustainability. It also supports the following of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel and Auditor-Controller are referencing the appended Attachment A in conjunction with their current and ongoing review of upcoming FY agreements, to ensure that no individual Contract amount exceeds the Contract not-to-exceed amount submitted to your Board in this Delegated Authority action. FINANCING:

There is no impact to the General Fund from this action. As appropriate, the revenue and appropriations for the Contracts referenced in Attachment A have been included in the Health Department's FY 2025-26 Requested Budget. The funds for Contracts referenced in Attachment A for FY 2025-26, and FY 2026-27 will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2025-26 and FY 2026-27 Requested Budgets.
