This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement.**

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS.

- Exhibit A** Scope of Services/Payment Provisions
- Exhibit B** Prisoner Transport Regulations
- Exhibit C** Standard Contract Language Modifications

The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION.

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.
- 7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of

CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. - 7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

- 10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. - 10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.05 Royalties and Inventions. County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION.

- 11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

13.0 INDEPENDENT CONTRACTOR.

13.01 In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. Transportation Regulations Pertaining to Prisoner Transport and Applicable to CONTRACTOR

Federal Regulations: Prisoner Transportation Companies

Statutes and Regulations:

Private prisoner transportation companies are governed by 34 USC 60103 known as "Jenna's Act".
The act and accompanying regulations require:

- Minimum standards for background checks and pre-employment drug testing for potential employees, to disqualify persons with a felony conviction or domestic violence conviction.
- Minimum standards for the length and type of training that employees must undergo before they can transport prisoners not to exceed 100 hours of preservice training focusing on the transportation of prisoners. Training shall be in the areas of use of restraints, searches, use of force, including use of appropriate weapons and firearms, CPR, map reading, and defensive driving.
- Restrictions on the number of hours that employees can be on duty during a given time period. Such restriction shall not be more stringent than current applicable rules and regulations concerning hours of service promulgated under the Federal Motor Vehicle Safety Act.
- Requirement that officer to prisoner ration not exceed 1 agent for every 6 violent prisoners.
- Minimum standards for employee uniforms and identification that require wearing of a uniform with a badge or insignia identifying the employee as a transportation officer.
- Minimum requirements for the restraints that must be used when transporting violent prisoners, to include leg shackles and double-locked handcuffs, when appropriate.

U.S. Department of Transportation

Any company in the business of transporting inmates interstate and:

- Has a gross vehicle weight rating or gross combination weight rating, or gross vehicle weight or gross combination weight, of 4,536 kg (10,001 pounds) or more, whichever is greater; or
- Is designed or used to transport more than 8 passengers (including the driver) for compensation; or
- Is designed or used to transport more than 15 passengers, including the driver, and is not used to transport passengers for compensation.

Is required by FMCSA to obtain a USDOT Number and comply with the Federal Regulations.

Any prisoner transportation company must comply with this requirement. Many companies try to get around these requirements by using small sedans, or mini-vans, which are not as safe and secure as dedicated transport vehicles designed and outfitted for prisoner transport.

The FCMSA also requires minimum insurance of:

- \$1.5MM (15-passenger or less)
- \$5.0MM (15-passenger or more) Commercial (CDL drivers required)

You should obtain a Certificate of Insurance yearly from your vendor and make sure that the insurance provided does not exclude operating the vehicle for hire or transporting prisoners.

Federal Motor Carrier Safety Administration (FMCSA) Requirements Operating Authority/ Motor Carrier Number (MC#)

- Operating Authority means the registration (MC#) as required by 49 U.S.C. 13902, 49 CFR part 365, 49 CFR part 368, and 49 CFR 392.9a and is required by all companies in the business of transporting passengers for hire.

Every Prisoner Transportation Company must have Operating Authority with a valid (non-expired) MC# per Federal Law.

DOT SAFETY RATING

In addition to having Operating Authority with an MC# and requiring a USDOT #, a company in the business of transporting inmates must have all driver's complete DOT physicals, complete driver's history checks on all employees, comply with driver duty hours (ELD tracks this), have compliant sleeper berths with minimum measurements as outlined per the DOT, run vehicles through annual inspections, keep Motor Vehicle Reports on file, report crashes, and much more ensuring that they are operating legally and safely across our Country's interstates with their passengers.

This is a significant amount of information to keep track of and if you are the agency using this company it could become overwhelming. This is why the FMCSA has created a **Safety Rating System** that is determined after the company has been through a safety check from the DOT, auditing the company's compliance with all of their requirements and laws.

The minimum standard for a Prisoner Transportation Company should be a SATISFACTORY RATING with the DOT.

Any company who has been in business for a minimum of 1.5 years should have their initial Safety Inspection completed by the DOT. Therefore, any Prisoner Transport Company should have a Safety Rating if they are operating legally after 2 years unless some extenuating circumstances are present.

Because of this, most agencies require a **minimum of 3 years in business** to bid on a contract or before they will consider using them as a service provider.

Electronic Logging Devices (ELD)

Per the Department of Transportation and FMCSA, as required by MAP-21, § 395.8(a)(1) directs a motor carrier operating CMVs to install and require each of its drivers to use an ELD to record the driver's duty status no later than December 18, 2017.

Best Practices for Contracting with Private Prisoner Transport Companies

The following recommendations are minimum requirements that in many cases have been adopted by your peers and that we have seen in contracting to perform prisoner transportation services. We believe such provisions improve transparency to the purchasing departments and agencies and enhance the safety of both prisoners and agents while performing interstate prisoner transportation:

Insurance Requirements:

In addition to the mandated auto liability insurance required above by FMCSA, private transport companies should maintain a minimum of:

- \$3.0MM (including Excess Umbrella Coverage) in Commercial General Liability insurance,
- \$1.0MM in Workers Compensation insurance,
- \$1.0MM in Professional Liability insurance

Any company who is properly insured should provide a Certificate of Insurance and some documentation from the insurance company or agent stating they are fully aware the company is in the business of transportation of inmates on their Auto Liability, General Liability, Workers Compensation, and Professional Liability policies.

If an insurance company is not aware that a company is in the business of transporting inmates, the company and ultimately you may not be covered in the event of an accident or death.
