One of the following methods shall be used:

- A. Unit Price Method;

- C. Time and Materials Method.

4.5.1 Unit Price Method:

4.5.2 Firm Fixed Price Method:

1. The CONTRACTOR and AGENCY may mutually agree on a fixed amount as the total compensation for the performance of changed work.
2. Any adjustments to the Contract Price using the Firm Fixed Price Method shall include, when appropriate, all reasonable costs for labor, equipment, material, overhead and profit. Such overhead and profit shall be calculated in accordance with provision 15.04(b) (4) F.

 - b. Total Fixed Price payment for performing such work.

The AGENCY shall not be responsible for, and the CONTRACTOR shall not be entitled to, unallowable costs. Unallowable costs include, but are not limited to, (1) interest or attorney's fees of any type other than those mandated by California statutes, (2) claim preparation or filing

costs, (3) the cost of preparing or reviewing Change Proposals or Requests for Change Orders, (4) lost profits, lost income or earnings, (5) rescheduling costs, (6) costs for idle equipment when such equipment is not at the Site, has not been employed in the Work and is not scheduled to be used at the Site, (7) lost earnings or interest on unpaid retention, (8) claims consulting costs, (9) the costs of corporate officers or staff visiting the Site or participating in meetings with the AGENCY, (10) any compensation due to the fluctuation of foreign currency conversions or exchange rates, (11) loss of other business, and (12) any other special, consequential, or incidental damages incurred by the CONTRACTOR or subcontractors.

- 4.8.1 If the AGENCY elects to have the Change in the Work performed on a lump sum basis, its election shall be based on a lump sum proposal which shall be submitted by the CONTRACTOR to the AGENCY within five (5) workdays of the AGENCY's request, but the AGENCY's request for a lump sum proposal shall not be deemed an election by the AGENCY to have the Change in the Work performed on a lump sum basis.
- 4.8.2 If the AGENCY elects to have the Change in the work performed on a unit-cost basis, its election shall be based on a unit price proposal which shall be submitted by the CONTRACTOR to the AGENCY within five (5) workdays of the AGENCY's request, but the AGENCY's request for a unit price proposal shall not be deemed an election by the AGENCY to have the Change in the work performed on a unit price basis.
- 4.8.3 If the AGENCY elects to have the Change in the work performed on a time and material basis, the same shall be performed, its election shall be based on a time and materials price proposal which shall be submitted by the CONTRACTOR within five (5) workdays of the AGENCY's request, but the AGENCY's request for a time and materials price proposal shall not be deemed an election by the AGENCY to have the Change in the work performed on a time and materials basis.
- 4.8.4 Nothing herein contained shall preclude the AGENCY from requesting a lump sum proposal, a unit price proposal, and a time and materials price proposal, or any two of those, with respect to the same Change in the Work, in which event, the CONTRACTOR shall submit all proposals requested.
- 4.8.5 Until such time as the AGENCY makes its election under this paragraph, the CONTRACTOR shall submit daily time and material tickets to the AGENCY as required under subparagraph 4.8.3, which shall be subject to authentication as therein provided. At such time as the AGENCY makes its election under this paragraph, an appropriate Change Order will be issued; provided however, that until such time, the AGENCY shall pay to the CONTRACTOR up to the AGENCY's reasonable estimated value of the Change in the Work.

The CONTRACTOR's quotation shall be forwarded to the AGENCY within five (5) days of the AGENCY's request and, if acceptable to the AGENCY, shall be incorporated in the Change Order. If not acceptable, the parties shall make every reasonable effort to agree as to the amount of such decrease, which may be based on a lump sum properly itemized, on unit prices stated in the Contract Documents and/or on such other basis as the parties may mutually determine. If the parties are unable to so agree, the amount of such decrease shall be the total of the estimated reduction in actual cost of the work, as determined by the AGENCY in its reasonable judgment, plus ten percent (10%) thereof as overhead and profit.

4.10 Disputes Regarding Changes:

If any dispute should arise between the parties with respect to an increase or decrease in the Contract Sum or an expansion or contraction in the contract time as a result of a Change in the Work, the CONTRACTOR shall not suspend performance of a Change in the Work or the Work itself unless otherwise so ordered by the AGENCY in writing. The AGENCY shall, however, pay to the CONTRACTOR up to the AGENCY's reasonable estimate of the value of the Change in the Work, regardless of the dispute, if said Change in the Work results in an increase in the Contract Sum; and the AGENCY shall have the right to decrease the Contract Sum to the AGENCY's reasonable estimated value of the Change in the Work, regardless of the dispute, if said Change in the Work results in a decrease in the contract sum.

4.11 Limitations:

Except as expressly provided by this Section, there shall be no change whatsoever in the plans and specifications and in the work. CONTRACTOR shall not vary the work, the contract documents, or change, add to or omit any element, component part, or portion of the work without the express written consent of AGENCY's Project Manager contained in an executed change order or field order as herein provided. AGENCY shall not be liable for the cost for any extra work or any substitutions, changes, additions, omissions, or deviations from the plans and specifications unless the same have been authorized by and the cost thereof approved in writing by change order. No extension of time for performance of the work shall be allowed hereunder unless claim for such extension shall be made at the time changes in the work are ordered and such duly adjusted in writing by AGENCY. 19.2 Governing Law:

This Agreement is made under and will in all respects be interpreted, enforced and governed by the laws of the State of California, without regard to that state's conflict of laws principles.

19.3 Amendment:

This Agreement cannot be altered, amended or modified in any respect, except by a writing duly executed by the Parties.

19.4 Non-Waiver:

No course of dealing between or among the Parties shall be deemed to affect, modify, amend or discharge any provision or term of this Agreement. No delay in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise of any right or remedy shall operate as waiver hereof, and so single or partial exercise of any such right or remedy shall preclude other or future exercise thereof.

19.5. Claims and Dispute Resolution:

19.5.1 Any dispute that arises under or relates to this AGREEMENT (whether contract, tort, or both) shall be resolved in the Superior Court of California in Monterey County, California.

19.5.2 CONTRACTOR shall continue to perform under this AGREEMENT during any dispute.

19.5.3 The parties agree to waive their separate rights to a trial by jury. This waiver means that the trial will be before a judge.

19.5.4. Prompt resolution of differences required. It is the intention of this Article that differences between the parties arising under and by virtue of this Contract be brought to the attention of Engineer at the earliest possible time in order that such matters may be promptly settled, if possible, or other appropriate action may be taken promptly. To that end, Agency and Contractor agree to attempt informal resolution of disputes prior to initiating the Claim process.

19.5.5. Contract interpretations/performance judging/decisions by Engineer.

(a) All Claims may be presented informally first to Engineer. To the extent that resolution of the Claim does not involve an extension of time or additional payments, Engineer may resolve, in writing, or otherwise, Claims that have been presented informally.

(b) The Engineer will be, in the first instance, the interpreter of the requirements of the Contract Documents and the judge of performance there under by both Agency and Contractor. The Engineer will, within a reasonable time, render such interpretations, as may deem necessary for the proper execution or progress of the Work. Claims, disputes, and other matters in question between Contractor and Agency relating to the execution or progress of the Work or interpretation of the Contract Documents shall be referred initially to the Engineer for decision which Engineer will render, in writing, within a reasonable time. In Engineer's capacity as interpreter and judge, Engineer will exercise his or her best efforts to ensure faithful performance by both Agency and Contractor and will not show partiality to either. All interpretations and decisions of the Engineer shall be consistent with the intent of the Contract Documents.

19.5.6 Obligation to Seek Informal Resolution Prior to Filing Claim for Disputed Work. Should it appear to Contractor that the Work to be performed or any of the matters relative to the Contract Documents are not satisfactorily detailed or explained therein, or should any questions arise as to the meaning or intent of the Contract Documents, or should any dispute arise regarding the true value of any Work performed, Work omitted, extra Work that the Contractor may be required to perform, time extensions, payment to the Contractor during performance of this Contract, performance of the Contract, and/or compliance with Contract procedures, or should Contractor otherwise seek extra time, compensation or payment FOR ANY REASON WHATSOEVER, then Contractor shall first follow procedures set forth in the Contract. If a dispute remains, then Contractor shall give written notice to Agency that expressly invokes this Article 33. Agency shall decide the issue in writing within fifteen (15) days; and Agency's written decision shall be final and conclusive.

19.5.7 Time for giving notice. Notice of dispute or potential Claim must be given in writing by the Contractor as follows:

- (a) For a potential Claim of an increase in the Contract Sum, Contractor shall give the Engineer written notice thereof within ten (10) days after the occurrence of the event giving rise to such Claim; in addition, this notice shall be given by Contractor before proceeding to execute the portion of the Work to which the Claim relates, except in an emergency endangering life or property, and except where Contractor could not reasonably have discovered the facts giving rise to the Claim prior to commencement of that portion of the Work.
- (b) For a potential Claim of an extension of time, Contractor shall give written notice to the Engineer no more than ten (10) days after the occurrence of the delay; otherwise they shall be waived. In the case of a continuing cause of delay, only one (1) Claim is necessary.
- (c) In all other cases, notice shall be given within ten (10) days after the happening of the event, thing, or occurrence giving rise to the potential Claim.

19.5.8 Form and Contents of Claim. If Contractor disagrees with Agency's decision, or if Contractor contends that Agency failed to provide a decision timely, then Contractor's SOLE AND EXCLUSIVE REMEDY is to promptly file a written Claim setting forth Contractor's position as required herein. The Claim shall be submitted to Agency within thirty (30) calendar days of receiving Agency's written decision, or the date Contractor contends such decision was due. The Contractor shall furnish reasonable documentation to support the Claim. Contractor's written Claim must identify itself as a "Claim" under this Article 19 and must include the following: (1) a narrative of pertinent events; (2) citation to contract provisions; (3) theory of entitlement; (4) complete pricing of all cost impacts; (5) a time impact analysis of all time delays that shows actual time impact on the critical path; and (6) documentation supporting items (1) through (5). The Claim must be verified under penalty of perjury by Contractor as to the Claim's accuracy, and shall be priced like a Change Order, and must be updated monthly as to cost and entitlement if a continuing Claim. The Claim must be sent by registered mail or certified mail with return receipt requested to the Agency, Notices, of the Agreement. Routine contract materials, for example, correspondence, RFI, Change Order requests, or payment requests shall not constitute a Claim. Contractor shall bear all costs incurred in the preparation and submission of a Claim.

19.5.9 Actions by Agency Upon Receipt of Claim.

- (a) Upon receipt of a Claim, the Agency shall conduct a reasonable review of the Claim and, within a period not to exceed forty-five (45) days, shall provide the Contractor a written statement identifying what portion of the Claim is disputed and what portion is undisputed.
- (b) The Agency and the Contractor may, by mutual agreement, extend the time period provided in this Article.
- (c) If the Agency needs approval from the Board of Supervisors to provide the Contractor a written statement identifying the disputed portion and the undisputed portion of the Claim, and the Board does not meet within the forty-five (45) days or within the mutually agreed to extension of time following receipt of a Claim sent by registered mail or certified mail, return receipt requested, the Agency shall have up to three (3) days following the next duly publicly noticed meeting of the governing body after the forty-five (45) day period, or extension, expires to provide the Contractor a written statement identifying the disputed portion and the undisputed portion.

19.5.10 Written Statement by Agency. Any payment due on an undisputed portion of the Claim shall be processed and made within sixty (60) days after the Agency issues its written statement. Failure by the Agency to issue a written statement shall result in the Claim being

deemed rejected in its entirety. A Claim that is denied by reason of the Agency's failure to have responded to a Claim, or its failure to otherwise meet the time requirements of this Article 19, shall not constitute an adverse finding with regard to the merits of the Claim or the responsibility or qualifications of the Contractor.

19.5.11 Contractor's Dispute of Written Response. If the Contractor disputes the Agency's written response, or if the Agency fails to respond to a Claim issued pursuant to this Article within the time prescribed, the Contractor may demand in writing an informal conference to meet and confer for settlement of the issues in dispute. Upon receipt of a demand in writing sent by registered mail or certified mail, return receipt requested, the Agency shall schedule a meet and confer conference within thirty (30) days for settlement of the dispute.

19.5.12 Written Statement by Agency After Meet and Confer Conference. Within ten (10) business days following the conclusion of the meet and confer conference, if the Claim or any portion of the Claim remains in dispute, the Agency shall provide the Contractor a written statement identifying the portion of the Claim that remains in dispute and the portion that is undisputed. Any payment due on an undisputed portion of the Claim shall be processed and made within sixty (60) days after the Agency issues its written statement.

19.5.13 Nonbinding Mediation.

(a) Any disputed portion of the Claim, as identified by the contractor in writing, shall be submitted to nonbinding mediation, with the Agency and the Contractor sharing the associated costs equally. The Agency and Contractor shall mutually agree to a mediator within ten (10) business days after the disputed portion of the Claim has been identified in writing. If the parties cannot agree upon a mediator, each party shall select a mediator and those mediators shall select a qualified neutral third party to mediate with regard to the disputed portion of the Claim. Each party shall bear the fees and costs charged by its respective mediator in connection with the selection of the neutral mediator.

(b) Mediation includes any nonbinding process, including, but not limited to, neutral evaluation or a dispute review board, in which an independent third party or board assists the parties in dispute resolution through negotiation or by issuance of an evaluation. Any mediation utilized shall conform to the timeframes in this Article.

(c) If mediation is unsuccessful, the parts of the Claim remaining in dispute shall be subject to applicable procedures outside this Article.

(d) Unless otherwise agreed to by the Agency and the Contractor in writing, the mediation conducted pursuant to this Article shall excuse any further obligation under Section 20104.4 of the Public Contract Code to mediate after litigation has been commenced.

(e) The Claim resolution procedures in this Article do not preclude the Agency from requiring arbitration of disputes under private arbitration or the Public Works Contract Arbitration Program, if mediation under this Article does not resolve the parties' dispute.

19.5.14 Amounts Not Paid Timely. Amounts not paid in a timely manner as required by this Article shall bear interest at 7 percent per annum.

19.5.15 Claims by Subcontractors. If a Subcontractor or a lower tier Subcontractor lacks legal standing to assert a Claim against the Agency because privity of contract does not exist, the Contractor may present to the Agency a Claim on behalf of a Subcontractor or lower tier Subcontractor. A Subcontractor may request in writing, either on his or her own behalf or on behalf of a lower tier Subcontractor, that the Contractor present a Claim for Work which was

performed by the Subcontractor or by a lower tier Subcontractor on behalf of the Subcontractor. The Subcontractor requesting that the Claim be presented to the public entity shall furnish reasonable documentation to support the Claim. Within forty-five (45) days of receipt of this written request, the Contractor shall notify the Subcontractor in writing as to whether the Contractor presented the Claim to the Agency and, if the original Contractor did not present the Claim, provide the Subcontractor with a statement of the reasons for not having done so.

19.5.16 Prompt response when needed. Whenever it appears that a prompt response is essential, Agency will respond to Claims sooner than the limits prescribed above.

19.5.17 Compliance.

(a) The provisions of this Article constitute a non-judicial Claim settlement procedure that, pursuant to Section 930.2 of the California Government Code, shall constitute a condition precedent to submission of a valid Claim under the California Government Code. Contractor shall bear all costs incurred in the preparation, submission and administration of a Claim. Any Claims presented in accordance with the Government Code must affirmatively indicate Contractor's prior compliance with the Claims procedure herein and the previous dispositions of the Claims asserted. Pursuant to Government Code Section 930.2, the one (1) year period in Government Code Section 911.2 shall be reduced to one hundred and fifty (150) days from either accrual of the cause of action, substantial completion or termination of the contract, whichever occurs first; in all other respects, the Government Code shall apply unchanged.

(b) Failure to submit and administer Claims as required in Article 19 shall waive Contractor's right to Claim on any specific issues not included in a timely submitted Claim. Claim(s) or issue(s) not raised in a timely protest and timely Claim submitted under this Article 19 may not be asserted in any subsequent litigation, Government Code Claim, or legal action.

(c) Agency shall not be deemed to waive any provision under this Article 19, if at Agency's sole discretion; a Claim is administered in a manner not in accord with this Article 19. Waivers or modifications of this Article 19 may only be made through a signed Change Order approved as to form by legal counsel for both Agency and Contractor; oral or implied modifications shall be ineffective.

19.5.18 Filing of Government Code claims. If the Contractor still remains unsatisfied and desires to preserve his/her right to pursue the matter further, Contractor must then file a claim with Agency, pursuant to Government Code Sections 900 et seq. or Sections 910 et seq.

19.5.19 Civil action. If the Government Code claim is denied, Contractor may file an action in court. Such action shall be subject to Public Contract Code Sections 9204 or 20104.4. This Section applies only to claims subject to Public Contract Code Sections 9204 or 20104. If a claim is not subject to Public Contract Code Sections 9204 or 20104, the Contractor's right to file a civil action shall be as otherwise provided by law.

19.5.20 Claims for damages. Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the other party or of any of his/her/its employees, agents, or others for whose acts he/she/it is legally liable, Claim shall be made, in writing, to such other party within a reasonable time after the first observance of such injury or damage, provided that in no case may such a Claim be filed after expiration of any applicable statute of limitations for filing such a Claim. Claims against Agency that are subject to this

Article shall comply with all procedures set forth in the California Government Code concerning claims against public entities.

19.5.21 Consistency with Public Contract Code Sections 9204 and 20104 et seq. If any Claim arising under this Contract is subject to the provisions of Public Contract Code Sections 9204 or 20104 et seq. (Div. 2, Part 3, Chapter 1, Article 1.5), and if provisions of that Article require a procedure or procedural element different from that established in this Contract, then the provisions of that Article shall apply in place of the conflicting procedure or procedural element established herein.

19.6 Enforcement:

If there is litigation of any kind between the Parties arising out of or concerning the enforcement of this Agreement, the prevailing party shall be entitled to recover from the other party the reasonable attorney's fees and costs incurred in connection with such litigation.

19.7 Termination:

Either party may terminate this Agreement by giving written notice of termination to the other party at least thirty (30) days prior to the effective date of termination, which date shall be specified in any such notice. In the event of such termination, the amount payable hereunder shall be reduced in proportion to the services provided prior to the effective date of termination. Agency may terminate this Agreement at any time for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes, without limitation, the failure of CONTRACTOR to perform the required services at the time and in the manner provided herein. If Agency terminates this Agreement for good cause, Agency may be relieved of the payment of any consideration to CONTRACTOR, and Agency may proceed with the work in any manner, which it deems proper. Costs incurred by Agency thereby shall be deducted from any sum due CONTRACTOR.

19.8 Counterparts:

This Agreement may be executed in counterparts and has the same force and effect as if all the signatures were obtained in one document.

ARTICLE 20: OTHER PROVISIONS

20.1 In order to induce Agency to enter into this Agreement, CONTRACTOR represents that it is duly organized, existing and in good standing under applicable state law; is licensed to perform all aspects of the Work; will employ only persons and Subcontractors and designers with all required licenses and certifications; that CONTRACTOR is duly qualified to conduct business in the State of California; that CONTRACTOR has duly authorized the execution, delivery and performance of this Agreement, the other Contract Documents and the Work to be performed herein; and that the Contract Documents do not violate or create a default under any instrument, Agreement, order or decree binding on CONTRACTOR.

20.2 CONTRACTOR shall not assign any portion of the Contract Documents.

- 20.3** Should any part, term or provision of this Agreement or any of the Contract Documents, or any document required herein or therein to be executed or delivered, be declared invalid, void or unenforceable, all remaining parts, terms and provisions shall remain in full force and effect and shall in no way be invalidated, impaired or affected thereby. If the provisions of any law causing such invalidity, illegality or unenforceability may be waived, they are hereby waived to the end that this Agreement and the Contract Documents may be deemed valid and binding Agreements, enforceable in accordance with their terms to the greatest extent permitted by applicable law. In the event any provision not otherwise included in the Contract Documents is required to be included by any applicable law, that provision is deemed included herein by this reference (or, if such provision is required to be included in any particular portion of the Contract Documents, that provision is deemed included in that portion).
- 20.4** It is understood and agreed that in no instance are the persons signing this Agreement for or on behalf of Agency or acting as an employee, agent, or representative of Agency, liable on this Agreement or any of the Contract Documents, or upon any warranty of authority, or otherwise, and it is further understood and agreed that liability of Agency is limited and confined to such liability as authorized or imposed by the Contract Documents or applicable law.
- 20.5** In entering into a Public Works Contract or a Subcontract to supply goods, services or materials pursuant to a Public Works Contract, CONTRACTOR or Subcontractor offers and agrees to assign to the awarding body all rights, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Chapter 2 (commencing with section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services or materials pursuant to the Public Works Contract of the Subcontract. This assignment shall be made and become effective at the time Agency tenders final payment to CONTRACTOR, without further acknowledgment by the parties.
- 20.6** Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Contract, as determined by Director of the State of California Department of Industrial Relations, are deemed included in the Contract Documents and on file at Agency's Office, and shall be made available to any interested party on request. Pursuant to California Labor Code Sections 1860 and 1861, in accordance with the provisions of Section 3700 of the Labor Code, every CONTRACTOR will be required to secure the payment of compensation to his/her/its employees. CONTRACTOR represents that it is aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that code, and CONTRACTOR shall comply with such provisions before commencing the performance of the Contract Documents.
- 20.7** Agency shall have the right to review all phases of CONTRACTOR's design of deferred submittals including, but not limited to, Drawings, Specifications, Shop Drawings, samples and submittals, as specified in the Contract Documents. Such review and other action shall not relieve CONTRACTOR of its responsibility for a complete design of deferred submittals complying with the requirements of the Contract Documents; but rather, such review shall be in furtherance of Agency's monitoring and accepting the design of deferred submittals as developed and issued by the CONTRACTOR, consistent with these Contract Documents. CONTRACTOR's responsibility to design deferred submittals and construct the Project in conformance with the Contract Documents shall be absolute.

20.8 This Agreement and the Contract Documents shall be deemed to have entered into in the Monterey County Water Resources Agency, and governed in all aspects by California law (excluding choice of law rules). The exclusive venue for all disputes or litigation hereunder shall be in the Superior Court for the County of Monterey.
