AGREEMENT FOR PURCHASE OF REAL PROPERTY

This Agreement for Purchase of Real Property is between the County of Monterey, a political subdivision of the State of California (GRANTEE), and Merrill Jacks Ranch #2, L.P. (GRANTORS).

The parties hereby agree as follows:

1. PROPERTY:

GRANTORS agree to sell and GRANTEE agrees to purchase certain land described in Exhibits "A", "A-1", "B", "C", "D", "E", "E-1" and "E-2" (attached and incorporated by this reference) being a portion of property in Monterey County located at 14701 Reservation Road, Salinas, California, further identified as APN(s) 203-041-004, 005 and 207-041-011 for use by GRANTEE on the Davis Road Bridge Project (the Project Property). GRANTORS agree to grant two (2) Permanent Roadway Easements, two (2) Permanent Utility Easements, a Permanent PG&E Gas Line Easement, and Temporary Construction Easement (TCE) on the terms and conditions set forth in this Agreement. The form of the Permanent Easement Deeds is as depicted in Exhibits "A", "A-1", "B", "C" and "D".

2. DELIVERY OF DOCUMENTS:

Concurrently with the execution of this Agreement, the Permanent Easement Deeds shall be executed and delivered by GRANTORS to Steve Harris, Project Manager for Overland, Pacific & Cutler, LLC, acting for the GRANTEE for the purpose of placing the Permanent Easement Deeds into escrow. Prior to placing the Permanent Easements into escrow, the purchase of the Project Property must be approved by the Monterey County Board of Supervisors. The Permanent Easement Deeds shall not be delivered in the manner described solely for the convenience of the parties. GRANTEE shall not be deemed to have accepted delivery of the Permanent Easement Deeds until such time as the Permanent Easement Deeds are recorded in the Official Records of Monterey County, California in accordance with written escrow instructions delivered to escrow by GRANTEE and GRANTOR. The Temporary Construction Easement Deed will not be recorded.

This transaction shall be handled through an escrow with Chicago Title Company, 50 Winham Street, Salinas, California 93901. Within five (5) days after this Agreement is executed by GRANTEE and GRANTORS, GRANTORS shall complete, execute and deliver to Escrow Holder (i) an affidavit executed by GRANTORS certifying that GRANTORS are not "foreign persons" within the meaning of Internal Revenue Code Section 1445(f)(3), and meeting the requirements of Internal Revenue Code Section 1445(b)(2), (ii) an original Withholding Exemption Certificate (California Form 590 or

590-RE, as applicable), fully executed by Grantor as required by the California Taxation and Revenue Code, certifying that GRANTOR is not subject to tax withholding under applicable California law, and (iii) register as a new vendor at the Monterey County web site: <http://www.in.co.monterey.ca.us/cao/vendorinfo.htm>.

The parties to this contract shall, pursuant to Section 21.7(a) of Title 49, Code of Federal Regulations, comply with all elements of Title VI of the Civil Rights Act of 1964. This requirement under Title VI and the Code of Federal Regulations is to complete the USDOT-Non-Discrimination Assurance requiring compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R Section 50.3.

No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that is the subject of this contract.

3. PURCHASE PRICE AND TITLE:

The purchase price for the Permanent Easements and Temporary Construction Easement is SIX HUNDRED NINETY-EIGHT THOUSAND FOUR HUNDRED FIFTY AND NO/100 DOLLARS (\$698,450.00). GRANTEE shall deliver the purchase price into escrow promptly after delivery of the Permanent Roadway Easement Deeds, Permanent Utility Easement Deeds and Temporary Construction Easement Deed into escrow. GRANTORS shall, by Grant of Easements, grant to GRANTEE the Project Property, free and clear of tax liens that would render the Easements unsuitable for their intended purposes.

Escrow agent shall deliver the purchase price to GRANTORS, less GRANTOR'S share of prorated taxes, if any, and any amounts necessary to place title in the condition required by this Agreement, when title to the Project Property vests in GRANTEE free and clear of all tax liens. Good, marketable title to the Permanent Easements, subject to the Permitted Exceptions (Monterey County will take title subject to all exceptions other than tax liens) showing the Permanent Easement interests to the Permanent Easements vested in Grantee, subject only to the Permitted Exceptions. GRANTEE shall pay all costs of escrow and recording fees incurred in this transaction.

4. PERMANENT EASEMENT:

Permission is hereby granted to the GRANTEE and its authorized agents and contractors to enter on GRANTOR'S land, within the Permanent Roadway Easements, Permanent Utility Easements and Permanent PG&E Gas Line Easement areas described in the documents delivered herewith, for rights of way for the purpose of road improvements and bridge construction.

5. TEMPORARY CONSTRUCTION EASEMENT:

A Temporary Construction Easement (TCE) is needed for the purpose of: providing access for construction. Said temporary easement shall be for a period of forty-eight (48) months from the date of the close of escrow as documented by Chicago Title Company. Permission is hereby granted to GRANTEE or its authorized agent to enter upon GRANTOR'S land where necessary within that certain area identified as a Temporary Construction Easement (TCE) for the purpose described above.

It is further agreed and understood between GRANTORS and GRANTEE that GRANTEE or GRANTEE'S contractor shall be authorized to enter GRANTOR'S remainder property for the purpose of removing and/or replacing any improvements noted in the appraisal of the property requiring replacement if applicable. Said improvements will be temporarily replaced during the period of construction to retain the nature of the property and will be replaced in "Like Kind" by GRANTEE'S contractor at no expense to GRANTORS following construction of the project.

6. PRORATION OF TAXES:

GRANTORS authorize GRANTEE to deduct from the purchase price any amount necessary to satisfy any delinquent taxes, together with penalties and interest thereon which are to be cleared from the title to the Project Property.

7. POSSESSION:

GRANTEE shall have the right of possession and use of the Permanent Easement areas including the right to remove and dispose of improvements. Such possession shall commence at the time of close of escrow documented by Chicago Title Company.

8. IMPROVEMENTS:

Except as may be otherwise provided herein, the purchase price for the Project Property includes compensation for any and all improvements situated within the Permanent Easement areas (Project Property) as described in the appraisal of the Project Property.

In addition, within the limits of the Project, and in compliance with the Project's regulatory permits, the work to be completed as part of the Project includes removal of the existing Davis Road low-water crossing and roadway within the riparian area of the Salinas River. The Project also proposes to re-contour and revegetate the Salinas River channel within the Project limits and repair existing field levees impacted by the Project's construction activities. The Project grading and contouring work within the river channel will adhere to Project's Environmental Impact Report (EIR) and supporting hydrology report so as not to impact the upstream or downstream flooding potential of the Salinas River. The GRANTEE agrees to coordinate with GRANTOR the work to restore and repair of the

existing levees. Any excess soil resulting from the Project and originating from within the Easement areas, will be offered to the GRANTOR for GRANTOR's use.

9. SEVERABILITY:

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force without being impaired or invalidated in any way.

10. GOVERNING LAW:

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

11. PUBLIC PURPOSE:

GRANTEE requires the Project Property for a public use, for the Project, and GRANTEE can acquire the Project Property through the exercise of the power of eminent domain. GRANTORS are compelled to sell, and GRANTEE is compelled to acquire the Project Property. Both GRANTORS and GRANTEE recognize the expense, time, effort and risk to both GRANTORS and GRANTEE in resolving a dispute over compensation for the Project Property by eminent domain litigation; and, the compensation set forth herein is in compromise and settlement, in lieu of such litigation.

12. AUTHORITY AND EXECUTION:

Each person executing this Agreement on behalf of a party represents and warrants that such person is duly and validly authorized to do so on behalf of the entity it purports to bind and if such party is a partnership, corporation or trustee, that such partnership, corporation or trustee has full right and authority to enter into this Agreement and perform all of its obligations hereunder.

13. ENTIRE AGREEMENT:

This Agreement represents the full and complete understanding of the parties with respect to the Project Property and the Project. Any prior or contemporaneous oral or written agreements by and between the parties or their agents and representatives with respect to the Project Property or the Project are revoked and extinguished by this Agreement.
