SUMMARY/DISCUSSION:

The Lanterman-Petris-Short Act mandates a certification review hearing for all persons to be certified for involuntary mental health treatment. Keith Vandevere, Attorney-At-Law, provides services as the hearing officer for certification review hearings. Monterey County currently maintains Agreement A-13158 with Keith Vandevere, Attorney-At-Law which will expire on June 30, 2019. The Health Department, Behavioral Health is requesting approval of this County of Monterey Standard Agreement to continue these services for an additional three-year term.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 strategic plan initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions respectively.

FINANCING:

This Agreement is 100% funded by 1991 Realignment revenues. The funds for this Agreement (\$60,000) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year (FY) 2019-20 Requested Budget. The funds for this Agreement for FY 2020-21 (\$60,000) and FY 2021-22 (\$60,000) will be included in the respective Health Department's Behavioral Health (HEA012, Unit 8410) FY 2020-21 and FY 2021-22 Requested Budgets.
