If such casualty shall render more than ten percent (10%) of such floor space unusable but not constitute total destruction, LESSOR shall forthwith give notice to LESSEE of the specific number of days required to repair the same. If LESSOR under such circumstances shall not give such notice within fifteen (15) calendar days after such destruction, or if such notice shall specify that such repairs will require more than ninety (90) days to complete from the date such notice is given, LESSEE, in either such event, at its option, may terminate this Lease.

In the event of any such destruction other than total, where LESSEE has not terminated the Lease as herein provided, LESSOR shall diligently prosecute the repair of the Premises and, in any event, if said repairs are not completed within thirty (30) calendar days from the work commencement date, for destruction aggregating ten percent (10%) or less of the floor space, or within the thirty (30) calendar day period specified herein in connection with partial destruction aggregating more than ten percent (10%), LESSEE shall have the option to terminate this Lease. LESSEE shall assist LESSOR with obtaining all applicable building permits if necessary.

LESSOR and LESSEE understand that, in normal circumstances, work cannot commence before a building permit is obtained. Time deadlines set forth herein shall not commence before required permits are issued. LESSOR warrants to diligently pursue issuance of said permits.

If LESSEE remains in occupancy of the Premises though partially destroyed, the rent for said Premises as herein provided, during restoration, shall be reduced by the same ratio as the rentable square feet LESSEE is thus precluded from occupying, bears to the total rentable square feet in the Premises. For purposes of this ARTICLE 21, "rentable square feet" shall mean actual inside dimensions and shall not include public areas.

ARTICLE 22 - DEFAULT BY LESSEE

22.1 **Default:** If any of the following events occur, each such event shall constitute a material breach of this Lease, and LESSOR may, at LESSOR'S option, exercise any or all rights available to a LESSOR under the laws of the State of California:

- a. A default in the payment of rent or other obligation when such default continues for a period of thirty (30) days after written notice from LESSOR to LESSEE of such default, or
- b. LESSEE fails to faithfully perform or observe any other covenant or undertaking required under this Lease and such failure continues for a period of thirty (30) days after written notice thereof from LESSOR to LESSEE of such default or, if such default is not reasonably curable within such thirty (30) day period, LESSEE fails to commence to cure such default within such thirty (30) day period and thereafter diligently pursues such cure to completion, or
- c. LESSEE is adjudicated bankrupt, or
- d. LESSEE'S lease interest is sold under execution of judgment.

22.2 Remedies: If LESSEE fails to cure a default within the time frames outlined above, LESSOR shall have the option to cure the default, if curable, or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSOR elect to cure the default, all reasonable costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease Agreement (if any), shall be reimbursed by LESSEE to LESSOR, as additional rent, within thirty (30) days of the County Auditor-Controller's receipt of LESSOR'S County approved invoice for said costs which shall be accompanied by County approved invoices and receipts to document LESSOR'S cost to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default.

ARTICLE 23 - DEFAULT BY LESSOR

23.1 Default: LESSOR shall not be in default unless LESSOR fails to perform its obligations under this Lease within a reasonable time, but in no event later than thirty (30) days.

23.2 After written notice by LESSEE to LESSOR specifying wherein LESSOR has failed to perform such obligations. If the nature of LESSOR'S obligation is such that more than thirty (30) days are required for performance, then LESSOR shall not be in default if LESSOR commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. LESSEE'S obligation to provide written notice to LESSOR of a default by LESSOR is limited to those instances where knowledge of LESSOR'S default is within the actual knowledge of LESSEE.

23.3 Remedies: If LESSOR fails to cure a prospective default within the time periods outlined above, LESSEE shall have the option to cure the default or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSEE elect to cure the default, all reasonable costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease Agreement (if any), shall be reimbursed by LESSOR to LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs which shall be accompanied by invoice and receipts to document LESSEE'S cost to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default. However, upon LESSOR'S failure to so reimburse LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs, at LESSEE'S option, said costs shall be deducted from rent due hereunder. If LESSOR'S default hereunder prevents LESSEE'S use of the Premises, there shall be an abatement of rental payments for the period of such non-use.

ARTICLE 24 - CONDEMNATION

If more than ten percent (10%) of the floor space area of the Premises is taken or condemned for a public or quasi-public use, or the part taken renders the entire Premises insufficient for the conduct of LESSEE'S business and operations, then this Lease shall terminate at the option of LESSEE as of the date title shall vest in the condemner. If only part of the Premises is taken and the remainder of the Premises is sufficient for the conduct of LESSEE'S business and operations, then LESSOR shall restore the Premises to a single architectural unit and the Lease shall continue as to the part not taken, but the monthly rent shall be reduced in proportion that the rentable area of the Premises taken bears to the rentable area of the Premises before the taking.

ARTICLE 25 - HOLDING OVER

If LESSEE remains in possession of the Premises after the Lease Term or any Extended Term, this Lease shall automatically be extended on a two month-to-two month basis at the monthly rent applicable to the last month of the Lease Term or Extended Term, subject to termination upon sixty (60) days' written notice by either party. All other terms and conditions shall remain in full force and effect.

ARTICLE 26 – WAIVER

Any waiver of any term or condition of this Lease must be in writing and signed by LESSEE and LESSOR. The waiver by LESSOR or LESSEE of any term, covenant or condition herein contained shall not be deemed to be a waiver of any other term, covenant or condition, nor shall either party consent to any breach of any term, covenant or condition, nor shall either party be deemed to constitute or imply its consent to any subsequent breach of the same or other term, covenant or condition herein contained.

ARTICLE 27 - QUIET POSSESSION

LESSEE shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the Premises, without suit, trouble or hindrance from LESSOR or any person claiming under LESSOR, subject to the terms of this Lease. LESSOR, to the best of LESSOR'S ability, shall also be responsible for ensuring that all other tenants in the building or complex do not interfere with the quiet enjoyment of the LESSEE.

ARTICLE 28 - SUBORDINATION

This Lease shall be subject and subordinated to the lien of any mortgages and deeds of trust which are hereafter placed against the LESSOR'S interest or estate in the property provided that the mortgagor or beneficiary under such mortgage or deed of trust shall agree in writing that, in the event of a foreclosure of same or of any other such action or proceeding for the enforcement thereof, or of any sale thereunder, this Lease shall not be barred, terminated, cut off, or foreclosed, nor will the rights and possession of LESSEE hereunder be disturbed if LESSEE shall not then be in default under the terms of this Lease, and LESSEE shall attorn to the purchaser at such foreclosure, sale or other action or proceeding. The foregoing subordination shall be effective without the necessity of having any further instruments executed by LESSEE, but LESSEE shall nonetheless execute, upon demand, such further instruments evidencing such subordination as may be reasonably requested by LESSOR or any mortgagee or beneficiary.

ARTICLE 29 - ESTOPPEL CERTIFICATE

Within thirty (30) days of written notice by one party to the other, each will execute, acknowledge and deliver to the other an estoppel certificate in writing declaring any modifications, defaults or advance payments and whether the lease, as may be modified, is in full force and effect. Any such certificate may be conclusively relied upon for the intended transaction for which the statement was requested.

ARTICLE 32 – PROPERTY TAX EXEMPTION

LESSOR, at no cost to the LESSOR, will cooperate with LESSEE and do all acts reasonably necessary and appropriate to secure and maintain tax exemption of the Premises pursuant to ARTICLE XIII, Section 3 of the California Constitution. LESSOR will apply the amount of any reduction of tax resulting from such exemption either in the form of a cash payment or of rental credit to LESSEE as soon as possible after LESSOR receives the benefit of tax exemption.

If such tax exemption of the Premises is granted for a fiscal year which is, in whole or in part, after the date of expiration or earlier termination date of this Lease, then, with respect to that portion of such fiscal year which is after the expiration of the term of this Lease, LESSOR will pay LESSEE the amount of such reduction of tax in cash, in accordance with directions from the Monterey County Assessor's Office.

LESSOR and LESSEE agree to work together to explore options to install solar and/or other alternate energy options and enhancements to the Premises. In the event any alternate energy enhancement creates a tax deduction, PG&E rebate or any other form of monetary credit to LESSOR, LESSOR further agrees to pass to LESSEE said monetary credit to defray LESSEE'S operational cost for the Premises as identified in **EXHIBIT D - SUMMARY OF SERVICES AND UTILITIES** and **EXHIBIT E - SUMMARY OF REPAIR AND MAINTENANCE RESPONSIBILITIES** of this Lease.

ARTICLE 35 – CUSTODIAL SERVICE SPECIFICATIONS

Pursuant to California Civil Code Section 1938 (c), making any repairs or modifications necessary to correct violations of construction related accessibility standards that are noted in a CAsp report is presumed to be the responsibility of the LESSOR, unless otherwise mutually agreed upon by LESSOR and LESSEE. LESSEE shall have the opportunity to review any CAsp report prior to execution of the Lease. Statement of Seismic Adequacy

July 20, 2011

At the request of the owner's representative, I conducted a review of the structural portions of the construction documents, prepared by Ausonio Construction, for the existing buildings located at 632 East Alisal Street and 26 and 30 Pearl Street in Salinas, California. I also conducted a walk-through visual observation of the buildings.

I conclude that both structures were designed and built in substantial compliance with the seismic requirements of the "California Building Code" in effect at the time of construction. In addition, the structures do not show any obvious significant structural damage.

EXHIBIT C

The Landlord shall perform Premise Improvements in accordance with the plans and specifications at a cost not to exceed \$904,722.45. Said improvement cost will be a one-time lump sum payment within sixty (60) days upon construction completion and to be approved by the Health Department Facilities Manager.

EXHIBIT C – 1

PREMISE IMPROVEMENTS

1. Premise Improvements:

- a. LESSOR shall construct all Premise Improvements in accordance with the Plans and Specifications as approved by LESSOR and LESSEE, which Plans and Specifications are or will be attached to this Exhibit C upon such approval. Premise Improvements must satisfy the Federal Americans with Disabilities Act, as and if applicable.
- b. Premise Improvements are generally described as follows: **Please refer to Exhibit C-2 for details.**
- c. LESSOR shall commence construction of the Premises Improvement work at the earliest opportunity. Cost and schedule of Premise Improvement work shall be approved by LESSOR and LESSEE prior to commencement.
- d. LESSOR shall diligently pursue construction of approved Premises Improvement work and deliver the Premises to LESSEE in a condition suitable for occupancy no later than a date certain, that will be mutually established by LESSOR and LESSEE on or before the date LESSOR'S contractor commences construction of the Premise Improvements.

2. Construction Plans and Specifications, Change Orders and Delay:

- a. LESSOR shall provide for LESSEE'S approval the complete and detailed proposed Plans and Specifications for the Premises Improvements, the design of which shall conform to LESSEE'S approved program for use of the Premises.
- b. LESSEE shall provide LESSOR with written notice of its approval or disapproval of the Plans and Specifications within five (5) business days after receipt of such Plans and Specifications. If LESSEE disapproves the Plans and Specifications, LESSEE shall describe the reasons for its disapproval in reasonable detail in LESSEE'S notice of disapproval. LESSOR shall revise the Plans and Specifications to satisfy the issues giving rise to LESSEE'S disapproval and submit the revised Plans and Specification to LESSEE as provided in clause 2.a. of this Exhibit C.
- c. During construction, LESSOR and LESSEE'S Representative (as defined below) shall confer periodically regarding the progress of the work and the approximate cost of the work completed. LESSEE'S Representative may request changes, modifications or alterations to the Plans and Specifications by written change order delivered to LESSOR, but no such change shall be made without the written approval of LESSOR, which approval shall not be unreasonably withheld. LESSOR shall approve or deny each LESSEE change order within four (4) business days, and LESSOR shall also provide to LESSEE'S Representative, by written notice to LESSEE, an estimate of the maximum cost of each change order within five (5) business days after the delivery of the change order to LESSOR. No work based upon a change order shall be undertaken unless and until LESSEE'S Representative shall have approved (by notice to LESSOR) LESSOR'S cost estimate.
- d. If LESSOR determines that a change proposed by LESSEE will delay completion of the construction beyond the period allocated for such construction, LESSOR shall, within four (4) business days, notify LESSEE'S Representative of the estimated length of the delay caused by LESSEE'S request. LESSEE'S Representative shall advise LESSOR within two (2) business days after receipt of such notice as to whether LESSOR shall proceed with requested change, modification or alteration. LESSOR shall not make the requested change to the Plans and Specifications without LESSEE'S approval of any proposed time extensions.

- e. If LESSOR requires that LESSEE clarify or refine the Plans and Specifications, then LESSEE'S Representative shall meet with LESSOR for the purpose of clarifying or refining the Plans and Specifications within two (2) business days after LESSEE'S receipt of LESSOR'S request, therefore. No such clarification or refinement shall be deemed to be a change order.
 - f. If LESSOR determines that the Plans and Specifications must be changed as a result of omissions or errors in the Plans and Specifications, then LESSOR shall, prepare and submit to LESSEE revised Plans and Specifications correcting any such omission or error. LESSEE shall approve or disapprove such revised Plans and Specifications within two (2) business days after receipt and shall not unreasonably withhold its approval.
 - g. LESSOR shall not be responsible for any delays in the time for completion of construction resulting from LESSEE'S delay. For purposes herein, LESSEE'S delay in the completion of the construction of the Premise Improvements are delays that may arise solely as a result of: (1) LESSEE'S failure to comply with its obligations set forth in subsection b, d, e, or f, above, within the time specified; (2) any change directed by LESSEE after notification to LESSEE that the change will delay completion of the construction as provided in subsection d, above; or (3) extra time required to obtain any long lead items specified by LESSEE. For purposes herein, an item shall be considered a long lead item if LESSOR notifies LESSEE within fifteen (15) business days after receipt of LESSEE'S approval of the Plans and Specifications that such item is not readily available or readily installable after the same is requested by LESSEE.
3. Approval of Plans by Public Authorities: Following LESSEE'S approval of the Plans and Specifications, LESSOR shall obtain approval of the Plans and Specifications for the Premises from all appropriate governmental agencies, and a copy of the Plans and Specifications, as approved by such governmental agencies, shall be dated and initialed by both LESSOR and LESSEE. LESSOR shall exercise due diligence in obtaining any such approval. LESSEE shall cooperate with LESSOR in obtaining all such approvals, and in this regard, LESSEE shall approve all revisions and changes to the Plans and specifications reasonably required by any governmental agency, with due diligence and without delays.
4. Quality of Work: All work performed hereunder shall be done in a good and workmanlike manner, free from faults and defects and in accordance with the Plans and Specifications. All materials and equipment installed in the Premise Improvements shall be new unless otherwise specified in the Plans and Specifications.
5. LESSEE'S Access during Construction: LESSEE'S representative, agents, consultants and contractors ("LESSEE'S Representatives") shall have access to the Premises during the construction of the Premise Improvements for activities and purposes related to construction of the Premises or preparation of the Premises for occupancy. LESSEE'S Representatives on the Premises during construction shall cooperate with LESSOR'S contractor and not delay in any way the performance by LESSOR'S contractors or LESSOR'S representatives of any work (including but not limited to the construction of Premise Improvements).
6. Acceptance of Premises:
- a. At any time during the construction of the Premise Improvements, LESSEE may notify LESSOR of any work that does not conform to the Plans and Specifications or does not meet good and workmanlike standards. LESSEE and LESSOR will work in good faith to resolve any nonconformity issues.
 - b. Within five (5) business days after LESSOR delivers to LESSEE a list of work items remaining to be done or corrected and notifies LESSEE that the Premise Improvements are ready for inspection by LESSEE'S representative, LESSEE shall deliver to LESSOR a list of items that LESSEE shall have reasonably determined that LESSOR must complete or correct in order for the work to conform to the Plans and Specifications. LESSOR shall immediately commence to complete or correct the items listed by LESSEE, except those it contends are not justified. If LESSEE fails to deliver such a list within the five (5) business day period, LESSEE shall be deemed to have accepted the Premises subject to completion of the corrections on LESSOR'S list of corrections and to have approved the construction.

- c. Acceptance by LESSEE shall not be unreasonably withheld.
7. Notices: All notices required or permitted hereunder shall be in writing and shall be delivered as indicated in ARTICLE 6 of the Lease to which this Exhibit is attached.
8. Notice of Non-Responsibility: LESSOR may post such notices of non-responsibility for payment to LESSEE contracted vendors as it reasonably deems appropriate in or around the Premises during the construction provided for herein.
9. Responsibility for Damage: If LESSEE installs equipment in the Premises prior to completion of the work hereunder, LESSEE shall bear the risk of loss to such equipment other than loss that is a result of negligence or willful misconduct by LESSOR, its agents or contractors.
10. Telecommunications/Data: Premise Improvements may include the installation of necessary telecommunications/data processing linkages, and alarm systems. LESSOR shall request Specification for telecommunications/data processing linkages and alarm systems developed and provided by the County of Monterey Information Technology Department's Deputy Chief Information's Officer located at 1590 Moffett Street, Salinas, California, 93905. PROPOSITION 65 WARNING

CALIFORNIA PROPOSITION 65 WARNING. This warning is provided in compliance with the requirements of California's Proposition 65, due to exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm, from exposures to materials used in and around the construction site of _____

“WARNING: MATERIALS INCLUDED IN THE CONSTRUCTION OF THE PREMISES AND PROPERTY WILL EXPOSE YOU TO FORMALDEHYDE AND OTHER CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM. FURTHER INFORMATION MAY BE OBTAINED FROM THE MANAGER/OWNER.”

This warning is provided to inform tenants of the exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm. The exposures are caused by the materials of which the office buildings on this site are constructed. **Environmental exposures to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm will continue for as long as _____ engages in ongoing construction on and around the surrounding property.**

Formaldehyde. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes and offices. Formaldehyde is present in the air because it is emitted by a variety of building materials and products purchased by the builder from materials suppliers. These materials and products include carpeting, pressed wood products, insulation, plastics, and glues.

Other Chemicals. The Premises and/or ongoing construction sites in this development have not been tested. Given the cost of testing, it is not feasible to test every rental property and nearby construction site to ascertain the level of formaldehyde or other carcinogens and reproductive toxicants present in the rental property or ongoing construction sites nearby. Most homes, offices and construction sites that have been tested elsewhere do contain formaldehyde as well as other carcinogens and reproductive toxicants, although their concentrations vary from property to property with no obvious explanations for the differences. One of the problems is that many of the suppliers of building materials and products do not provide information on chemical ingredients to their builders. In the absence of specific information on these leased premises, and in light of the materials used in and around their construction, we believe that a warning is necessary.

Please provide this warning to invitees and guests entering this leased property. You may have further questions about these issues. _____, has made no inquiries of our material suppliers concerning these matters. _____ is willing to provide, upon request, the names of known material suppliers, which may be contacted for further information.
