

ORDINANCE NO. 5324

AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, AMENDING CHAPTER 7.90 OF THE MONTEREY COUNTY CODE RELATING TO COMMERCIAL CANNABIS PERMIT REQUIREMENTS

County Counsel Summary

This ordinance amends Chapter 7.90 of the Monterey County Code to add a definition of “manager” as any individual who will be participating in the day-to-day direction, control, and management of the commercial cannabis operation. The ordinance also adds to the definition of “owner” to better align with state regulations. The ordinance also requires that managers, along with owners and persons with a 20% or more financial interest in the commercial cannabis activity, submit to a criminal background check before obtaining a commercial cannabis permit. The ordinance removes the requirement that property owners, supervisors, and employees submit to a criminal background check. The ordinance also removes the requirement that property owners have no felony convictions or drug related misdemeanor convictions reclassified by Section 1170.18 of the California Penal Code within the past ten years. Also, the ordinance allows owners, managers, and persons having a 20% or more financial interest to undergo Live Scan fingerprinting at any entity authorized by the California Department of Justice to provide Live Scan services. Finally, this ordinance adds a requirement that permittees must keep a roster of all employees, the employees’ dates of birth, and verification that the employees do not have felony convictions or drug related misdemeanor convictions reclassified by Section 1170.18 of the California Penal Code within the past ten years.
