

Mary M. Estrada

Mary Estrada was born and raised in a small Nebraska town. After graduating High School, she joined the U.S. Navy where she served six years of active duty in the weather field. She received her schooling at the Lakehurst Naval Air Station (Naval Air Technical Training Center). She did her active duty at the Naval Station Guantanamo Bay Cuba and Fleet Numerical Meteorology and Oceanography Center Monterey California. After her separation from active duty, she continued her education in the field of Computer Science and returned to Fleet Numerical Meteorology and Oceanography Center as a civilian DoD employee where she managed various operational computer services that supported with environmental products and web services for worldwide Navy and DoD operations. Mary retired in 2010 with 30 years of government service.

After retirement, Mary has been active in various veteran organizations serving in local, district and state offices for the American Legion. Mary currently serves on the United Veterans Council of Monterey County as Director and Chaplain, member of the M&VA Advisory Commission and Chaplain for the Marina Foundation.
