

Mr. Dan Presser:

I'm a Navy Vietnam Era veteran. The first half of my civilian life was in the field of advertising and marketing. The second half of my life I discovered the travel agency business. Love this work because it combines my desire to travel to help others enjoy the world around them.

I love animals and was the president of the American Cetacean Society, Monterey Bay. Several years ago, Governor Brown appointed me to serve on the Monterey County Fair Board. This year I was elected the vice president of the Board.
