County of Monterey, State of California*

Resolution No.:

Adopted Resolution honoring May 2018 as the **Centennial of** _____)
University of California Cooperative Extension Monterey County.....)

WHEREAS, May 2018, marks the centennial of **University of California Cooperative Extension Monterey County**, one of the oldest departments of the County, which was established as part of the nationwide transformational education system operating through land-grant universities in partnership with federal, state and local governments to "diffuse useful and practical knowledge," bringing research-based knowledge to people where they live and work; and

WHEREAS, Each year hundreds of youth, adults, families, farmers, ranchers, community leaders and others engage in practical, community-based and online **University of California Cooperative Extension** learning opportunities designed to extend knowledge and change lives through educational programs in agriculture, horticulture, natural resources, community and economic development, and children, youth and families, and

WHEREAS, This outreach directly supports Monterey County's agricultural sector which is one of the most productive in the world at over \$4.25 billion annually in production and \$8.1 billion when associated business, employee pay, and value-added processing is included; and

WHEREAS, Through grants and direct university support the University of California Cooperative Extension Monterey County invests an average of \$5 million annually into agricultural and youth programs of Monterey County; and

WHEREAS, The university faculty and local Extension educators dedicate careers to providing trusted education to help people, businesses and communities solve problems, develop skills and build a better future, living and working alongside residents and industry, which has earned recognition locally, statewide, nationally and internationally, with numerous awards, including, 2018 International IPM Award of Recognition for European Grapevine Moth Team; 2017 Enology and Viticulture National Extension Distinction; 2013 Nation Award for Excellence in Extension Plant Pathology; 2005 and 2003 Governor's Environmental and Economic Leadership Award; and 2005 National Weed Science Society Award of Excellence; and

WHEREAS, Youth involved in 4-H are twice as likely to go to college and three times more likely to actively contribute to their communities; and Cooperative Extension's nationwide 4-H youth development program has reached millions of youth, preparing them for responsible adulthood and positions of leadership.

NOW, THEREFORE BE IT AND RESOLVED, that the Monterey County Board of Supervisors, on behalf of the County and all citizens thereof, honors **University of California Cooperative Extension Monterey County** for one hundred years of economic, environmental, and educational contributions to Monterey County and its' citizens.
