Hi Joel,

We submitted an FSZ Application for the Bianchi Ranch, LLC for APN 165-013-010. This was based on information received by the Bianchi's real estate broker who understood from a conversation with you that the parcel was not within an existing FSZ.

I received a call today from Gregg MacFarlane of the Assessor's Office who indicated that this parcel is already within an existing Farmland Security Zone. Given this new information, we would like to rescind our application and would also request a return of the application fee.

Thank you very much for your attention to this matter.

John.
