

September 27, 2024

Dear Alison Day,

Congratulations! Your FY 2024-25 PLP Grant, "Library of Things: Outdoor Adventures," has been funded in the requested amount of \$6,250. The grants were evaluated by a panel of three Library Directors from outside of PLP and your grant received a qualifying score.

We have attached the reimbursement claim form that you can submit at any time to claim reimbursement, along with the grant reporting form you are required to submit at the conclusion of your project along with any other documentation.

We look forward to hearing about the successful implementation of your grant in your library so that other PLP member libraries may benefit from your experience. You are to be congratulated on your good work!

Sincerely,
Justin Wasterlain

Assistant Director
Pacific Library Partnership
