

MONTEREY COUNTY BOARD OF SUPERVISORS

MEETING: May 11, 2010 – Consent	AGENDA NO.: 28
SUBJECT: a. Approve Plans and Special Provisions for construction of the San Miguel Canyon Road Signal Coordination, Project No. 10-135065; and b. Authorize the Clerk of the Board to advertise the “Notice to Bidders” in <i>The Californian</i> on May 17 and May 24, 2010.	
DEPARTMENT: RMA - Public Works	

RECOMMENDATIONS:

It is recommended that the Board of Supervisors:

- a. Approve Plans and Special Provisions for construction of the San Miguel Canyon Road Signal Coordination, Project No. 10-135065; and
- b. Authorize the Clerk of the Board to advertise the “Notice to Bidders” in *The Californian* on May 17 and May 24, 2010.

SUMMARY/DISCUSSION:

Approval of the Plans and Special Provisions will authorize the Department of Public Works to proceed with advertising for the construction of the San Miguel Canyon Road Signal Coordination, Project No. 10-135065. The bid opening will be set for May 27, 2010 at 3:00 p.m., in the Board of Supervisors’ Conference Room 1032, Monterey County Government Center, 168 West Alisal Street, 1st Floor, Salinas, CA 93901. Construction is scheduled to begin late June 2010.

The San Miguel Canyon Road Signal Coordination, Project No. 10-135065 consists of modifying existing left turn phasing at two intersections from protected phasing to protected-permissive phasing. By separate contract a desktop computer system will enable two-way communication between signalized field locations and the Government Center. With the completion of both contracts traffic timing parameters may be uploaded and downloaded, and alarms can be received of detector failures and other malfunctions from the centralized location. The proposed project is scheduled for completion in late July 2010.

OTHER AGENCY INVOLVEMENT:

County Counsel and Risk Management have reviewed and approved the Special Provisions as to form, and insurance provisions, respectively. The Information Technology Department has approved communication line access to the Government Center. The Monterey Bay Unified Air Pollution Control District has authorized Public Works to proceed with the project.

FINANCING:

There is no financial impact to the General Fund. Total estimated project cost, including project management, engineering, and construction, is \$79,300. The project is funded with \$38,775 of Monterey Bay Unified Air Pollution Control District Funds and \$40,525 from Road Funds. There are sufficient appropriations in the Road Fund (Fund 002, Unit 8195) to finance this project.
