Comments

This Order Form is for a 3-year Agreement for one (1) location. The Product & Service descriptions below lists the monthly services fees noted on the form.

There are no shipping charges on this form since this is a service only order. The hardware has already been purchased from a Petroleum Services Company or Reseller.

Thanks for choosing Acumera's Managed Network Services for data security, PCI compliance assistance, and dashboard visibility into all sites. We're happy to welcome you to the Acumera family of customers!

Sincerely,
Rick

Rick Deitrick - Enterprise Sales Director at Acumera

Customer agrees to allow Verifone staff to use AcuVigil to view customer's network information and provide support/updates to store systems via connections established by Acumera
Customer agrees that Verifone support infrastructure is not in Acumera's PCI compliance scope and customer will secure any needed compliance documentation about Verifone's support infrastructure directly from Verifone

AcuLink Remote Access Service

1 x \$10.00 / month

SKU AMS0140

for 3 years

AcuLink Remote Access Service creates fast, simple and PCI compliant connections between AcuVigil users and devices at a site, and meets PCI DSS requirements in sections 1, 2, 4, 6, 8, 10 and 12, ensuring that logged, secured user remote access is ephemeral and automatically disconnected after a period of inactivity

Recurring discount	\$10.00 / month
Recurring subtotal	\$69.00 / month
Total	\$69.00

This quote expires on November 13, 2020.

Purchase Terms

Terms & Conditions

This Order is subject to certain Managed Service Agreement between Client and Acumera executed on or before the "Prepared Date" (the "Agreement"). This Order and the rates set forth above are subject to Client and Acumera executing this Order on or before the "Expiration Date" set forth above, provided however if Acumera executes this Order following the Expiration, this Order shall be deemed binding and enforceable in all respects. Upon this Order being fully executed by Client, Acumera will begin work on the Services subject to the terms of this Order and the Agreement.
