### Board Order

A motion was made by Supervisor Glenn Church, seconded by Supervisor Chris Lopez to:

- a. Receive the Measure AA Committee's funding recommendations; and,
- b. Directed staff to make modifications as follows:

Tier 1 projects were approved, except funding for Vierra Canyon Road and Blackie Road were reallocated to Dolan Road funding will cover repairs at least up to the railroad tracks and Highway 1, if needed, additional funds from the next Measure AA revenue payment will be used to complete that portion. Vierra Canyon Road and Blackie Road projects were moved to Tier 2. Tier 2 projects were also approved to proceed as additional funds become available or if Tier 1 projects come in under budget. Supervisors raised concerns about the need for clearer policies, better alignment with the Capital Improvement Program and budget process, and greater transparency, and directed that those process issues be addressed moving forward.
