Re: Letter of Interest for Board Member Vacancy

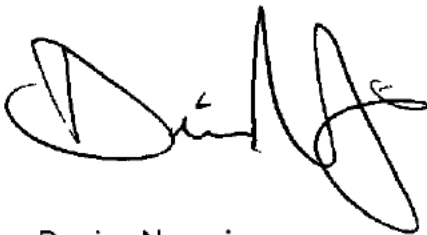

Dear Members of the Board,

I am writing to express my strong interest in serving as a member of the Board for the San Ardo Water District. As a lifelong resident of San Ardo, I am deeply invested in our community's future and recognize the critical role this district plays in providing safe, reliable water and ensuring environmental stewardship.

Throughout my career in mental health, I have developed strong skills in strategic planning, public policy, and community outreach. I am eager to apply my expertise to help support the board's strategic goals while maintaining fiscal responsibility. I understand that serving on the board requires a significant time commitment, and I am fully prepared to actively participate in meetings, committee work, and community outreach.

Thank you for your time and consideration. I have attached my resume, which provides further detail on my professional background.

Sincerely,
