## BUSINESS ASSOCIATE AGREEMENT

This Agreement, hereinafter referred to as "Agreement", is made effective July 1, 2009 by and between the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center, hereinafter referred to as "Covered Entity", and Danny Tan DDS hereinafter referred to as "Business Associate", (individually, a "Party" and collectively, the "Parties").

### WITNESSETH:

WHEREAS, Sections 261 through 264 of the Federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as "the Administrative Simplification provisions," direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the "HIPAA Privacy Rule"); and

WHEREAS, the State of California has enacted statutes designed to safeguard patient privacy including, without limitation, the Confidentiality of Medical Information Act ("CMLA"), California Civil Code, § 56 *et seq.*, Senate Bill 541, enacted September 30, 2008, and Assembly Bill 211, enacted September 30, 2008; and

WHEREAS, the parties acknowledge that California law may include provisions more stringent and more protective of the confidentiality of health information than the provisions of HIPAA; and

WHEREAS, the Parties wish to enter into or have entered into an arrangement whereby Business Associate will provide certain services to Covered Entity, hereby referred to as the "Service Agreement" and, pursuant to such arrangement, Business Associate may be considered a "business associate" of Covered Entity as defined in the HIPAA Privacy Rule and under California law; and

WHEREAS, Business Associate may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under such arrangement;

THEREFORE, in consideration of the Parties' continuing obligations under the Service Agreement, compliance with the HIPAA Privacy Rule, compliance with California law, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to the provisions of this Agreement in order to address the requirements of the HIPAA Privacy Rule and California law and to protect the interests of both Parties.

### DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Agreement and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. In the event of an inconsistency between the provisions of this Agreement and mandatory provisions of CMLA or other California law, California law shall control. Where provisions of this Agreement are different than those mandated in the HIPAA Privacy Rule and California law, but nonetheless are permitted by the HIPAA Privacy Rule and California law, the provisions of this Agreement shall control.

The term "Protected Health Information" means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic,

medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

Business Associate acknowledges and agrees that all Protected Health Information that is created or received by Covered Entity and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by Covered Entity or its operating units to Business Associate or is created or received by Business Associate on Covered Entity's behalf shall be subject to this Agreement.

## II. CONFIDENTIALITY REQUIREMENTS

(a) Business Associate agrees:

(i) to access, use, or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom Covered Entity is required to disclose such information or as otherwise permitted under this Agreement, the Service Agreement (if consistent with this Agreement the HIPAA Privacy Rule, and California law), the HIPAA Privacy Rule, or California law and (3) as would be permitted by the HIPAA Privacy Rule and California law if such use or disclosure were made by Covered Entity;

(ii) at termination of this Agreement, the Service Agreement (or any similar documentation of the business relationship of the Parties), or upon request of Covered Entity, whichever occurs first, if feasible, Business Associate will return or destroy all Protected Health Information received from or created or received by Business Associate on behalf of Covered Entity that Business Associate still maintains in any form and retain no copies of such information, or if such return or destruction is not feasible, Business Associate will extend the protections of this Agreement to the information and limit further access, uses, and disclosures to those purposes that make the return or destruction of the information not feasible; and

(iii) to ensure that its agents, including a subcontractor, to whom it provides Protected Health Information received from or created by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply to Business Associate with respect to such information. In addition, Business Associate agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause Business Associate to breach the terms of this Agreement.

(b) Notwithstanding the prohibitions set forth in this Agreement, Business Associate may use and disclose Protected Health Information as follows:

(i) if necessary, for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate, provided that as to any such disclosure, the following requirements are met:

(A) the disclosure is required by law; or

(B) Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and accessed, used, or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached, within five calendar days of discovering said breach of confidentiality;

(ii) for data aggregation services, if to be provided by Business Associate for the health care operations of Covered Entity pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Agreement, data aggregation services means the combining of Protected Health Information by Business Associate with the protected health information received by

Business Associate in its capacity as a business associate of another covered entity, to permit data analyses that relate to the health care operations of the respective covered entities.

(c) Business Associate will implement appropriate safeguards to prevent access to, use of, or disclosure of Protected Health Information other than as permitted in this Agreement. The Secretary of Health and Human Services shall have the right to audit Business Associate's records and practices related to use and disclosure of Protected Health Information to ensure Covered Entity's compliance with the terms of the HIPAA Privacy Rule. Business Associate shall report to Covered Entity any access, use, or disclosure of Protected Health Information which is not in compliance with the terms of this Agreement of which it becomes aware within five calendar days of discovering such improper access, use, or disclosure. In addition, Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use, disclosure, or access of Protected Health Information by Business Associate in violation of the requirements of this Agreement.

### III. AVAILABILITY OF PHI

Business Associate agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. Business Associate agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, Business Associate agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

### IV. TERMINATION

Notwithstanding anything in this Agreement to the contrary, Covered Entity shall have the right to terminate this Agreement and the Service Agreement immediately if Covered Entity determines that Business Associate has violated any material term of this Agreement. If Covered Entity reasonably believes that Business Associate will violate a material term of this Agreement and, where practicable, Covered Entity gives written notice to Business Associate of such belief within a reasonable time after forming such belief, and Business Associate fails to provide adequate written assurances to Covered Entity that it will not breach the cited term of this Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then Covered Entity shall have the right to terminate this Agreement and the Service Agreement, immediately, and seek injunctive and/or declaratory relief in a court of law having jurisdiction over Business Associate.

### V. MISCELLANEOUS

Except as expressly stated herein, in the HIPAA Privacy Rule, or under California law, the parties to this Agreement do not intend to create any rights in any third parties. The obligations of Business Associate under this Section shall survive the expiration, termination, or cancellation of this Agreement, the Service Agreement and/or the business relationship of the parties, and shall continue to bind Business Associate, its agents, employees, contractors, successors, and assigns as set forth herein.

This Agreement may be amended or modified only in a writing signed by the Parties. No Party may assign its respective rights and obligations under this Agreement without the prior written consent of the other Party. None of the provisions of this Agreement are intended to create, nor will they be deemed to create, any relationship between the Parties other than that of independent parties contracting with each other solely for the purposes of effecting the provisions of this Agreement and any other agreements between the Parties evidencing their business relationship. This Agreement will be governed by the laws of the State of California. No change, waiver or

discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

The parties agree that, in the event that any documentation of the parties, pursuant to which Business Associate provides services to Covered Entity contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Agreement, the provisions of the more restrictive documentation will control. The provisions of this Agreement are intended to establish the minimum requirements regarding Business Associate's use and disclosure of Protected Health Information.

In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions of this Agreement will remain in full force and effect. In addition, in the event a party believes in good faith that any provision of this Agreement fails to comply with the then-current requirements of the HIPAA Privacy Rule or California law, such party shall notify the other party in writing. For a period of up to thirty days, the parties shall attempt in good faith to address such concern and amend the terms of this Agreement, if necessary to bring it into compliance. If, at the conclusion of such thirty-day period, a party believes in good faith that the Agreement still fails to comply with the HIPAA Privacy Rule or California law, then either party has the right to terminate this Agreement and the Service Agreement upon written notice to the other party. Neither party may terminate this Agreement without simultaneously terminating the Service Agreement unless the parties mutually agree in writing to modify this Agreement or immediately replace it with a new Business Associate Agreement that fully complies with the HIPAA Privacy Rule and California law.
